

[7:31:40 PM] Lewot: Well, let's see... I have to get my mind out of Jurassic Park...

[7:32:53 PM] Lewot: You did some turnip-themed shopping and then hit a Save Block outside of a house with a spinning roof, which is a little north of the marketplace.

[7:33:24 PM] Lewot: Like, just right there, behind the stands.

[7:33:40 PM] Andrew Cornell: (sounds about right)

[7:33:56 PM] Lewot: You remember who you are, I suppose, but in case you need more detail, <https://sites.google.com/site/hannabartpekopon/home/game-2/player-characters>

[7:34:09 PM] KV: makin' sure my info is up-to-date

[7:34:35 PM] Lewot: If anything's off, it would probably be the number of arrows remaining.

[7:35:12 PM] Lewot: Some of you had stolen some armor off the dead bodies of the Fire Emblem units you fought on the beach.

[7:35:31 PM] Lewot: Most of your inventories are pretty full from the shopping.

[7:36:21 PM] Lewot: The house in front of you is the same kind of wood as the rest of the buildings, but the roof is painted in curved stripes of purple, orange, and silver

[7:36:45 PM] Lewot: I'm not sure if they had paint in the middle ages, but apparently they had light switches so it's okay.

[7:36:58 PM] KV: (it's a totally new world, it's okay)

[7:37:36 PM] Lewot: Is everybody, like, attentive?

[7:37:52 PM] KV: SIR, YES SIR

[7:37:56 PM] Andrew Cornell: (I am paying currency in amounts of attention)

[7:38:08 PM] Sir Jared: (Mhm)

[7:38:53 PM] KV: Levity?

[7:43:35 PM] Lëvîty: guys this is a bad time to start because i'm, getting kicked out of the coffeehouse in twenty minutes

[7:44:41 PM] Lewot: Will you be able to come back very soon?

[7:44:47 PM] Lëvîty: Yes

[7:44:52 PM] Lewot: Okay, we'll wait for you <3

[7:44:58 PM] Lëvîty: I'm just warning you

[7:44:58 PM] Lëvîty: well

[7:45:10 PM] Lëvîty: we can play for a little bit now but I'll be kicked off in 15 minutes

[7:45:16 PM] Lëvîty: then I have to walk back to my dorm

[7:45:27 PM] Lëvîty: I'll be pretty quick though

[7:45:32 PM] Lewot: Okay, we'll make it work

[7:45:43 PM] Lewot: (I was reading more Jurassic Park stuff)

[7:45:48 PM] Lewot: OKAY

[7:45:50 PM] Lewot: so uh

[7:46:13 PM] KV: (Lev, would it be alright if we shadowed you while you walked back? Assuming we don't end up in the middle of a battle or something)

[7:46:35 PM] Lewot: Miles, Jay, Rammen, and Levan who is adorable are standing in between the marketplace and the spinning-roof house.

[7:46:40 PM] Lewot: What does who propose to do?

[7:47:11 PM] KV: "Anyone know who lives in the spinning house?"

[7:47:15 PM] Lëvîty: (Sure)

[7:47:32 PM] Sir Jared: Jay simply shrugged.

[7:47:40 PM] Andrew Cornell: "Not particularly. Although I don't imagine any of us would," I

reply.

[7:47:48 PM] KV: "Anyone else wanna find out?"

[7:48:11 PM] Andrew Cornell: "Well, Tommy and Terry are curious, and I've no reason to doubt their curiosity, much less my own," I say.

[7:48:21 PM] Sir Jared: "I don't see why not."

[7:48:38 PM] KV: Miles knocks on the door to the house with the spinning roof. He notices the roof starts to wobble a bit.

[7:49:02 PM] KV: (We love you, Lev)

[7:49:13 PM] Lewot: It wobbles, then stabilizes, then slows down a bit

[7:49:19 PM] Lewot: (Me more <3)

[7:49:29 PM] Andrew Cornell: (me most <3)

[7:49:35 PM] Lewot: then the door falls inward off its hinges.

[7:49:44 PM] Lewot: Nobody is standing immediately behind it.

[7:49:53 PM] Lewot: The room inside seems darkish.

[7:49:55 PM] Andrew Cornell: "...oh," I say. I'm a little worried now over the matter of the door.

[7:49:56 PM] KV: Miles stands with his fist frozen in midair.

[7:50:00 PM] Sir Jared: "...what."

[7:50:07 PM] KV: "Anyone home?"

[7:50:11 PM] KV: "Sorry about your door..."

[7:50:22 PM] Lewot: There's a shuffling sound

[7:50:29 PM] Lewot: a bit of silence

[7:50:34 PM] Lewot: then a voice

[7:50:47 PM] Lewot: "Uh, what? Oh, right. Never mind, come in."

[7:50:51 PM] Lëvîty: (Sorry I'm getting ready to leave)

[7:50:56 PM] Lewot: It doesn't sound at all cool or mysterious.

[7:51:09 PM] Sir Jared: "Well then, uh... Should we enter?"

[7:51:11 PM] KV: (It's not out of character for Levan to space out. Miles will keep an eye on you.)

[7:51:23 PM] KV: Miles steps over the fallen door, dragging a floating Levan inside with him.

[7:51:30 PM] Andrew Cornell: "He didn't say not to," I say, following Miles

[7:51:49 PM] Lewot: Levan bobs like a balloon.

[7:52:10 PM] Lewot: As you all enter, a light appears in the middle of the room. It's coming from a crystal ball.

[7:52:19 PM] Lewot: The room is still dim, though.

[7:52:31 PM] Lewot: And you can't see anyone inside.

[7:52:47 PM] Lewot: At first, it looks like the walls are covered in metal bars, like a cage

[7:53:04 PM] Andrew Cornell: "Well this is certainly a peculiar place," I note, looking around at the interior of the house.

[7:53:20 PM] Lewot: but as you look closer, you realize that hanging on the walls are metal grates of all shapes and sizes.

[7:53:30 PM] Lewot: They cover most of the surfaces of the walls.

[7:53:40 PM] Lewot: Behind them is just wood, like the exterior.

[7:53:50 PM] KV: (have we finally met the Arbiter's self-insert?)

[7:54:24 PM] Lewot: Behind the crystal ball stand (behind relative to you guys, as it's in the middle), you catch a glimpse of a small pellet falling from a hole in the ceiling

[7:54:44 PM] Lewot: when the pellet hits the ground, it explodes into a cloud of purple smoke

[7:55:10 PM] Lewot: inside the cloud, you can clearly see the shadow of a trapdoor open in the floor, and a caped figure climb hastily out of it.

[7:55:25 PM] Lewot: He closes the trapdoor, coughs in the smoke, and waves his hand to clear it.

[7:55:35 PM] Lewot: It doesn't work so well, so he takes off his cape and waves that around.

[7:55:39 PM] KV: Miles pretends to be impressed with the theatrics.

[7:55:41 PM] Sir Jared: Jay barely stifles a chuckle.

[7:55:57 PM] Lewot: You notice that the cape has a rough surface, like a towel.

[7:56:06 PM] Lewot: It's light blue.

[7:56:08 PM] Andrew Cornell: I'm not sure what to make of the new fellow in the room, nor do I think Tommy and Terry are either.

[7:56:23 PM] Lewot: He puts it back on as a cape and looks at your group.

[7:56:38 PM] Lewot: ??? "Ahem... Yes, I've been expecting you."

[7:57:15 PM] Lewot: ??? "You seek guidance... order... arbitration, you might say. Ah, if only you knew..."

[7:57:49 PM] Lewot: He flourishes his towel-cape with one arm.

[7:58:08 PM] Lewot: "I am this town's oracle... you may call me... Lewot."

[7:58:14 PM] Lewot: He coughs again.

[7:58:35 PM] Lewot: "An unnecessary question, but how might I be of service?"

[7:58:49 PM] KV: Miles clears his throat.

[7:59:08 PM] Lëvîty: "That's towel backwards!"

[7:59:08 PM] KV: "Well uh, I'm Miles."

[7:59:45 PM] Lewot: He nods pseudosagely.

[7:59:45 PM] Andrew Cornell: "...huh, she's curiously right," I note, hearing Levan speak up.

[8:00:07 PM] Lëvîty: Levan bounces up and down and floats into the general area of the vicinity to the oracle.

[8:00:35 PM] Lëvîty: [s]"Do you reveal peoples' roles when you die?"/s]

[8:00:49 PM] KV: Miles chuckled at Levan's joke.

[8:00:54 PM] Lewot: "Unfortunately, I don't die. Not here."

[8:00:58 PM] Sir Jared: Scratched the back of his head at the comically unimpressive fellow, not really quite sure what to think.

[8:01:25 PM] Lewot: "Now then, your future... yes..."

[8:01:34 PM] KV: "Anyway, this is Levan, Rammen, and Jay," Miles continued, pointing to each of his partners in turn.

[8:01:48 PM] Andrew Cornell: "Hello," I say, holding up a hand.

[8:02:05 PM] Lewot: Lewot "Hhhola."

[8:02:20 PM] Lewot: "Yes, I know your names... I am psychic, after all."

[8:02:57 PM] Lewot: "Of course, you all SHOULD know about the future, since you're really androids sent back from it... er..."

[8:03:03 PM] Lewot: "Wait, that was the last group."

[8:03:06 PM] Lewot: "Never mind."

[8:03:43 PM] KV: Miles notes that this guy doesn't quite have his shit together.

[8:03:59 PM] Andrew Cornell: (oh that can't be good,) I think to myself, gulping a little.

[8:04:02 PM] Lëvîty: Levan floats back up into the air a little while and stares upward.

[8:04:12 PM] Lëvîty: (brb)

[8:04:18 PM] KV: (we'll take care of you, Lev)

[8:04:21 PM] Lëvîty: (walking back now)

[8:04:23 PM] Lëvîty: (<3)

[8:04:23 PM] Lewot: Levan sees that the roof is spinning on wheelamajigs.

[8:04:28 PM] Lëvîty: (ARORABLE I LOVE YOU)

[8:04:52 PM] Lewot: Lewot "Uh... Right, your future. You did ask about it, right?"

[8:05:14 PM] Andrew Cornell: (I LOVE YOU TOO LEVVIES)

[8:05:26 PM] Lewot: "My all-seeing crystal eye here can tell me anything you wish to know, and the grates are all just for decoration, of course..."

[8:05:41 PM] KV: Miles "Well, uh, we were just curious who lived here."

[8:05:51 PM] KV: "But, I mean, since we're inside, may as well ask."

[8:06:01 PM] KV: Miles cleared his throat.

[8:06:07 PM] Lewot: Lewot "A master of deductive reasoning, I see."

[8:06:16 PM] Andrew Cornell: "Somehow, I get the feeling he predicted we would," I note to Miles.

[8:06:18 PM] KV: "OH GREAT AND POWERFUL ORACLE LEWOT! WHAT, PRAY TELL, DOES OUR FUTURE HOLD?"

[8:06:57 PM] Lewot: Lewot "Gaze into it I shall..." I thump the crystal ball on its side, and its light flickers a bit. As for you guys, you don't see any images in it.

[8:07:35 PM] Lewot: "Ah... ooh... oh, and that... yes, and this thing... oh, that'll be fun... er..."

[8:07:42 PM] Lewot: "...Yes, I see..."

[8:08:09 PM] Lewot: "I see many turnips in your immediate past... as well as a couple in your future."

[8:08:25 PM] Andrew Cornell: I whistle a little and raise up Tommy and Terry Turnip into view.

[8:08:32 PM] Sir Jared: Jay raises an eyebrow, not quite convinced.

[8:09:07 PM] Lewot: "I see... what's the word... uh... foray? Is that how you spell it?"

[8:09:31 PM] Lewot: "Anyway, you're going into the forest. There you will meet many challenges, and..."

[8:09:52 PM] Lewot: "You will find an important clue to this mystery."

[8:09:58 PM] Lewot: "Yes, indeed."

[8:10:15 PM] Lewot: "But the full solution will remain elusive for some time."

[8:10:33 PM] KV: Miles nods. None of this was really new information.

[8:10:48 PM] Sir Jared: "The forest... Well, that bee we fought mentioned something about the forest, right?"

[8:11:04 PM] Sir Jared: "It already feels like months since we've seen her."

[8:11:16 PM] Lewot: Lewot "Ah, the wonders of relative time..."

[8:11:26 PM] Lewot: "But this is not all! I see..."

[8:12:34 PM] Lewot: "Kinship... betrayal... unexpected reappearances... false, er, assumptions... and... visitors from other worlds..."

[8:12:43 PM] Lewot: "And, uh..."

[8:12:57 PM] Lewot: "Birds, at some point."

[8:13:08 PM] KV: Miles was puzzled.

[8:13:27 PM] Andrew Cornell: "Birds?" I yelp quietly.

[8:13:46 PM] Lewot: "Yes... Well, and if you count the Pegasus Knights, it'll be that much sooner."

[8:14:01 PM] KV: "Hold up a sec, there. Betrayal, you said?"

[8:14:08 PM] Andrew Cornell: "Ohhhhh no," I murmur, going into a corner.

[8:14:12 PM] Lewot: "Oh yes..."

[8:15:03 PM] Lewot: "Will you betray one another? Will an ally betray you? Will an enemy betray another enemy? Will some other definition of the word pop up? Perhaps all of the above!"

[8:15:07 PM] Lewot: "And perhaps only some."

[8:16:25 PM] Lewot: "Er... the spirits are being rather vague. They do that, you see."

[8:16:36 PM] KV: "Mm." Miles was unsatisfied.

[8:17:03 PM] Lewot: "Well, what can I... hmm... uh, yes... what more do I see..."

[8:17:52 PM] Lewot: "Hmm... Well, there is that, but you'll find out soon enough."

[8:18:06 PM] KV: "What? What else do you see?"

[8:19:16 PM] Lewot: "Well, let me put it this way... In the forest, you will see many trees that posses strange powers. You will have to, uh, root around for answers and branch out your understanding--let's leaf it at that."

[8:19:48 PM] KV: Miles wasn't sure exactly how he felt about this oracle.

[8:20:13 PM] KV: "Well, uh..."

[8:20:18 PM] Lewot: "Indeed."

[8:20:21 PM] KV: "Thank you for the information."

[8:20:27 PM] KV: "I guess we'll be on our way."

[8:20:59 PM] Sir Jared: Jay appeared to be half-paying attention to the man before his ears twitched at the "being on their way" part.

[8:21:07 PM] Sir Jared: "Oh, then it's time to leave?"

[8:21:29 PM] KV: "Sorry again about your door..."

[8:22:01 PM] Andrew Cornell: I look up from my corner and go back to the others again.

[8:22:05 PM] Lewot: "Oh, doors are of little consequence... however, about my fee..."

[8:22:30 PM] Lewot: The door springs up and latches itself back onto the hinges before you can walk out.

[8:22:42 PM] KV: Miles' stomach dropped.

[8:23:08 PM] Andrew Cornell: "Fee? You didn't mention that," I say

[8:23:21 PM] Lewot: Lewot "You didn't ask."

[8:23:45 PM] Andrew Cornell: "Doesn't mean you couldn't have made us aware of it amidst your theatrics," I say.

[8:24:17 PM] Lewot: Lewot "Ah, but truth is in the eye of the beholder, as is value."

[8:24:26 PM] Lewot: "No need to fear..."

[8:25:00 PM] Lewot: "All I would like is..."

[8:25:18 PM] Lewot: "...a hug from Levan. <3"

[8:25:38 PM] Andrew Cornell: "Eh?" Well that was unexpected.

[8:25:39 PM] Lewot: (So let's wait a little bit for her.)

[8:25:54 PM] Andrew Cornell: (you knucklehead :P)

[8:25:54 PM | Edited 8:26:16 PM] KV: Miles was taken slightly aback, not only at the fee, but at the odd "less than three" at the end of his sentence.

[8:26:17 PM] Lewot: Less than, actually. And they use hearts in Paper Mario dialogue.

[8:26:24 PM] KV: (I know, I caught it)

[8:26:30 PM] KV: (lol, I'm a bit tired.)

[8:26:45 PM] Lewot: Let's see, arora's still got like an hour, right?

[8:26:58 PM] Lewot: I actually am in the library without my power chord, but I should have enough battery left.

[8:27:11 PM] Lewot: Erm, Game Paused

[8:27:16 PM] KV: (a power chord is something completely different)

[8:27:29 PM] Andrew Cornell: (POWAH CHORD *guitarrrrrrr*)

[8:27:36 PM] Lewot: Er, right

[8:27:40 PM] KV: (power chords are rather easy)

[8:27:44 PM] Lewot: I always spell that wrong for some reason.

[8:27:55 PM] KV: (a chord is a group of three or more notes)

[8:28:06 PM] KV: (a cord is a length of wire, rope, or something similar)

[8:28:17 PM] Lewot: I am aware. Let's let Levvies catch up now.

[8:29:45 PM] Andrew Cornell: (it's music-themed, though, which works with Arpeggio~)

[8:29:54 PM] KV: (yeah, true.)

[8:34:33 PM | Edited 8:34:42 PM] Lëvîty: (hi)

[8:34:53 PM] KV: (friggin' Skype)

[8:35:49 PM] Lewot: Are you caught up Levitita? <3

[8:38:32 PM] KV: Miles coughs. "Well, Levan, you heard the man."

[8:39:18 PM] KV: "...I assume."

[8:41:45 PM] Lëvîty: (I got caught up)

[8:42:35 PM] Lëvîty: "You want a hug from me?" Levan squeals and lands on her feet. "Why?"

[8:43:29 PM] Lewot: Lewot "Because, er, I sense powerful psychic vibrations from you or some-
_"

[8:43:43 PM] Lewot: "--Wait, I actually do! I have one more thing to tell you."

[8:44:22 PM] Lewot: "You will meet a man in the forest. I cannot discern the nature of this man, but you will know him when you see him."

[8:44:42 PM] KV: Miles wonders if Lewot isn't just pulling all of this out of his ass.

[8:44:51 PM] KV: Nevertheless, he mentally notes the information.

[8:45:07 PM] Andrew Cornell: "Funny, Terry thought he was being a pervy old sage, and Tommy thought he was just going for a hug. For brother Turnips, they seem so different from each other," I quietly mutter to myself, my Turnips at my side.

[8:45:22 PM] Lewot: "When this stranger appears, you must not engage him in battle. Do not attack him."

[8:45:37 PM] Lewot: "If you heed my advice, you will be safe."

[8:46:07 PM] Lewot: He brings his towel-cape over his face pseudomysteriously.

[8:46:09 PM] Lëvîty: "Huh? Why not?"

[8:46:29 PM] Lëvîty: Levan approaches the oracle and embraces him fondly, giggling.

[8:46:34 PM] Lewot: "Why? Why... because he is much too powerful. Oh..."

[8:46:45 PM] Lewot: "Why thank you. <3"

[8:46:54 PM] KV: "What sort of man is this stranger?"

[8:47:25 PM] Lewot: Lewot seems a little distracted by Levan's hug.

[8:47:56 PM] Lewot: Finally he answers, "Oh, uh... he's a normal man, insofar as that has any meaning."

[8:48:25 PM] Lewot: "Yes, he appears normal, and he is not the one responsible for the monster attacks, I can see that..."

[8:48:38 PM] Lewot: "But you may meet him again..."

[8:48:52 PM] KV: "If he's not the one behind the monster attacks, why would we attack him?"

[8:49:40 PM] Lewot: Lewot "In these times, conflict is more common than it should be. You were attacked by those guys on the beach."

[8:50:08 PM] Lewot: "And in the forest, many will be lost and confused, and more prone to attack out of fear..."

[8:50:18 PM] Lewot: "Although this guy... Well, I've told you too much."

[8:50:31 PM] Lëvîty: "So it's a secret?"

[8:51:06 PM] Lewot: Lewot "Don't worry, much will become clear during your expedition."

[8:51:23 PM] Lëvîty: "Um... okay!"

[8:51:37 PM] Lëvîty: Leván hugs him again.

[8:51:57 PM] Lewot: He appeared about to say more, but gets distracted again and snuggles her back.

[8:52:08 PM] KV: "Well uh..."

[8:52:10 PM] Lewot: "Stay safe, okay?"

[8:52:11 PM] KV: "Thanks again."

[8:52:16 PM] Andrew Cornell: (why am I getting jealous of this guy? :P)

[8:53:18 PM] Lewot: "You are welcome, adventurers, and if you ever find yourself in more dire need of advice, I may be able to provide more coherent answers. For great need stimulates great emotional forces, which can aid psychic perception."

[8:53:37 PM] KV: "Amen."

[8:53:52 PM] Andrew Cornell: "Thank you kindly," I say, bowing.

[8:54:39 PM] Lewot: He wags his hand, and the door opens by itself. However, if you knew what fishing line was, you might notice some strung between the two.

[8:55:08 PM] Lewot: (Yes, fishing line is harder to invent than electric lightbulbs.)

[8:55:18 PM] KV: (seems legit)

[8:55:33 PM] Lewot: And I'm assuming you all leave.

[8:55:42 PM] Andrew Cornell: (I assume we do XD)

[8:55:50 PM] Lewot: Arora, do you need to leave at 10, or be there by 10?

[8:56:29 PM] Lewot: Anyway, you guys are back outside, facing the marketplace where you bought Tommy and Terry, and all your other goods.

[8:56:52 PM] KV: Miles turns to his companions, not quite over the weirdness they just experienced.

[8:57:13 PM] Lewot: You could go see Cassima again and attempt more recipes, or you could go back toward the forest... or you could explore the town more.

[8:57:26 PM] Andrew Cornell: (be there at 10)

[8:57:37 PM] Lewot: (So you'll want to leave soon?)

[8:57:45 PM] Lëvîty: (-hugs arorable-)

[8:58:08 PM] Lëvîty: (sorry, there's a Dangan Ronpa RP I'm applying for on tumblr heeheehee i couldn't resist)

[8:58:26 PM] Andrew Cornell: (it's like a 10-minute drive to club, I'm not in a rush >_>)

[8:58:55 PM] Lewot: (Okay, cool. So, recipes or forest? There's not much more in town, though there's a bit.)

[8:59:06 PM] Lëvîty: (What do you guys think?)

[8:59:22 PM] Lëvîty: Leván seems to think incredibly deeply about something for a moment.

[8:59:25 PM] KV: Miles "I don't know about you guys, but I'm ready to head into the forest."

[8:59:52 PM] Andrew Cornell: "As am I!" I say. "I know the oracle mentioned something about turnips, and I don't think he meant the turnip stand!"

[9:00:20 PM] Lewot: Did Jared fall asleep maybe?

[9:00:56 PM] Lëvîty: "Maybe there are gigantic turnips in the forest?"

[9:01:15 PM] Andrew Cornell: "Terry doubts it, but Tommy is optimistic," I reply.

[9:01:28 PM] Lewot: Well, I imagine he'd want to get back to battling too, so the party will head for the town exit...

[9:02:04 PM] Lewot: You pass back through the marketplace...

[9:02:13 PM] Lewot: You pass a random house, then Cassima's...

[9:02:27 PM] Lewot: You pass the Golden Crown, then the statue of Abram and Pidenski...

[9:02:36 PM] Lewot: And you head through the exit gate...

[9:02:51 PM] Sir Jared: (ow my neck)

[9:03:01 PM] Andrew Cornell: (don't hurt yourself sleeping man :P)

[9:03:09 PM] Sir Jared: (did we finish the part with the fortune telling?)

[9:03:13 PM] KV: (yep.)

[9:03:26 PM] Lëvîty: (We're going to the forest)

[9:03:26 PM] KV: (we're gonna meet some dude in the forest, and we're not supposed to attack him cuz he'll fuck us up.)

[9:03:39 PM] Sir Jared: (nooo- oh okay. I guess I can do that.)

[9:04:06 PM] KV: (but that implies there'll be a reason for us to WANT to attack him, and he's apparently not the guy behind the monster attacks)

[9:04:55 PM] Lewot: (Also, since Jay's backstory stuff will come in the area after the forest, I didn't reference it as much. But it was supposed to be included in the longish string of randomish words.)

[9:05:22 PM] Lewot: As you emerge back into... the area that doesn't have a name

[9:05:29 PM] Lewot: let's call it the Outskirts

[9:05:46 PM] Lewot: you see the hill with the beehive, across the bottomless pit

[9:05:56 PM] Lewot: behind that, you can see the trees of the forest in the distance.

[9:06:29 PM] Lewot: You remember that you have to walk left, around the bottom of the bottomless pit's T-shape.

[9:07:15 PM] Lëvîty: "Did you know that when bats fly out of their caverns, they always take a left turn?"

[9:07:24 PM] Lëvîty: "I've always wanted to ask a bat why they do that!"

[9:07:40 PM] Lewot: Be careful what you wish for >:3

[9:07:49 PM] Lewot: (Golbats)

[9:07:56 PM] Andrew Cornell: (DEAR GOD THE GOLBATS)

[9:07:59 PM] KV: Miles tilted his head. "Huh."

[9:08:03 PM] Lëvîty: "Not a poisonous one."

[9:08:09 PM] KV: (THE GOLBAT DRINKING GAME)

[9:08:15 PM] Andrew Cornell: "Well that's intriguing," I say.

[9:08:34 PM] Lewot: You all probably go left after that exchange...

[9:08:56 PM] Lewot: You come to the part where that branch of the bottomless pit ends. The giant rock is still sitting there at the end.

[9:09:17 PM] KV: Miles examines the giant rock a bit more closely.

[9:09:24 PM] Lewot: Erm, before that you pass to the side of the earth patch where the Zombies

came out.

[9:09:26 PM] KV: "This thing confuses me."

[9:09:31 PM] Lewot: The rock is a boulder

[9:09:40 PM] Lewot: it hasn't been rolling, so it's gathered some moss.

[9:09:50 PM] Andrew Cornell: "What're you looking for, Miles?" I ask

[9:09:59 PM] KV: "I'm not rightly sure myself."

[9:10:19 PM] Lewot: It's smaller than the Tumblebee Hive, but it's larger than the bee-shaped rocks you had rolled around in there. By kind of a lot.

[9:10:44 PM | Edited 9:10:47 PM] KV: Miles keeps walking right past it for now, though he's determined to figure out why it's there.

[9:10:58 PM] Lewot: The party continues...

[9:11:24 PM] Lëvîty: "I don't think I particularly want to remember the Tumblebee hive."

[9:11:31 PM] Lëvîty: (almost typed Tumblrbee)

[9:11:37 PM] Lewot: (<3)

[9:11:41 PM] KV: (dammit, Lewot, should've named them Tumblrbees.)

[9:11:53 PM] Lewot: You can see that it's a pretty straight path to the edge of the forest from here

[9:11:54 PM] Lëvîty: '(BLOGGING BEES)

[9:12:11 PM] Lewot: however, you're not quite sure if you can just enter the trees anywhere, or what

[9:12:29 PM] Lewot: the left side of the forest ends at the lake.

[9:12:40 PM] Lewot: You had explored the lower half of the beach, but not the upper half.

[9:12:54 PM] Lewot: And...

[9:13:25 PM] Lewot: There's a lot of open grassy space to the upper-right. From here, it doesn't look like there's much there.

[9:13:45 PM] Lewot: Do you want to go left to the beach, straight forward, or off to the right?

[9:14:10 PM] Lewot: All directions reach the forest at the end.

[9:14:15 PM] KV: Miles seems to be drawn to the right for some reason.

[9:14:25 PM] Lewot: Miles leans right... everyone follow?

[9:14:40 PM] Lëvîty: Levan bounces towards Miles.

[9:14:53 PM] Lewot: The party heads right...

[9:15:14 PM] Lewot: You pass the hive hill, and keep going...

[9:15:31 PM] Lewot: It seems to be fine dandy grassy field with no monsters around...

[9:16:19 PM] KV: Miles pulls out his bow and nocks an arrow.

[9:16:30 PM] KV: "Dang, I shoul'da looked for somewhere to get some more."

[9:16:39 PM] Lewot: As you walk, the texture of the ground changes... it's covered in fallen leaves. Oddly, there are no trees immediately nearby, and you can see that, before you get nearer to the trees, it actually changes back to grass.

[9:17:14 PM] Lëvîty: Levan looks around.

[9:17:28 PM] Lewot: In the lead and preoccupied looking out for monsters, Miles falls through the leafy ground and into the bottomless pit underneath!

[9:17:45 PM] Lëvîty: Levan jumps backwards.

[9:17:53 PM] KV: "WAUGH, SH-"

[9:17:57 PM] KV: *thump*

[9:18:01 PM] Lewot: Miles' curse is cut off.

[9:18:21 PM] Lewot: Then his body flops back out of the pit. His HP is down to zero.

[9:18:33 PM] KV: *passes out.*

[9:18:40 PM] Lëvîty: "... What?"

[9:18:48 PM] KV: (Well that was harsh.)

[9:19:02 PM] Andrew Cornell: "Confound it," I say, "it seems some of these leaves are covering pits!"

[9:19:27 PM] Lewot: Looking at the strip of leaves, you see that it extends to meet the uncovered bottomless pit to the right

[9:19:41 PM] Lewot: and to the left, it makes a 90 degree turn, meeting the edge of the forest

[9:20:11 PM] Lëvîty: "Uh... okay! No, this isn't okay..."

[9:20:12 PM] Lewot: and you can see that the proper entrance to the forest is inside the leaf-covered stretch.

[9:20:30 PM] Lewot: There's a large gap in the trees, and a sign that you can't read from here.

[9:21:08 PM] Lëvîty: "So uh, we should help Miles out..."

[9:21:09 PM] KV: (I agree, this is not okay.)

[9:21:15 PM] Lewot: <https://sites.google.com/site/hannabartpekopon/home/game-2/player-characters>

[9:21:20 PM] Lewot: Everybody check your items.

[9:21:27 PM] Lewot: In the field, any healing item can revive somebody.

[9:22:24 PM] Lewot: With her Clever of 5, Levan realizes that the leaves didn't fall down when she stepped on them.

[9:22:28 PM] Andrew Cornell: "Here," I say, giving my Dried Shroom in order to revive Miles.

[9:22:43 PM] Lewot: Miles ingests the Dried Shroom and is revived to 1 HP!

[9:22:51 PM] Andrew Cornell: "Feeling better?" I ask

[9:23:00 PM] KV: Miles coughs and opens his eyes.

[9:23:07 PM] KV: "Wh... what happened?"

[9:23:46 PM] KV: (we lost Jared)

[9:23:52 PM] Andrew Cornell: "You, uh, took a nasty fall there," I say.

[9:24:03 PM] Andrew Cornell: "Seems the leaves couldn't support your weight..."

[9:24:04 PM] Lewot: (I'm at 19% battery power anyway)

[9:24:17 PM] Andrew Cornell: (and I'll have to leave in about 15 minutes)

[9:24:31 PM] Lëvîty: Levan kinda continues to float around.

[9:24:55 PM] KV: "Well-" Miles coughed, getting to his feet. "Guess I'll just have to not step on those."

[9:25:01 PM] KV: Miles swayed slightly.

[9:25:39 PM] Andrew Cornell: "I wonder if we can just use Levan's powers to help us out in crossing over these leaves," I suggest.

[9:25:54 PM] Andrew Cornell: (oh hey, leaf pitfalls, it's like a Zelda reference)

[9:26:12 PM] KV: Miles eyes the strip of leaves, trying to get an idea of it's width.

[9:26:16 PM] Lëvîty: Levan tries to lift everyone!

[9:26:19 PM] KV: He thinks he might be able to jump it.

[9:26:56 PM] Lewot: Approaching closer to the edge, Miles realizes that it seems too far for even his jumping abilities.

[9:27:17 PM] KV: (really? even with a Platform of 7? Shit.)

[9:27:38 PM] Lewot: Levan grabs everyone's hands and lifts their Weight stats...

[9:27:55 PM] KV: Miles weakly grabs Levan's hand.

[9:28:32 PM] Lewot: The party drifts across the length of leafy ground, light enough not to fall in.

[9:28:37 PM] Lewot: And we'd better stop there for Jared.

[9:28:49 PM] Andrew Cornell: sounds good

[9:28:52 PM] KV: (Can I at least heal up a bit more?)

[9:28:54 PM] Andrew Cornell: HEY GUYS, PROGRESS!!

[9:28:55 PM] Lewot: Sure.

[9:29:08 PM] KV: Miles checks his bag.

[9:29:36 PM] Lëvítý: wfjlkdaslda

[9:30:10 PM] KV: his items don't seem well suited to healing HP.

[9:31:05 PM] Lewot: Lewot parachutes in from the sky with his towel.

[9:31:15 PM] Lewot: He brandishes a plate of spaghetti.

[9:31:20 PM] KV: Miles seems to be hallucinating.

[9:31:30 PM] Lewot: Lewot "Hey there, I thought this might come in handy."

[9:31:36 PM] KV: Or so he thinks.

[9:31:37 PM] Lewot: "But no more freebies."

[9:31:44 PM] Lewot: He offers Miles the plate.

[9:31:47 PM] KV: He reaches out to take the plate of spaghetti, nodding weakly.

[9:31:50 PM] KV: "Th-thanks."

[9:31:59 PM] Lewot: Miles restores his remaining 19 HP!

[9:32:05 PM] KV: (lol.)

[9:32:08 PM] Lewot: And my battery is at 14%.

[9:32:32 PM] KV: Miles, feeling refreshed and energized, Quicksaves.

[9:32:45 PM] Lewot: I feel so bad for Jared, he hasn't played in a long time and now we mixed up his sleep schedule...

[9:33:00 PM] Lewot: Let's get our time straight next time.

[9:33:49 PM] Lewot: Lewot jumps across the leaf pit with his Platform of 9, and the Quicksave takes effect.

[9:34:01 PM] Andrew Cornell: (showoff :P)
