

[8:52:52 PM] Lewot: <https://sites.google.com/site/hannabartpekopon/home/game-2/player-characters>

[8:53:32 PM] Lewot: Actually, Jay and Levan still need to learn their new attacks

[8:53:39 PM] Lewot: so we'll stop once we get to Travis

[8:53:51 PM] Lewot: let's see...

[8:54:52 PM] Lewot: You had just killed an archer, a pegasus knight, and a wyvern rider who, despite being human, had been compelled to attack by a strange red pulse assumed to have come from a Blood Orb.

[8:55:14 PM] Lewot: Oddly, the pulse had no effect on you guys whatsoever.

[8:55:34 PM] Lewot: The path continues ahead, linear as usual.

[8:55:50 PM] Lewot: Down a ways, it looks like another tree with a face blocks the way.

[8:56:16 PM] KV: Miles continues down the path until he's face-to-face with the tree.

[8:56:27 PM] Jay the Badass Renegade: Jay follows Miles.

[8:56:37 PM] Lewot: Tree "And what do we have here?"

[8:57:05 PM] Lëvîty: (oh, uhh, I'll try to build it in th meantime)

[8:57:13 PM] KV: "Well, uh, I'm Miles. This is Levan, Jay, and Rammen. We're adventurers, we'd like to pass through."

[8:57:31 PM] Lewot: Tree "How blunt of you."

[8:57:39 PM] Lewot: The tree's voice is haughty.

[8:57:47 PM] KV: "Yes, well."

[8:57:54 PM] Lëvîty: "Hi, tree."

[8:57:57 PM] Lewot: Tree "I suppose you want me to do something about it."

[8:58:02 PM] Lëvîty: "I like trees."

[8:58:12 PM] Lewot: It looks at Levan. "Good to know."

[8:58:38 PM] Jay the Badass Renegade: "Trees are okay, I guess." Jay notes.

[8:58:55 PM] KV: "It'd be nice if you could, uh, show us where to go from here."

[8:58:57 PM] KV: "Or something."

[8:59:20 PM] Lewot: Tree "It would, wouldn't it?"

[8:59:31 PM] Andrew Cornell: (moving around, I'll be on in a sec)

[8:59:36 PM] KV: Miles sighs deeply.

[8:59:55 PM] Lewot: Tree "Such a deep sigh. Look, I'm not the Tree of Knowledge. What are you after?"

[9:00:32 PM] KV: "We're investigating the source of some dark energy that's causing nearby monsters to go berserk. The Queen Tumblebee told us it was coming from this forest."

[9:01:00 PM] Lewot: Tree "Feh. Some dark energy. Didn't affect me a bit."

[9:01:20 PM] Lewot: "I suppose it comes from somewhere behind me."

[9:01:29 PM] KV: "More than likely."

[9:01:58 PM] Andrew Cornell: "You wouldn't happen to be familiar with a villainous assassin by the name of Travis Turnip, would you?" I ask the tree with concern.

[9:02:11 PM] KV: Miles facepalms softly.

[9:02:34 PM] Lewot: It rolls its eyes. "I knew it. Everyone's always going on about that guy. Travis this, Turnip that."

[9:02:46 PM] Lëvîty: (I'm sorry but now when I think of bursts of dark energy I think of Giygas)

[9:02:50 PM] Andrew Cornell: "So you DO know of Travis Turnip!"

[9:03:09 PM] Lëvîty: "The scary turnip guy! That one."

[9:03:14 PM] Andrew Cornell: "Where is he?!" I ask the tree.

[9:03:16 PM] Lëvîty: "Is he not so scary to you?"

[9:03:26 PM] Lëvîty: Levan kinda floats around again.

[9:03:39 PM] KV: Miles leans against the floating Levan.

[9:03:42 PM] Lewot: Tree "He's a turnip. What's so scary about that?"

[9:03:51 PM] KV: "THANK you."

[9:04:20 PM] Lewot: Tree "Sure, he chopped down a bunch of trees to built his Turnip Mech. Big deal. All trees are destined for death."

[9:04:21 PM] Andrew Cornell: I give Miles a stern look of disapproval.

[9:04:31 PM] Andrew Cornell: "Wait...Turnip Mech?"

[9:04:46 PM] KV: "Turnip whaa?"

[9:04:52 PM] Lewot: The tree watches Levan bob in the air.

[9:05:01 PM] Lewot: It waits a moment before answering.

[9:05:21 PM] Lewot: Tree "What do you think it is? Big wooden death machine shaped like a turnip."

[9:05:34 PM] Andrew Cornell: "Where is it?!" I ask.

[9:05:37 PM] KV: Miles throws his hands up in the air.

[9:06:06 PM] Lewot: Tree "Why should I tell you?"

[9:06:09 PM] Lëvîty: Levan seems to look downtrodden all of a sudden, or at least sad. "He killed a bunch of trees?"

[9:06:22 PM] Lëvîty: She switches to angry.

[9:06:42 PM] Lëvîty: "I can't stand for that!!"

[9:06:43 PM] KV: "I give up, this is crazy. First this guy's talking to turnips, then they talk back to him with stories of a bigger one, and now apparently he's cutting down trees and making giant robots with them. What the actual HELL have I gotten myself into," Miles mutters to himself, bonking his head against a tree as he does.

[9:07:06 PM] Lewot: The bonked tree does not respond.

[9:07:13 PM] Andrew Cornell: (hehehehehe)

[9:07:59 PM] Lëvîty: Levan suddenly stops. She debates in her mind whether she should ask the tree if it eats kites.

[9:08:14 PM] Lëvîty: "Hey, Miles, are you all right?"

[9:08:45 PM] Andrew Cornell: I stop myself from outright desperately yelling at the tree and reach into my inventory stock. I pull out the brothers Terry and Tommy Turnip.

[9:08:45 PM] KV: Miles turns back to the party.

[9:08:56 PM] Lewot: The tree seems amused by Miles' pain. Nonetheless, its demeanor softens up a bit after Levan's comment about trees.

[9:08:59 PM | Edited 9:09:03 PM] KV: "Yes, I'm fine, just going mad, that's all," he responds, with a straight face.

[9:09:52 PM] Jay the Badass Renegade: Jay stands idle whilst listening to everyone, not really sure what to say.

[9:10:01 PM] Andrew Cornell: "You would like to talk to the tree?" I ask the Turnip Bros. They have a very strong desire to do so. I sigh and set them up to face the tree.

[9:10:12 PM] Lewot: The tree's eyes flick toward Jay, trying not to seem interested.

[9:10:25 PM] Andrew Cornell: "Tree friend, these are Travis' brothers come to look for him, Tommy and Terry Turnip," I introduce.

[9:10:41 PM] Lewot: The tree eyes them suspiciously.

[9:11:07 PM] Lëvîty: Levan floats around a little in the background, still slightly concerned for Miles.

[9:11:24 PM] Lewot: A pair of vines whip out from amongst its leaves and grab the Turnips. The tree turns around, and you can hear it mumbling.

[9:11:41 PM] KV: Miles hugs Levan tightly and spins her around while she floats. "I'm fine, Lev, I promise."

[9:11:44 PM] Lewot: The plants debate for a while.

[9:12:11 PM] Lewot: The tree turns back around as Miles hugs Levan.

[9:12:26 PM] Lewot: It returns the Turnip bros. to Rammen.

[9:12:29 PM] Jay the Badass Renegade: Jay returns the look the tree seemed to give him.

[9:13:06 PM] Lewot: Tree "Alright, so Travis is dangerous. Not really my problem. You guys are persistent, though."

[9:13:43 PM] Lewot: Tree "Well guess what? I'm a tree. I have a lot of patience. I could do this all day."

[9:13:50 PM] Lewot: Tree "...Hmm..."

[9:14:05 PM] KV: "I'm pretty patient myself, guy."

[9:14:07 PM] KV: Miles sits down.

[9:14:16 PM] Lëvîty: "He's a tree murderer."

[9:14:31 PM] Lëvîty: Levan frowns and sits down next to Miles, now also with a straight face.

[9:15:37 PM] Andrew Cornell: I pick up the Turnip Bros. and stow them back into the inventory to converse with them later.

[9:16:24 PM] Jay the Badass Renegade: "It'd probably be your problem if Travis decided you'd be his next target." Jay notes, smart-assed.

[9:16:57 PM] KV: Miles smirks at his companion's comment.

[9:17:14 PM] Lewot: Tree "Let's just say he and I have an understanding."

[9:17:33 PM] Andrew Cornell: "So you are cooperating with him then?"

[9:17:33 PM] Jay the Badass Renegade: "That sounds rather dubious."

[9:17:51 PM] Lewot: Tree "Oh, come on. What, now I'm his minion?"

[9:18:12 PM] Lewot: Tree "I could be a better villain than him if I cared to."

[9:18:38 PM] Jay the Badass Renegade: "You don't give us much to go on, so one would have to make assumptions."

[9:18:59 PM] Lewot: Tree "Peh. Why should I?"

[9:19:52 PM] Jay the Badass Renegade: "You don't appear to enjoy company, and we'll be done with you if you hurried the deal up a bit." Jay seemed to tap his footpaw against the ground a bit.

[9:20:09 PM] Lewot: Tree "Well, you're trying, I suppose."

[9:20:39 PM] Lewot: Tree "Let's see... should I let you through... or shouldn't I..."

[9:20:53 PM] Lewot: Tree "It's really completely up to me, isn't it?"

[9:21:04 PM] KV: Miles stares at the tree quasi-blankly.

[9:21:47 PM] Jay the Badass Renegade: Jay chuckled, "Well, if you want us to hang out here and ask more questions, you wouldn't let us through."

[9:22:01 PM] Lëvîty: Levan yawns and stands up.

[9:22:29 PM] KV: Miles leans back and rolls to his feet.

[9:25:38 PM] Lëvîty: "Maybe the tree won't let us through because it's lonely. I bet we're ts first visitors in a long time!"

[9:25:59 PM] KV: "Can't imagine why," Miles mutters.

[9:26:14 PM] Lewot: Tree "Hardly. All kinds of monster hunters tramping through as of late... Not many of them talk to me, though."

[9:26:47 PM] Lëvítý: "See, we talk to you!"

[9:26:56 PM] Lëvítý: "We like trees. At least, I like trees."

[9:27:37 PM] Lewot: Tree "Yes, your concern seems genuine, as far as I care to analyze."

[9:28:05 PM] KV: "I don't dislike trees. Birds like trees, I like birds, ergo..."

[9:28:25 PM] Jay the Badass Renegade: Jay sighed lightly, falling silent for the time being once more.

[9:28:42 PM] Lewot: Tree "So, what we have is a nice breezy lady, a kid with some patience for once, a hyena who knows what he wants, and a mummy with a connection to that git Travis."

[9:28:59 PM] Lewot: Tree "I've seen worse, that's for sure. But have I seen better?"

[9:29:06 PM] Lewot: Tree "Not recently."

[9:29:41 PM] Lewot: Tree "Oh, fine. You can pass. I'm bored with you."

[9:29:57 PM] Lewot: Tree "...That's what you'd like me to say, isn't it?"

[9:30:13 PM] KV: "Something to that effect, yes."

[9:30:33 PM] Lewot: Tree "Good, you haven't lost your patience."

[9:31:01 PM] Lewot: The tree leans to the left, which seems to pull the tree on its right side over to the right, creating a passage.

[9:31:10 PM] Lewot: Tree "Whatever."

[9:31:15 PM] Lewot: It kinda turns away.

[9:31:24 PM] KV: Miles nods at the tree. "Same to you."

[9:32:04 PM] Andrew Cornell: "One last thing," I say. "You said you hadn't seen anyone better than us. I take it then you haven't run into the legendary Abram and Pidenski, have you?"

[9:32:14 PM] KV: (Miles mutters to himself. "Man talks to turnips. Spent the better part of two days wandering around with him. Trust him with my life at this point. He's talkin' to a tuber with a face.")

[9:32:23 PM | Edited 9:32:41 PM] Andrew Cornell: ( :D )

[9:32:42 PM] Lewot: Tree "You mean those guys who think they're heroes?"

[9:32:46 PM] Lëvítý: Levan kinda wavers around. "Yaaay, I love trees!"

[9:32:58 PM] Lewot: It smirks a little at Levan, then hides it.

[9:33:16 PM] KV: "Well, Abram seems to think he's a hero. I don't think anyone knows what Pidenski thinks. He doesn't talk much."

[9:34:00 PM] KV: (Miles ponders his life.)

[9:34:03 PM] Lewot: As you cross between the two trees, the talking one leans back to close the path and turns around to face you on the other side.

[9:34:36 PM] Lewot: Tree "Whoever they are, they only just showed up. They act like they've been saving that puny town for years..."

[9:34:55 PM] Lewot: It seems suddenly anxious to talk now that you're leaving.

[9:35:12 PM] Andrew Cornell: "Hmmm, that's curious..."

[9:35:15 PM] KV: Miles tilts his head. "Can't have been too recent, there's a statue up and everything in Trelvet."

[9:35:43 PM] Lewot: Tree "Look, a year's nothing to a tree. But they haven't been here a year."

[9:36:11 PM] Lewot: Tree "They're no different than Travis, as far as I'm concerned."

[9:36:22 PM] Lewot: It seems cranky again.

[9:36:43 PM] Andrew Cornell: "That's a bit troubling if Abram and Pidenski are in fact dubious interlopers falsifying heroic deeds," I say to the others.

[9:36:53 PM] Jay the Badass Renegade: Jay's ears perk in interest, "Why do you say that?"

[9:36:59 PM] KV: Miles thinks for a minute.

[9:37:05 PM] Lëvîty: "I don't know, they didn't really seem all that amazing to me."

[9:37:20 PM] Andrew Cornell: "They may be in some serious danger, what with Travis wandering these woods," I point out.

[9:37:23 PM] Lëvîty: "And besides, that's not nice, Rammen... you called them better than us."

[9:37:31 PM] Lëvîty: Levan pouts.

[9:38:08 PM] Andrew Cornell: "I know it's not a nice thing to say, but with this new information in mind, Levan, we have to be wary of them," I tell her, patting her head.

[9:38:12 PM] Lewot: Tree "They all think they're better than everyone... So do I, but I don't go around asking for giant statues of myself. Much less wooden mechs."

[9:38:32 PM] Andrew Cornell: I perk up at this last moment and turn to face the tree.

[9:38:38 PM] KV: "We don't really think we're better than anyone."

[9:38:42 PM] KV: "Hell, I'm just a kid."

[9:38:52 PM] KV: ( [8/13/2012 11:29:17 PM] Lewot: (I can totally make Travis Turnip a boss)

[8/13/2012 11:29:22 PM] Lëvîty: (Arora, you're reminding me a lot of Mist from Rune Factory)

[8/13/2012 11:29:24 PM] Andrew Cornell: (DO IT)

[8/13/2012 11:29:28 PM] KV: (GOD YES)

[8/13/2012 11:29:33 PM] Andrew Cornell: (THIS IS THE BEST THING EVER)

[8/13/2012 11:29:42 PM] KV: (WHAT HAS SCIENCE DONE) )

[9:38:58 PM] KV: (the birth of a boss)

[9:39:11 PM] Andrew Cornell: "Are you saying Abram and Pidenski might be in cahoots with Travis?" I ask curiously.

[9:39:18 PM] Jay the Badass Renegade: "Ah, so they just leave a bad taste in your mouth because of their egocentrism."

[9:39:40 PM] Jay the Badass Renegade: "I was wondering if you figured any ill intents by the Pegasus Knights, though."

[9:41:02 PM] Lewot: Tree "Don't get me started on things that fly. Look, don't worry about it. Go beat up Travis, and then those other people in the back of the woods. You'll get your answers. You guys can do it."

[9:41:36 PM] KV: "Hmm..."

[9:41:39 PM] KV: Miles seems to snap out of it.

[9:41:44 PM] Andrew Cornell: "Much obliged," I say, reaching up and patting the tree on its bark without the face.

[9:41:46 PM] KV: "Well, thanks for the vote of confidence."

[9:42:10 PM] Lewot: Tree "I've seen a few adventuring parties in my day. You guys have the spark."

[9:42:11 PM] Andrew Cornell: I use my empathic power to see how the tree feels.

[9:42:14 PM] Lewot: It turns around.

[9:43:07 PM] Lewot: Rammen senses that it feels pretty much like it sounds; it's grown fond of you, but it wants to maintain a rugged front.

[9:43:23 PM] KV: "...do you have a name?"

[9:43:33 PM] Lewot: Tree "Names are for fools."

[9:43:39 PM] Andrew Cornell: I smile a little, although that might be hard to tell underneath the bandages.

[9:43:53 PM] Lewot: Tree "When you have a name, somebody else can own it..."

[9:43:59 PM] KV: "I haven't talked to many trees, I just wanted to know how to refer to you in the future."

[9:44:18 PM] KV: "Can't just say 'Hey, remember that tree we talked to one time?' Who's gonna know what I'm talking about?"

[9:44:37 PM] Lewot: Tree "And why not?" It gives up and turns back around toward you, smirking.

[9:45:06 PM] Lëvîty: Levan eyes the tree. She looks like she's been stung a little bit.

[9:45:18 PM] Lëvîty: "Uhh..."

[9:45:22 PM] KV: "Take Levvy here. She LOVES trees."

[9:45:37 PM] KV: "I can't be sure of it, but I think she's learned the name of most of the trees she's encountered."

[9:45:53 PM] Lëvîty: "Oooh..."

[9:46:12 PM] Lewot: Rammen had also sensed that what I was going for was to give the tree a high Charisma stat and have you guys pool yours against it, but that I haven't done Charisma before so I wasn't sure how to go about it.

[9:46:15 PM] Lëvîty: "Well, if we dub the tree a name or learn its name we can't just really give it to anyone..."

[9:46:49 PM] KV: (well, I think all of us talking to it and convincing it in turn that we needed to pass sorta did the job.)

[9:46:54 PM] Lëvîty: "And... if the tree is afraid of being owned, I can't really fight that argument really..."

[9:47:44 PM] Andrew Cornell: "A tree as remarkably wise and knowing as you hardly needs a name," I say. "You may be smarter than the Tree of Knowledge, for all the information you have given us."

[9:48:01 PM] Lewot: Anyway, with all that in mind, and hungry for answers, that party continues.

[9:48:07 PM] Lewot: The path makes a... right turn

[9:48:30 PM] Lewot: you enter a clearing

[9:48:32 PM] Andrew Cornell: (Wise Tree, I'm going with that)

[9:48:51 PM] Jay the Badass Renegade: (I'm going for Tree III)

[9:48:53 PM] Lewot: in the middle of the clearing is a row of glass trees like the one that Miles turned into powder

[9:49:03 PM] KV: "More glass trees."

[9:49:09 PM] Lewot: behind the row of glass trees, Travis Turnip is sitting there on the ground!

[9:49:10 PM] KV: He clicks his tongue.

[9:49:18 PM] KV: "Some forest we've wandered into- hey..."

[9:49:31 PM] Lëvîty: "Oh..."

[9:49:34 PM | Edited 9:49:41 PM] Andrew Cornell: "Steady guys," I say. "The Turnip Bros. are shaking, I think they realize it's Travis!"

[9:49:39 PM] Lewot: In front of the trees is one of those roots. The weight-sensetive kind.

[9:49:46 PM] Jay the Badass Renegade: Points at Travis, "There's our guy, yes?"

[9:49:58 PM] Andrew Cornell: "Undoubtedly," I answer.

[9:50:14 PM] Lewot: Travis is just sitting there, like a normal immobile tuber.

[9:50:17 PM] Lewot: But he has that smirk.

[9:50:20 PM] Lewot: And that hair.

[9:50:26 PM] Lewot: And those glasses.

[9:50:46 PM] KV: Miles approaches the row of glass trees and stands on the root.

[9:50:58 PM] Andrew Cornell: "Be careful Miles!" I caution.

[9:51:03 PM] Lewot: The root sinks down a ways, but nothing happens.

[9:51:16 PM] KV: Miles keeps his eye on Travis

[9:51:28 PM] Andrew Cornell: I slowly approach Miles' side and stand on the root.

[9:51:40 PM] Andrew Cornell: I keep an eye on Travis the entire time.

[9:52:37 PM] \*\*\* KV has changed the conversation topic to ""When you see your bro in hell, tell him he's STILL a DOUCHE!"" \*\*\*

[9:52:42 PM] Lëvítý: (sensitive ?)

[9:52:51 PM] Lewot: The root sinks down all the way. As it clicks, the middle glass tree gets pulled partway down into the ground by its roots, creating a gap up above it; simultaneously, an earthy trapdoor opens underneath Travis, and he falls down. You think you might see him wink.

[9:53:01 PM] KV: "Seriously? Again?"

[9:53:02 PM] Lewot: Also, yes, I couldn't remember which spelling was right =P

[9:53:22 PM] Andrew Cornell: "Curses, he's escaped again!" I say.

[9:53:32 PM] Lewot: The trapdoor remains open as you stand on the root.

[9:54:03 PM] Jay the Badass Renegade: "Hm.. How frustrating."

[9:54:34 PM] Andrew Cornell: "We must move forth with haste!" I say, walking off the root.

[9:54:59 PM] Lewot: As Rammen steps off the root, the trapdoor closes and the middle glass tree rises back up to meet the canopy ceiling.

[9:55:26 PM] Andrew Cornell: I halt as the tree rises up, surprised that it came back up.

[9:55:42 PM] Andrew Cornell: "Seems we have to get rid of this first," I say, returning back to the tree root.

[9:56:11 PM] Lewot: The glass tree sinks again and the trapdoor opens again.

[9:56:48 PM] KV: "Well, I mean, only two of us have to be on this root."

[9:57:05 PM] KV: "Maybe the other two could check down the trapdoor, or...?"

[9:57:14 PM | Edited by KV, 10:03:54 PM] Andrew Cornell: "For one tree to go down," I say to Miles.

[9:57:43 PM] Andrew Cornell: "Different trees may go down depending on the weight, and if we can get all of them down, perhaps they'll all stay down."

[9:58:26 PM] Lewot: Jay and Levan? We just have to get past this bit.

[9:58:35 PM] Lëvítý: "Hi."

[9:58:46 PM] Jay the Badass Renegade: Jay steps atop the left tree's root.

[9:58:58 PM] Lewot: There is actually only one root.

[9:59:26 PM] Lewot: Jay steps onto it, but it doesn't sink down anymore. It seems it was already as far down as it will go.

[9:59:45 PM] Andrew Cornell: "...huh. Strange."

[9:59:52 PM] Andrew Cornell: I step off the tree root again to see what happens.

[10:00:04 PM] Lewot: It remains down, with Jay's and Miles' weight on it.

[10:00:19 PM] KV: [9:57 PM] Andrew Cornell:

<<< "For one tree to go down," I say to KV.(wat)

[10:00:27 PM] Andrew Cornell: I crossover through the path and check the other side for something.

[10:00:53 PM] Andrew Cornell: (there's multiple crystal trees, based on the idea that the middle one is what goes down)

[10:01:11 PM] KV: (not what I was "wat"ing)

[10:01:25 PM] Andrew Cornell: (oh, the other part?)

[10:01:32 PM] Andrew Cornell: (HI KV WHAT'S UP)

[10:01:42 PM] Lewot: I guess my descriptions aren't very good. Yes, there are multiple trees; no, there are not multiple roots; the middle tree has sunk down, but not all the way to the floor. However, Rammen's Platform stat of 5 allows him to jump over the sunken middle tree.

[10:01:50 PM] Lewot: On the other side, he sees the trapdoor

[10:01:51 PM | Edited 10:02:00 PM] KV: (FOURTH WALL, I DON'T SEE A FOURTH WALL)

[10:02:01 PM] Andrew Cornell: (OF COURSE NOT, IT'S A FOURTH WALL)

[10:02:02 PM] Lewot: and, now that he's over there, he sees another root over in the back corner.

[10:02:12 PM] Lewot: The clearing dead-ends otherwise.

[10:02:44 PM] Andrew Cornell: "Hmmm..." I hop onto the tree root.

[10:03:04 PM] Lewot: As Rammen steps on the second root, it makes a cracking noise, and the middle tree shatters into more sparkly powder.

[10:03:32 PM] Andrew Cornell: "...well then, I think that'll do it," I say.

[10:03:44 PM] KV: Miles steps off the root and joins Rammen on the other side.

[10:03:53 PM] Lewot: It twinkles like the snow that is currently remaining at my college. So like... really old snow that hasn't melted because it's really cold, but it's gotten rather icy.

[10:04:03 PM] Jay the Badass Renegade: "That's appeared to have done it, then." Jay steps on over to the other side.

[10:04:27 PM] Lewot: A light breeze blows Levan through along with Miles and Jay.

[10:04:50 PM] Andrew Cornell: "And now for this trapdoor," I say, looking down at about where I saw Travis slink away.

[10:05:02 PM] Lewot: Rammen steps off the root, and the trapdoor remains open.

[10:05:08 PM] Lewot: He looks down into it.

[10:05:17 PM] Lewot: It's dark down there, and it looks like a long fall.

[10:05:19 PM] KV: Miles crouches down next to the open trapdoor.

[10:05:29 PM] Lewot: But you think you can see a small tree of some kind at the bottom.

[10:05:35 PM] Lewot: Maybe two.

[10:05:45 PM] Lewot: You can't see Travis from here.

[10:05:54 PM] Andrew Cornell: "There appears to be no other route around," I say to the others. "We may want Levan to make us light enough so that we're not severely injured from the fall."

[10:06:27 PM] Jay the Badass Renegade: Jay shrugs, "Guess that'll work."

[10:06:35 PM] Andrew Cornell: "It's a long ways down, and I wouldn't want us to be even more injured than we already are."

[10:06:52 PM] Andrew Cornell: "Levan, if you please."

[10:07:05 PM] KV: "If we're lucky there'll be some kind of help for us down there before we find Travis again."

[10:07:12 PM] Lewot: I should also have pointed out when we started that Jay is still currently

Fire Jay.

[10:07:32 PM] Andrew Cornell: (oh god, he's been walking around the forest on fire this entire time D: )

[10:07:41 PM] Lëvîty: (wow I really tired)

[10:07:47 PM] Jay the Badass Renegade: (Whoops)

[10:07:52 PM] Lëvîty: (sorry)

[10:07:54 PM] Lewot: I imagine it as more like the costume changes like Fire Mario than actually on fire

[10:07:56 PM] Lëvîty: (almost fela sleep)

[10:08:03 PM] Lewot: also, we're almost done for now, Levivu <3

[10:08:08 PM] Andrew Cornell: (lol, I'm teasing Lewot)

[10:08:26 PM] KV: (I don't think Wisdom Tree would've taken very kindly to a fiery hyena)

[10:08:28 PM] Lëvîty: (lewot can you help me work on my new attacj after thus)

[10:08:28 PM] Andrew Cornell: (\*zoom out to half the forest being burned down\*)

[10:08:34 PM] Lewot: (yes <3 )

[10:08:55 PM] Lëvîty: So okay so is Levan supposed to make everyone lighter now

[10:09:06 PM] Lewot: That's what the others have speculated.

[10:09:06 PM] Andrew Cornell: (it was a suggestion, yes)

[10:09:20 PM] Lewot: You're looking down a pit into which Travis fell.

[10:09:26 PM] KV: (would that work for a Long Fall, though? I thought that was related to Platform, not Weight.)

[10:09:43 PM] Lewot: That is true, but you don't really know what will happen down there.

[10:09:57 PM] Andrew Cornell: (I know we get damaged somehow...)

[10:10:05 PM] Lewot: This is \*pause for effect\* TRAVIS TURNIP!!!

[10:10:23 PM] Andrew Cornell: (I believe you mean this is)

[10:10:24 PM] Lëvîty: Well Levan does what she is supposed to do.

[10:10:27 PM] Lëvîty: Levan does the thing.

[10:10:29 PM] Andrew Cornell: (\*pause for effect\*)

[10:10:36 PM] Andrew Cornell: (TRAVIS TURNIP!!!)

[10:10:42 PM] Andrew Cornell: (Dun dun DUNNNNNNNNN!!!!!!)

[10:10:55 PM] Lewot: Everyone holds hands and Levan LIFTS them.

[10:11:03 PM] Lewot: I'll assume you all jump into the pit.

[10:11:16 PM] KV: Miles hopes for the best. Pits haven't agreed with him much in this forest.

[10:11:27 PM] Lewot: Levan's lift allows them to feed off what small upward air currents there might be and slow their descent a bit

[10:11:44 PM] Lewot: however, as Miles predicted, they soon reach terminal velocity

[10:11:45 PM] Andrew Cornell: (lol, poor Miles)

[10:11:47 PM] Lewot: BUT

[10:12:07 PM] Lewot: they land on one of those bouncy trees like the one at the bottom of Raphael Raven's giant tree in Paper Mario.

[10:12:12 PM] Lewot: They bounce off and land unharmed.

[10:12:27 PM] KV: Miles releases a breath he didn't realize he'd been holding.

[10:12:27 PM] Andrew Cornell: "Well, I think that went over very well," I say.

[10:12:32 PM] KV: "I've decided I like trees."

[10:12:55 PM] Lewot: The bouncy tree wiggles ever so slightly, and you wonder if it's connected

by the roots to the other tree.

[10:13:05 PM] Lewot: I had called it the Charismatic Tree in my notes.

[10:13:21 PM] Jay the Badass Renegade: "Oh. Whew."

[10:13:46 PM] Lewot: Anyway, in the direction that would have been considered forward based on the entrance to the above clearing (though you're kinda turned around by the fall), the path continues, and you see a Heal Block and a Save Block floating there.

[10:14:04 PM] Lewot: A ways beyond that, it looks like the path opens into another clearing.

[10:14:29 PM] Lewot: It's a bit hard to see from here, but it looks like a giant wooden turnip is growing out of the ground in the clearing.

[10:14:32 PM] KV: Miles dashes forward without a second thought, jumping into the air to punch the Heal Block as he does so

[10:14:45 PM] Lewot: Miles hits the Heal Block!

[10:14:57 PM] Lewot: His HP, VP, and MP are fully restored.

[10:15:04 PM] Lewot: I don't think he had any Status Problems.

[10:15:12 PM] KV: (don't think so)

[10:15:34 PM] Andrew Cornell: "It appears that that over there is the Turnip Mech," I say, walking over to the Heal Block and punching it myself.

[10:15:56 PM] Lewot: Rammen is fully healed as well.

[10:16:12 PM] KV: Miles stands under the Save Block, waiting for Jay and Rammen to heal up.

[10:17:02 PM] KV: He thinks he spots a couple Golbat fluttering about near the trapdoor they fell through.

[10:17:06 PM] Lëvîty: Levan does the healy thing.

[10:17:06 PM] Jay the Badass Renegade: Jay follows suit with the Heal Block.

[10:17:14 PM] KV: (Golbat drinking game, take a shot.)

[10:17:21 PM] Lewot: To clarify, you can only see the top of the Turnip Mech sticking out of the ground, like a turnip growing.

[10:17:33 PM] Lewot: Also, you hear Golbat's cry echo through the forest.

[10:17:40 PM] Lewot: Levan heals, followed by Jay.

[10:17:55 PM] KV: "Well, shall we call it here, then? Regroup before we take on Travis?"

[10:18:13 PM] Lëvîty: "Tree murderer..."

[10:18:21 PM] Lewot: (I should make it so the Turnip Mech can summon Golbats...)

[10:18:37 PM] Lewot: (Nah =P)

[10:18:52 PM] KV: (It'll probably be a tough enough fight without it.)

[10:19:03 PM] KV: "Easy, Lev, you'll get your chance to get revenge for the trees."

[10:19:06 PM] Jay the Badass Renegade: Jay stretches out, "Yeah, sounds good."

[10:19:35 PM] Lewot: What I was gonna do if you had tried any kind of flying or floating or jumping to get across that pit where you had to throw the apple, is I was gonna have three Golbats swoop out of the canopy and push you back to the other side.

[10:19:41 PM] Andrew Cornell: "We must be prepared for the fight ahead," I say. "It may be our toughest fight yet."

[10:20:21 PM] Andrew Cornell: (I imagine Rammen saying it in a grave and very serious manner, which makes it kinda funny actually X3)

[10:20:34 PM] KV: "...Okay, Rammen?"

[10:20:38 PM] KV: "Remember,"

[10:20:44 PM] KV: "It's... a... TURNIP."

[10:20:54 PM] Lewot: This is true.

[10:21:38 PM] Lëvîty: "But it murdered trees..."

[10:21:51 PM] Lëvîty: "That's dangerous. We're smaller and softer than trees."

[10:22:01 PM] KV: "We also fight back harder."

[10:22:06 PM] Andrew Cornell: "Miles, Travis Turnip is not just some turnip that you pull out of the ground with a face," I explain to Miles. "He is an assassin, and as such he is trained to know over one hundred different ways to strangle your scrawny neck, let alone kill you. He may appear to be some innocent turnip like his brothers, but he is NOT to be trifled with."

[10:22:21 PM] KV: Miles is unimpressed.

[10:22:29 PM] KV: "Rrrriiiight..."

[10:22:36 PM] KV: "I'm just gonna..."

[10:22:41 PM] KV: Miles hits the Save Block.

[10:22:49 PM] Andrew Cornell: I shake my head. "You'll learn soon enough," I say.

[10:22:53 PM] Lewot: Saving... don't turn off the world.

[10:23:28 PM] Lewot: Again, I'll say Save Complete now so that it's in the session log, and then afterward I'll actually copy and paste.

[10:23:48 PM] KV: Also, Lev, it's the 19th <3
