

Apathetic Arbiter says:

though we will go to other settings in the future

Okay.

Ahem.

When we last left our heroes (and Nicole), they had met the fortune-teller Merlon and learned that Levity's singing voice would play a role in some miraculous event.

deluna_41@hotmail.com says:

Hahahhaa

Apathetic Arbiter says:

This mysterious event would involve a star-like light, the color green, and a squirrel.

Daria Morgendorfer says:

(OH HO HO)

(WE GOT JOKES LEWOT)

Apathetic Arbiter says:

Guys I did that last time, the Nicole one

Daria Morgendorfer says:

(AY GUYS LOOK LEWOT GOT JOKES OVER HERE)

(oh i didn't notice then)

Apathetic Arbiter says:

However, you don't know what you have to do to get this mysterious event rolling, and you still don't know how you got to the party in the first place.

But you're all standing in front of the Inn across the street from Merlon's house, having rested well for a night and checked out.

Merlon's house was the building with the spinning roof.

deluna_41@hotmail.com says:

Yes

Apathetic Arbiter says:

You're still very near the flower garden and the spot where the shifty Doogan tried to sell you a Slowpoke Tail.

There are Toads milling about.

You can see the building where the party took place, too.

hegel5000 says:

Oh, wait, we're playing right now?

Apathetic Arbiter says:

Yes

If that's okay.

hegel5000 says:

Oh, sure, yeah!

Apathetic Arbiter says:

So what does who propose to do?

deluna_41@hotmail.com says:

I think we should do something

Go back to the spinning house?

Apathetic Arbiter says:

Levity has 420 Coins.

deluna_41@hotmail.com says:

Or go to the post office just because

Apathetic Arbiter says:

And several items.

deluna_41@hotmail.com says:

or check out a shop or something

hegel5000 says:

(If you're wondering, I got that line from my best friend Carter)

Apathetic Arbiter says:

Nicole has two cans of beer.

I neglected to mention this during battle.

But I did mention it at the beginning.

deluna_41@hotmail.com says:

What does beer do

Apathetic Arbiter says:

It's just a not-very-good healing item that makes you drunk if you have too much.

Mister Dragon says:

And wait, how quickly does beer leave one's system?

wait, you have a document on that, don't you . . .

Apathetic Arbiter says:

Drunk is like being Dizzy, but it doesn't wear off until you sleep in an Inn, and you'll be hung over the next morning, which means your VP and MP will be empty.

That's what happened to you all after the party.

Otherwise, the Goombas would have been a cinch.

Mister Dragon says:

Yes, I would've killed them all with PSI Starstorm :3

deluna_41@hotmail.com says:

Well, balance purposes and all that

Apathetic Arbiter says:

So, does anyone approach a building or something?

Mister Dragon says:

Erm, I start digging up flowers and eating them.

what are the buildings again?

Apathetic Arbiter says:

Oh, and Nicole got a Plastic Rake from Merlon.

Mister Dragon says:

The inn, the party building, Merlon's house
and then there was the gate that led outside of the city through which the
Goombas entered?

Daria Morgendorfer says:

I wanna go where the ACTION is!

Apathetic Arbiter says:

The Goombas actually came from the suburbs

I'm giving Toad Town suburbs to make it more realistic

the post office is next to the Inn, but all the other buildings in the immediate vicinity just
look like houses

you could go farther into town

or go out toward the suburbs

Mister Dragon says:

I'll go into the post office.

I'll put my head up to whoever is at the desk

deluna_41@hotmail.com says:

Post office yeaah

Mister Dragon says:

(well, no, at a urban post-office there's a bullet-proof plastic shield)

Apathetic Arbiter says:

At the desk is a very old turtle with wings.

Mister Dragon says:

I put my face against the bullet proof plastic protecting the employees from patrons and vice versa.

Apathetic Arbiter says:

He is old enough to not really be too surprised by a dragon.

Mister Dragon says:

Does he recognize me?
I look at the PO Boxes.
and point to them.

Apathetic Arbiter says:

He does not seem to recognize you

deluna_41@hotmail.com says:

"HEEEY POST OFFICE GUY"

Apathetic Arbiter says:

Mailtroopa "Eh, you think you have some mail, there, dragon?"

deluna_41@hotmail.com says:

(Levity went in btw)

Apathetic Arbiter says:

Mailtroopa "Hello, missee."

deluna_41@hotmail.com says:

"I don't know what Dragon wants, by the way. I only just met him"

Apathetic Arbiter says:

Mailtroopa "Let me check... D... DRA..."
"Hmm, I don't see one for him."

Mister Dragon says:

I attempt to make a sad face

deluna_41@hotmail.com says:

"Any for me?"

Apathetic Arbiter says:

Mailtroopa "What's your name, miss?"

Mister Dragon says:

(I then walk out, wondering if my face is capable of looking sad)

deluna_41@hotmail.com says:

"Levity--hey dragon don't gooooo"
"--My name is Levity yeah"

Apathetic Arbiter says:

Mailtroopa "Alrighty, let's see..."

Mister Dragon says:

I stand outside on my hindlegs with more forelegs crossed.

Apathetic Arbiter says:

Mailtroopa "Hmm, I'm sorry, there's no box for Levity, either. Do you live here?"

deluna_41@hotmail.com says:

"I can't remember. Do I?"

Mister Dragon says:

I find Nicole, pick her up by the head with my mouth, and carry her into the post office.

Apathetic Arbiter says:

Mailtroopa "Oh, I see. You were at that party day before last, were ya?"

deluna_41@hotmail.com says:

"All three of us were, yeah"
"Err, dragon guy and the chick he's carrying"
"At least, I think she's female"

Daria Morgendorfer says:

"hello"

"yeah, i am"

deluna_41@hotmail.com says:

"I hope so

"

Apathetic Arbiter says:

Mailtroopa "Well, I don't reckon I know anything 'bout memory retrieval. You'd better find some kinda therapist for that."

Daria Morgendorfer says:

Freud Toad

Apathetic Arbiter says:

Mailtroopa "Sorry I can't do ya no good."

Mister Dragon says:

I mime punching buttons on a phone
and then I mime opening a book.

Apathetic Arbiter says:

Mailtroopa "Oh, what's that, a phone book? I don't have one on me, pard. I apologize."

deluna_41@hotmail.com says:

"Phonebook?"

"Oh"

Mister Dragon says:

I walk out, with my head hunched down.
(I have just realized how a dragon can express sadness!)

deluna_41@hotmail.com says:

Levity walks out as well

Apathetic Arbiter says:

Okay, things have not really changed outside
where do you go next?

deluna_41@hotmail.com says:

We should go exploring
for a shop or something

Mister Dragon says:

Um, yeah, deeper into the city.

Apathetic Arbiter says:

Okay,

Daria Morgendorfer says:

I wanna

FIGHT

things

maybe if we go to peach's castle

something will happen

Apathetic Arbiter says:

Okay, so like, yeah, the gate to Peach's Castle is in fact right near there
so that's north

the post office and Inn are east

Merlon's house is west

the party house is south

this is all just this small area

but I'm giving you the directional orientation

the Goombas came from east.

East would be into the suburbs

north would be toward Peach's Castle

and west or south would be further into the city proper.

deluna_41@hotmail.com says:

Let's goooo

Daria Morgendorfer says:

i say north you's guys

Mister Dragon says:

So North, then?
Yeah.

Apathetic Arbiter says:

Okay.

deluna_41@hotmail.com says:

Noorth

Apathetic Arbiter says:

You go north

you approach a large, blue, metal gate with a star emblem on it

it opens automatically

erm, both sides push forward like a non-automatic door, but it's automatic

there's a long path made of cobblestone

Mister Dragon says:

I try scuffing.

Apathetic Arbiter says:

to the right is a city water feature with a fountain in it

forward, you can see the castle.

Mister Dragon says:

Do my claws create a spark when they go over the cobblestones?

Apathetic Arbiter says:

A little bit.

Daria Morgendorfer says:

castle castle

Apathetic Arbiter says:

They're not brand new but not old enough to crumble into dust.

Daria Morgendorfer says:

"We should probably tell this Peach chick those things were looking for her"

deluna_41@hotmail.com says:

"Oh, I never thought of that"

Apathetic Arbiter says:

Yeah, the gate was labeled "Peach's Castle," I'll say

okay, you go toward the castle

(one second)

deluna_41@hotmail.com says:

For some reason I still imagine Levity to be a bandit character'

k

Mister Dragon says:

(Bizz, we could totally go robbing people if you wanted to.

You can be a bandit character if you choose to!)

(We can be rythm bandits like Junior Senior!)

Apathetic Arbiter says:

Yeah, I mean, you guys don't know how you got here or what anything is

you can try to fight anyone

though I didn't make sheets for Merlon or the post office guy

but anyway, you reach the bridge that leads to the castle front door

the bridge goes over a moat

the castle is white, but the roof parts are red
the front door is pretty big
nobody's standing near it

deluna_41@hotmail.com says:

Levity turns into a shadow for fun

Mister Dragon says:

I knock.

Apathetic Arbiter says:

There is no response to the knock at first
then, the door flies open
a woman in a pink dress looks as if she were about to run out
but she sees you all and looks surprised

Mister Dragon says:

**I grab her
and hug her**

deluna_41@hotmail.com says:

Levity unshadows immediately

Mister Dragon says:

and take her down to the ground.

Daria Morgendorfer says:

"Hey"

Apathetic Arbiter says:

Peach "Oh! My!"

Mister Dragon says:

And then I give her a dragon kiss.

Daria Morgendorfer says:

"Weird mushrooms dudes are coming for you"

"We don't know what that means":

"But it probably isn't good"

Apathetic Arbiter says:

Peach "Uhm..."

Peach "Oh, you're a nice dragon, aren't you? You scared me for a moment."

Mister Dragon says:

I snort happily.

Daria Morgendorfer says:

"Mister Dragon is very nice"

Apathetic Arbiter says:

Peach "Um... did you say 'mushroom things' were after me?"

Peach "Well, I'm afraid it's a bit worse than that, actually."

From inside the castle, you hear a kind of yell/roar.

Then a gruff voice.

Gruff "Come back and play, Your Highness!"

Peach "Um, I'm sorry, but I have to get out of here."

Daria Morgendorfer says:

"You in trouble, Miss?"

Mister Dragon says:

I stand between her and the voice

Daria Morgendorfer says:

"We can be your own personal body guard service"

deluna_41@hotmail.com says:

"Don't run off because they'll just find you"

Mister Dragon says:

on all fours, facing the voice, with my hindclaws dug into the floor.

deluna_41@hotmail.com says:

"Trust me, it happens all the time"

Apathetic Arbiter says:

Peach "Oh, I couldn't impose upon you... but..."

Through the open door, you see a giant turtle with a spiky shell running toward you
he's grinning evilly

Mister Dragon says:

(Wait, I have a tail, right? I gentlemanly help her up with the tail.)

Apathetic Arbiter says:

You have a tail, yes.

Daria Morgendorfer says:

"God dammit"

Apathetic Arbiter says:

So does this turtle: his has spikes on it.

Daria Morgendorfer says:

"First weird mushrooms,. now weird turtles"

"HEY ITS FRANKLIN"

"COMMUN OVER TO FUCKIN PLAY"

deluna_41@hotmail.com says:

()

Levity freaks out and turns into a shadow again

Apathetic Arbiter says:

Turtle "Gua ha ha! What's this, the annual chump parade?"

The turtle jumps out the door, over your heads, and lands on the other end of the bridge,
then turns around and faces you.

He breathes fire into the air showily.

Mister Dragon says:

I turn around and stare in aw.

awe*

Then I start slowly walking towards him.

(Tell me when I get to him. I'll try to shake his hand.)

Apathetic Arbiter says:

Peach "Be careful, Mister Dragon!"

Erm, it's not a very long bridge

he looks quizzically at you as you approach.

Turtle "Where'd you get the dragon, Peach?"

Mister Dragon says:

I start walking on three legs and hold out my right claw.

Apathetic Arbiter says:

Maintaining a quizzical look, he reaches out his claw to shake.

Mister Dragon says:

I nod my head

and I do not let go of his hand.

deluna_41@hotmail.com says:

Levity, while still a shadow, says something that is not hurt

Apathetic Arbiter says:

Turtle "Hey... what is this? Leggo!"

Mister Dragon says:

I let go.

I walk off to the side

Apathetic Arbiter says:

Turtle "Huh. Weird."

Peach "Bowser, just leave me alone for once, will you?"

Mister Dragon says:

and point to Peach, look at Bowser, and shrug.
Then I start walking bat to Peach.

Apathetic Arbiter says:

Bowser "Heh heh... Where's plumber-boy and fraidy-bro? Out losing in a stupid contest?"
(He does not realize that losing in a stupid contest makes you smart.)

Mister Dragon says:

○

Daria Morgendorfer says:

Apathetic Arbiter says:

Peach "I'm sorry about this, you girls... Um, what are your names?"

Daria Morgendorfer says:

"Nicole"

Mister Dragon says:

I look at Bowser indignantly and point to myself.

deluna_41@hotmail.com says:

"Levity"

After she unshadows herself

Apathetic Arbiter says:

Bowser "Heh, I hardly saw these little girls. What, are they your fan club or something?"

deluna_41@hotmail.com says:

"I uh, I steal things"

Apathetic Arbiter says:

Peach "Oh, I see..."

Bowser "Well, let's get this show on the road, Princess."

He comes toward the group.

Daria Morgendorfer says:

"I don't really know what I'm doing here yeah"

"HEY HEY NO"

deluna_41@hotmail.com says:

"Hey you, Bowser"

"Fuck you man"

Apathetic Arbiter says:

He tries to grab all three girls.

deluna_41@hotmail.com says:

"

Levity shadows

Apathetic Arbiter says:

Bowser "Gwuh?"

He grabs Peach in one arm and Nicole in the other.

deluna_41@hotmail.com says:

And unshadows behind Bowser

Apathetic Arbiter says:

He turns around and sees Levity.

deluna_41@hotmail.com says:

and tried to grab onto a spike or something

oh hi

Apathetic Arbiter says:

Bowser "Oh, there you are."

deluna_41@hotmail.com says:

Shadows again

"DRAGON, HELP ME"

Apathetic Arbiter says:

Bowser "Hey, stop doing that! Oh, whatever."

He starts to walk away.

Mister Dragon says:

I start running towards Bowser
and I try to pry Peach from his arm.

Apathetic Arbiter says:

Bowser "Hey! No! Bad dragon!"

deluna_41@hotmail.com says:

Could Levity try singing right now?

Mister Dragon says:

I nod to her.

(Although, actually, I don't know what her singing does. I don't know if that's a good recommendation.)

Apathetic Arbiter says:

Mister Dragon has 9 Strength, which is equal to Bowser's, but Bowser has to hold on to both girls, so Mister Dragon is able to pry her out of his claw.

deluna_41@hotmail.com says:

(In battle it makes foes fall asleep

)

(err, no)

(freezes time)

Mister Dragon says:

WOOO!

Apathetic Arbiter says:

Right now, we're in field mode, so singing would be your field ability

Mister Dragon says:

I start running off with Peach into the castle
and I close the doors behind me.

Apathetic Arbiter says:

you could do it and see what happens

Mister Dragon says:

and I start searching for a lock.

deluna_41@hotmail.com says:

Okay

Levity unshadows and tries to sing?

Apathetic Arbiter says:

Bowser drops Nicole

deluna_41@hotmail.com says:

Also what about Nicole

oh

Apathetic Arbiter says:

he starts going back toward Peach, but is distracted by Levity's singing

Daria Morgendorfer says:

"God dammit"

"This place sucks"

Apathetic Arbiter says:

Bowser "Hey, what are you singing about?"

Mister Dragon says:

Also, where can I go in the castle?

Apathetic Arbiter says:

Well, uh

there's a staircase across from the main door

Mister Dragon says:

Are there any electrical outlets?

Apathetic Arbiter says:

well, yes

deluna_41@hotmail.com says:

Levity just keeps singing

Mister Dragon says:

I pull one out of the wall
and point to the wire
and I start trying to follow it.
and then I turn to her.

Apathetic Arbiter says:

To Peach?

Mister Dragon says:

Yeah, Peach.
Everyone else is outside, right?

Apathetic Arbiter says:

Yes

Bowser is distracted by the singing, but he's starting to shake his head

Peach is kinda shivering and scared

she doesn't seem to understand the mime.

deluna_41@hotmail.com says:

Levity tries singing louder

Mister Dragon says:

I try to mime an explosion
but like, the shape of a mushroom cloud
and then I point to the outlet again

Apathetic Arbiter says:

Peach "Um... do you want me to do something with this... electricity?"

Mister Dragon says:

(I also briefly open the door and give a thumbs-up to Levity)

Apathetic Arbiter says:

Bowser "Guh..."

Bowser "That's... some voice. But... Peach..."

deluna_41@hotmail.com says:

Levity can't tell if that's a signal to stop or not

Mister Dragon says:

I mime a cooling tower.
(Erm, after I close the door. The cooling tower is to Peach.)

Apathetic Arbiter says:

What is a cooling tower?

Mister Dragon writes:

]

But, Bowser is running across the flat floor faster than Mister Dragon can climb the stairs while holding Peach

Mister Dragon says:

Oh, wait, wait
I can't climb stairs

Apathetic Arbiter says:

You said you could go up but not down.

deluna_41@hotmail.com says:

Levity tries running up to Bowser and hitting him more

Mister Dragon says:

Oh, right, yeah!
I do run up the stairs.
(I haven't seen Animal House in a while.)

Apathetic Arbiter says:

Alright, well, Levity lunges with her Knife, but it doesn't pierce Bowser's shell where's Nicole?

deluna_41@hotmail.com says:

Levity should shadow up the wall and try to fall on Bowser's head without maiming herself considerably still outside, apparently maiming*

Apathetic Arbiter says:

Well, Bowser turns around
Bowser "GRARGH! What's with you freaks?! Whoever you are, you're going down now!"
He tries to claw Levity, but she turns into a shadow and evades

deluna_41@hotmail.com says:

evaaade

Apathetic Arbiter says:

she starts going up the wall

deluna_41@hotmail.com says:

~~

Apathetic Arbiter says:

Bowser sees Nicole outside
he runs toward her

Mister Dragon says:

(Where can I hide Peach on the second floor? Am I on a balcony or a hallway or a room?)

Apathetic Arbiter says:

It's still part of the same room, just higher, so I guess kind of a balcony thing there's another big door directly ahead

Daria Morgendorfer says:

Nicole jumps out of the way awkwardly

Mister Dragon says:

I put her in there and close it
and then I walk to the top of the stairs and stare down.

Daria Morgendorfer says:

or

is picked up by Mr. Dragon yeah

Apathetic Arbiter says:

Bowser tries to claw Nicole but she awkwardly dodges just in time
(Mister Dragon is carrying Peach, not Nicole)
Nicole dodged inward, into the castle
Bowser roars angrily

Bowser "Fight like men, you little girls!"

Mister Dragon says:

(Also, when I carry a girl, if she's Peach, she's in my right arm (so kinda under my body since I'm down on three limbs), and when it's Nicole, it's her head in my mouth.)

Daria Morgendorfer says:

Apathetic Arbiter says:

Battle Initiated!

Mister Dragon says:

I gesture for everybody to follow me upstairs
and then I don't do anything
I point to Nicole with one claw and mime like a spyglass pointing at Bowser
with the other.
(That doesn't count as my turn, right?)

Daria Morgendorfer says:

uhhh

Tattle?

Apathetic Arbiter says:

Nicole ~ HP: 10/10, VP: 10/10, MP: 5/5, Status: Normal

Levity ~ HP: 10/10, VP: 10/10, MP: 5/5, Status: Normal

Dragon ~ HP: 10/10, VP: 10/10, MP: 5/5, Status: Normal

vs.

Bowser ~ ???

Mister Dragon says:

I nod to Nicole.

Apathetic Arbiter says:

You can do whatever you want that isn't attacking and it won't take up your turn

deluna_41@hotmail.com says:

lag

Apathetic Arbiter says:

So yeah, Player Phase

Daria Morgendorfer says:

Tattle

Apathetic Arbiter says:

Nicole uses Tattle on Bowser!

She determines that he has 70 HP, 30 VP, 20 MP

his Attack Power is 6, and his Defense Power is 3

Magic Power is 2 and Brain Power is 1.

Mister Dragon says:

I follow Peach into the room where I put her.

I roar in fear.

Apathetic Arbiter says:

Well, battle mode is initiated, so you'll have to try to Run Away.

deluna_41@hotmail.com says:

Levity squeaks

Mister Dragon says:

Run

the fuck

away!

Baby!

deluna_41@hotmail.com says:

Run away

Apathetic Arbiter says:

Tails.

You trip over yourself.

deluna_41@hotmail.com says:

Gaaah

Apathetic Arbiter says:

Erm, Levity remaining.

Mister Dragon says:

(There is something funny about imagining me and Levity tripping over eachother while running from Bowser.)

deluna_41@hotmail.com says:

Can I try to initiate run away?

Apathetic Arbiter says:

Yes

Any of you can try

deluna_41@hotmail.com says:

k

INITIATE

RUN AWAY

Apathetic Arbiter says:

Tails again.

Enemy Phase.

deluna_41@hotmail.com says:

D':

Apathetic Arbiter says:

Bowser "Heh, whassamatter? Scared now? You should be."

deluna_41@hotmail.com says:

"Fuckkkkkk"

Apathetic Arbiter says:

Bowser goes up to Levity and claws her for 6 damage.

Levity 4/10 HP.

Other Phase

Peach "Bowser, you big meanie! Don't hurt these people!"

Daria Morgendorfer says:

uhh

Apathetic Arbiter says:

Bowser "Hey, anybody who stands in my way's gotta be taught a lesson. I'm Bowser, baby!"

Daria Morgendorfer says:

we run away?

Apathetic Arbiter says:

It's still the Other Phase

deluna_41@hotmail.com says:

Wait

Apathetic Arbiter says:

a man in blue overalls and a green hat and shirt comes flying through the outer door as though shot from a cannon

Mister Dragon says:

(I pleadingly point to the nearest electrical cord and mime mushroom clouds and cooling towers to Bowser.)

Apathetic Arbiter says:

he collides with Bowser for 5 damage

deluna_41@hotmail.com says:

Yessssss

"GREEN GUY"

(I imagine like the Bowser battle music and Levity beeping because she has under 5hp lol)

Apathetic Arbiter says:

a man with a red shirt and hat jumps in the doorway after him

he lands on Bowser's head, also for 5 damage

the two of them then join Nicole and Levity on the lower battlefield

(being on higher ground, Mister Dragon counts as flying right now)

(but I don't think this affects anything that Bowser can do)

deluna_41@hotmail.com says:

"Hi dudes"

Apathetic Arbiter says:

Red Guy "Hello! Need-a some help-a with that there Bowsair?"

Green Guy "Leave a-him a-to us!"

deluna_41@hotmail.com says:

"Yes! Awesome!"

Apathetic Arbiter says:

Nicole ~ HP: 10/10, VP: 10/10, MP: 5/5, Status: Normal

Levity ~ HP: 4/10, VP: 10/10, MP: 5/5, Status: Normal

Dragon ~ HP: 10/10, VP: 10/10, MP: 5/5, Status: Normal

Mario ~ HP: 100/100, VP: 98/100, MP: 10/10, Status: Normal

Luigi ~ HP: 80/80, VP: 98/100, MP: 10/10, Status: Normal

Bowser ~ HP: 60/70, VP: 30/30, MP: 20/20, Status: Normal

Bowser "Mario! And Green 'Stache! Why, I oughtta..."

Player Phase

(Erm, Mario and Luigi have become Partner Units and will act during the Partner Phase.)

Daria Morgendorfer says:

I do the thing that should confuse Bowser

Apathetic Arbiter says:

Ah, yes.

Nicole uses Personal Insult!

Bowser's sense of identity is shattered, and he becomes Confused!

Daria Morgendorfer says:

WOOO

Apathetic Arbiter says:

Nicole 8/10 VP

Tell me what the other two do while I go to the bathroom.

Erm, I'm back.

Levity, Mister Dragon?

Mister Dragon says:

Hey, sorry, gimme a second.

Apathetic Arbiter says:

Okay.

Levitita?

Daria Morgendorfer says:

(bbl i am also bathroom)

Apathetic Arbiter says:

k

Daria Morgendorfer says:

(if i'm not back by my turn feel free to let DA TEAM choose my action)

Apathetic Arbiter says:

Apathetic Arbiter eats a cookie!
His bloodsugar rises by 0.042%.

Mister Dragon says:

**(Lemme catch up.)
Can I defend for half damage?**

Apathetic Arbiter says:

Erm, no.

You could Starstorm.

The options in battle are to use one of your attacks, use an item, do nothing, or try to run away.

You guys could run away and leave Bowser to the Mario Bros., but if you stay in the battle until the end, you'll get XP. Bowser hates Mario so much, he'll be targeting him.

Mister Dragon says:

**Oh, well, I'll do nothing.
I wanna save my VP for Vim Up
or Vigor Up.**

Apathetic Arbiter says:

Well, VigorUp is a separate one
you only have VimUp

but

okay

Mister Dragon does nothing.

Levity?

Mister Dragon says:

Vim, Vigor . . . it's so confusing

Apathetic Arbiter says:

I'm sorry

Mister Dragon says:

I'll remember eventually.

Apathetic Arbiter says:

I just like the letter V

because of my synesthesia

Levity could sing to freeze Bowser in time, or she could try to steal an item from him, or hide in the shadows

those are her special attacks

her Knife wouldn't damage him as things stand.

She's on Meebo... that means nudges won't work.

Well, we could Battle Save...

Daria Morgendorfer says:

I am here now

Apathetic Arbiter says:

We're waiting for Bizz.

Daria Morgendorfer says:

oh

deluna_41@hotmail.com says:

shit

Sorry

my dad called

Daria Morgendorfer says:

<http://www.sandowbirk.com/paintings/the-divine-comedy/>

deluna_41@hotmail.com says:

and my sister got on

Apathetic Arbiter says:

Oh, okay.

Daria Morgendorfer says:

this makes me p. happy

deluna_41@hotmail.com says:

and now she's complaining

Because she wants to get back on

Apathetic Arbiter says:

Well, tell her we just have to finish beating Bowser.

It won't take long.

deluna_41@hotmail.com says:

Levity sings, yeah

Apathetic Arbiter says:

Okay, Levity uses *Tempo Pausa!*

deluna_41@hotmail.com says:

I meant to like, say that before and then brb

Apathetic Arbiter says:

Bowser is frozen in time for 3 turns!

deluna_41@hotmail.com says:

Apathetic Arbiter says:

Erm, right, Mario and Luigi are equipped with Ultra Hammers, and you can see that Bowser has a magic wand of sorts equipped

you can see the equipped weapons of enemies, but you don't know what else they're carrying unless you try to steal

deluna_41@hotmail.com says:

Levity should try to steal from him next turn

Apathetic Arbiter says:

Mario hammers Luigi underground, Luigi tunnels through the castle floor, Mario jumps above his head, and Luigi pops up, sending Mario into the air

Um, Partner Phase

Luigi uses Snack Basket!

Mario tosses snacks in the air, Luigi eats them (healing 10HP), and then grows enormously obese

Mario heaves him on top of Bowser for 11 damage
and then Luigi slims down again.

Mario uses...

Heck, Mario just whacks Bowser with his Ultra Hammer for 9 damage.

He only had 8 HP left.

But, the Life Shroom in Bowser's inventory revives him to 10 HP automatically!

deluna_41@hotmail.com says:

life shroom D:

Apathetic Arbiter says:

Also, the death canceled out his status problems.

Bowser uses...

(Erm, Enemy Phase)

Bowser uses Whirling Fortress on Mario!

He spins in his shell, striking Mario 3 times for 5 damage each.

Mister Dragon says:

Apathetic Arbiter says:

!

Daria Morgendorfer says:

/wooo

Apathetic Arbiter says:

You're all now at Level 1 with 17 XP toward the next level.

Daria Morgendorfer says:

WOOOO

Apathetic Arbiter says:

So, do you want to increase HP, VP, or MP?

Whichever you pick will go up by 5.

Daria Morgendorfer says:

HP

Apathetic Arbiter says:

Nicole's max HP goes up by 5! It's now 15!

Hegel?

(Also, I forgot Luigi was actually holding a Starman, which makes you invincible and increases attack by 10)

(But since they didn't use any items, I don't have to change their sheets.)

Daria Morgendorfer says:

(guys is it okay if i go ahead and leave?)

Apathetic Arbiter says:

Well, we'll stop here

yeah

you picked your stat, so you're done
