

[8:33:22 PM] (ノ ◦□◦) ノ へ ー Andrew Cornell: TREET

[8:33:25 PM] (ノ ◦□◦) ノ へ ー Andrew Cornell: there we go

[8:33:27 PM] Via the Color Thief ʘ(´▽`)>: ARORA NO

[8:33:29 PM] Oaa Yaak: You might.

[8:33:34 PM] Oaa Yaak: Well anyway

[8:33:37 PM] K.V. Eightlex: ARORA WHAT THE HELL

[8:33:46 PM] (ノ ◦□◦) ノ へ ー Andrew Cornell: HEY IT WAS HARD ENOUGH COMING UP WITH THAT ONE

[8:33:51 PM] (ノ ◦□◦) ノ へ ー Andrew Cornell: HOW MANY PUNS DO YOU KNOW ON BONSAI

[8:33:53 PM] Oaa Yaak: as pun-ishment, we'll start the game.

[8:34:08 PM] (ノ ◦□◦) ノ へ ー Andrew Cornell: noooooo don't do that that would be terrrrrrrible

[8:34:11 PM] Oaa Yaak: Grr-hrr-hrr-hem.

[8:34:20 PM] (ノ ◦□◦) ノ へ ー Andrew Cornell: (ノ ◦□◦) ノ へ ー Andrew Cornell sits down with popcorn

[8:34:52 PM] Oaa Yaak: When we last left our semiheroical individuals, they had followed Sir Abram and Pidenski to the second floor of In Halen's Castle.

[8:35:03 PM] Oaa Yaak: This castle has been full of wind tunnels

[8:35:11 PM] Oaa Yaak: the most recent one has just been disabled.

[8:35:23 PM] Oaa Yaak: You're in a somewhat large, central room.

[8:35:39 PM] Oaa Yaak: If you loop around back the way you came and loop some more, you'll find another wind tunnel

[8:36:35 PM] Oaa Yaak: one of you had previously guessed that this one, or at least the one down lower which I'm now telling you is the same one, would just take you back up to the roof where you had gone some time earlier, in other words it's an emergency exit for the whole castle.

[8:36:54 PM] Oaa Yaak: So, while just a theory, you probably don't need to go that way.

[8:37:03 PM] K.V. Eightlex: (In case we find ourselves unprepared at any point)

[8:37:08 PM] K.V. Eightlex: (ingenious)

[8:37:09 PM] Oaa Yaak: In one corner of your roomoid, there is a skeleton of one of Jay's species.

[8:37:39 PM] Oaa Yaak: Some of you may have been standing on a switch, but it doesn't matter anymore, because stepping off doesn't turn the other wind fan back on.

[8:37:57 PM] Oaa Yaak: On the wall that seems as though it should have a door leading farther...

[8:38:03 PM] Oaa Yaak: There appears to be no door.

[8:38:09 PM] Oaa Yaak: Abram begins looking around.

[8:38:23 PM] Oaa Yaak: Pidenski kinda looks distractedly at an empty corner.

[8:38:46 PM] Oaa Yaak: Your character sheets may or may not be updated <https://sites.google.com/site/hannabartpekopon/home/game-2/player-characters>

[8:39:12 PM] K.V. Eightlex: (I'm operating under the assumption that they are)

[8:39:27 PM] K.V. Eightlex: (judging mainly by the obscene amount of gold we're all carrying)

[8:39:34 PM] Oaa Yaak: You can try the thing that is probably an escape route, you can inspect the hyena skeleton, you can inspect the rest of the room, or you can talk to Abram or Pidenski.

[8:39:43 PM] Oaa Yaak: You had found a secret treasure room, I think.

[8:39:49 PM] Oaa Yaak: It had gold and some other goodies.

[8:39:49 PM] Via the Color Thief `(`▽ ` )>: Hi I'm gay

[8:39:55 PM] Oaa Yaak: Via is gay

[8:39:58 PM] Oaa Yaak: is Levan gay?

[8:40:15 PM] Incorrigible Princess Jay IV V©: I finished bathrooming.

[8:40:17 PM] K.V. Eightlex: (Levan has not been alive for very long, has she had time to figure out if she's gay?)

[8:40:19 PM] Oaa Yaak: Are Abram and Pidenski perhaps life partners?

[8:40:27 PM] (∩ °□°) ∩ ㄥ ┌──┐ Andrew Cornell: (Levan is totally gay guys, come on)

[8:40:27 PM] K.V. Eightlex: (I always assumed so)

[8:40:35 PM] Incorrigible Princess Jay IV V©: I wish I could rewrite Jay so badly now lol.

[8:40:42 PM] K.V. Eightlex: (that Abram and Pidenski were life partners, I mean)

[8:40:47 PM] Incorrigible Princess Jay IV V©: I did kinda poorly in his backstory.

[8:40:57 PM] K.V. Eightlex: (RETCON THAT SHIT)

[8:41:03 PM] Oaa Yaak: Well, Jay has the lava sword, which is the burned version of his father's sword

[8:41:06 PM] (∩ °□°) ∩ ㄥ ┌──┐ Andrew Cornell: (TIME TO RET THAT CON)

[8:41:14 PM] Oaa Yaak: but, yeah, hey, you could battle a Retcon Monster that alters history

[8:41:24 PM] Oaa Yaak: not right now but I could write one up

[8:41:42 PM] (∩ °□°) ∩ ㄥ ┌──┐ Andrew Cornell: ("is there a version of history where my dad doesn't die?" "Yeahhhhhhh no")

[8:42:07 PM] K.V. Eightlex: ("What about the infinite dimension theory?" "Dead in all of them.")

[8:42:22 PM] Oaa Yaak: Miles is... somewhat recovered from panic

[8:42:29 PM] Oaa Yaak: Levan can turn people into raccoons

[8:42:29 PM] (∩ °□°) ∩ ㄥ ┌──┐ Andrew Cornell: I start to PK Vim Up a bunch until I heal myself fully

[8:42:34 PM] Oaa Yaak: Okay

[8:42:39 PM] Incorrigible Princess Jay IV V©: Honestly I just used Jay for this RPG because he was my default character for any roleplay.

[8:42:54 PM] Incorrigible Princess Jay IV V©: I do have characters better-suited for it now, of course. Lol.

[8:43:15 PM] Oaa Yaak: You could switch characters after this bit if you want.

[8:43:29 PM] Oaa Yaak: Either start out at Level 0 or just choose your level ups to Jay's level

[8:43:32 PM] Oaa Yaak: or something

[8:43:32 PM] K.V. Eightlex: like we've reached the conclusion of Jay's story?

[8:43:44 PM] Oaa Yaak: although there was stuff planned related to Jay

[8:43:49 PM] Oaa Yaak: but it's not too fleshed out

[8:43:50 PM] K.V. Eightlex: Interesting way to re-up Support, too

[8:44:01 PM] Oaa Yaak: Rammen converts all 40 VP into HP.

[8:44:02 PM] K.V. Eightlex: hey, you can always bring Jay back as a Partner

[8:44:16 PM] Oaa Yaak: With his mind.

[8:45:04 PM] (∩ °□°) ∩ ㄥ ┌──┐ Andrew Cornell: "Ahhhh, refreshing AND exhausting!" I say

with my hand to my head.

[8:45:18 PM] Oaa Yaak: Abram is going along the wall, tapping it at different points.

[8:45:34 PM] K.V. Eightlex: Miles' heart is still pounding; he hasn't quite gotten his resolve back yet.

[8:45:40 PM] (ノ◻◻) ヽ へ ー Andrew Cornell: (does either my Jammin Jelly or Hyper Potion restore VP?)

[8:45:51 PM] Oaa Yaak: Jelly

[8:45:58 PM] Oaa Yaak: 50 I think

[8:45:59 PM] (ノ◻◻) ヽ へ ー Andrew Cornell: I snack on the Jelly

[8:45:59 PM] Incorrigible Princess Jay IV V©: Jay could die after the boss fight or something.

[8:46:03 PM] Incorrigible Princess Jay IV V©: Which would be terrible

[8:46:14 PM] Via the Color Thief ヰ(´▽`)ゞ: (well in Levan's original backstory she doesn't actually have a sex but identifies as female)

[8:46:15 PM] K.V. Eightlex: Hyper Potion heals MP, right?

[8:46:16 PM] Oaa Yaak: You all may possibly die against this boss >:3

[8:46:25 PM] Oaa Yaak: Yeah, Potions are MP.

[8:46:38 PM] Incorrigible Princess Jay IV V©: I'm not certain how much I'd want Jay to just die and be replaced though.

[8:46:39 PM] Oaa Yaak: Rammen eats the Jammin' Jelly and heals 50 VP! (Capped off to 40.)

[8:46:50 PM] Via the Color Thief ヰ(´▽`)ゞ: What should Levan do?

[8:46:57 PM] (ノ◻◻) ヽ へ ー Andrew Cornell: "Now THAT'S more like it!" I say, fully recovered.

[8:46:57 PM] Oaa Yaak: Levan should be adorable.

[8:47:04 PM] K.V. Eightlex: Miles checks his Inventory.

[8:47:07 PM] Oaa Yaak: Is anyone still a raccoon?

[8:47:11 PM] (ノ◻◻) ヽ へ ー Andrew Cornell: (she should also be adorable :3)

[8:47:18 PM] K.V. Eightlex: "Hey Rammen, I'll trade you my Jelly Sandwich for that Hyper Potion."

[8:47:22 PM] Oaa Yaak: We're all getting our bearings after a sort of time shift thing.

[8:47:32 PM] Incorrigible Princess Jay IV V©: I think another thing, since I didn't really flesh out Jay's personality so much as I have now, he's kind of a boring character.

[8:47:40 PM] (ノ◻◻) ヽ へ ー Andrew Cornell: "Done and done, sir!" I say, handing over the Hyper Potion.

[8:48:10 PM] Oaa Yaak: I guess I saw Jay as kind of the Stoic.

[8:48:24 PM] K.V. Eightlex: Miles hands off the Jelly Sandwich to Rammen. He'll get more use out of the Hyper Potion anyway.

[8:48:36 PM] Oaa Yaak: Items be traded

[8:48:40 PM] (ノ◻◻) ヽ へ ー Andrew Cornell: I pocket the Jelly Sandwich for later

[8:48:40 PM] Incorrigible Princess Jay IV V©: That's kind of what I went for. Wait, are we RPGing right now?

[8:48:44 PM] K.V. Eightlex: Jay is really the Hero, Miles is the Lancer, Levan is The Chick, and Rammen is the Smart Guy.

[8:48:54 PM] (ノ◻◻) ヽ へ ー Andrew Cornell: (I am so smart :3)

[8:49:14 PM] K.V. Eightlex: (I always preferred Lancers anyway)

[8:49:43 PM] (◡ ◡◡) ◡ ◡ ┌──┐ Andrew Cornell: (although I could be the Crazy One Who Talks to Turnips)

[8:49:53 PM] Oaa Yaak: I can't figure out how the characters of my video game fit into those roles, since they're all really weird...

[8:50:01 PM] \*\*\* (◡ ◡◡) ◡ ◡ ┌──┐ Andrew Cornell has changed the conversation picture. \*\*\*

[8:50:27 PM] Oaa Yaak: Abram clinks back over to Pidenski and mutters to him.

[8:51:12 PM] Oaa Yaak: After a moment, Pidenski takes off and starts kind of looking along the ceiling.

[8:52:24 PM] Oaa Yaak: It appears nobody is still a raccoon, but somebody had the Winged Sandals. Did Miles get those back?

[8:52:45 PM] Oaa Yaak: Looks like he did.

[8:52:58 PM] Oaa Yaak: Anybody gonna do anything else?

[8:53:06 PM] K.V. Eightlex: Miles slowly approaches the hyena skeleton.

[8:53:14 PM] Via the Color Thief ◡(◡◡ ◡)◡: Sorry I am here

[8:53:15 PM] Oaa Yaak: It seems quite not alive.

[8:53:19 PM] Via the Color Thief ◡(◡◡ ◡)◡: What shouldLevan do

[8:53:37 PM] Incorrigible Princess Jay IV V©: (Oh, so we are RPGing. I didn't know.)

[8:53:42 PM] (◡ ◡◡) ◡ ◡ ┌──┐ Andrew Cornell: I look around the room, taking in the surroundings once again and keeping an eye out for anything suspicious

[8:53:51 PM] Via the Color Thief ◡(◡◡ ◡)◡: Is LEvan really just The Chick, though?

[8:54:03 PM] Oaa Yaak: Levan is The Adorable

[8:54:10 PM] Via the Color Thief ◡(◡◡ ◡)◡: Wouldn't she be a cloud cuckoolander though

[8:54:12 PM] K.V. Eightlex: Well, Levan and Jay also kinda take turns being The Big Guy

[8:54:17 PM] Via the Color Thief ◡(◡◡ ◡)◡: lol

[8:54:18 PM] Oaa Yaak: Rammen looks around...

[8:54:24 PM] K.V. Eightlex: no character is JUST what they are in a Five-Man Band

[8:54:46 PM] K.V. Eightlex: Levan is almost the Trope Codifier for Cloudcuckoolander

[8:54:53 PM] Oaa Yaak: There may not be a door in that far wall, but it definitely FEELS like you're supposed to get through there, somehow.

[8:54:53 PM] K.V. Eightlex: Rammen has shades of it too

[8:55:06 PM] K.V. Eightlex: Miles is consistently the Straight Man and a Deadpan Snarker

[8:55:29 PM] K.V. Eightlex: Miles backs away from the skeleton, feeling a bit panicky again.

[8:55:32 PM] Oaa Yaak: I am the Unreliable Narrator.

[8:55:39 PM] K.V. Eightlex: He heads for the far wall and looks it up and down.

[8:55:53 PM] (◡ ◡◡) ◡ ◡ ┌──┐ Andrew Cornell: I investigate the wall...with my MIIIIIND~

[8:55:56 PM] K.V. Eightlex: (Lewot is the Unreliable Narrator with a Creator Cameo)

[8:56:09 PM] K.V. Eightlex: (TVTROPES: THE GAME)

[8:56:55 PM] Oaa Yaak: We'll call it Miles' high Hand-Eye stat that allows him to notice a set of door-shaped edges in the wall. At the same time, Rammen reads it for psychic signals, and gets something faint...

[8:57:22 PM] Oaa Yaak: In his head, Rammen hears a voice whisper, "Contestants? Well then, I

guess it's showtime..."

[8:57:40 PM] Oaa Yaak: There is a slight rumbling sound, and dust falls from part of the wall.

[8:57:48 PM] (ノ ◦□◦) ヽ へ ー—— Andrew Cornell: "Eh?" I ponder this strange tidbit of...whatever that was.

[8:57:55 PM] Oaa Yaak: The door-shaped piece of wall falls out.

[8:58:05 PM] Oaa Yaak: It sprouts arms, legs, a face, and a bowtie.

[8:58:17 PM] (ノ ◦□◦) ヽ へ ー—— Andrew Cornell: "Whoa!" I back away from the mutating wall of DEATH!!

[8:58:18 PM] Oaa Yaak: Whomp "HEEEEEEEEEEEEEELLO!"

[8:58:52 PM] Oaa Yaak: Whomp "And welcome to... THE FIRST-EVER PREMIER TRIVIA QUIZ-OFF!"

[8:59:12 PM] Oaa Yaak: In front of where each of you stand, parts of the stone floor rise up to form pedestals.

[8:59:19 PM] Oaa Yaak: This includes Abram and Pidenski.

[8:59:27 PM] K.V. Eightlex: Miles stumbles backwards again."Jesus-!"

[8:59:41 PM] K.V. Eightlex: "What the hell is wrong with you?!" He shouts at the Whomp.

[8:59:55 PM] (ノ ◦□◦) ヽ へ ー—— Andrew Cornell: "What in the world is going on?" I say aloud, looking about the pedestals.

[9:00:34 PM] Via the Color Thief √(√ ` ` )>: "Oh dear."

[9:00:40 PM] Oaa Yaak: Rammen finds that part of the pedestal is a stone that can be pressed down to make a buzzing noise.

[9:00:48 PM] Oaa Yaak: The buzz cuts off Whomp

[9:00:54 PM] Oaa Yaak: 's declaration of his name a bit.

[9:01:13 PM] K.V. Eightlex: (I'm listening to my instrumental metal station on Pandora and let me tell you there could not BE more unfitting music for a game show)

[9:01:29 PM] Oaa Yaak: Whomp "Yes, since this is the longest we've gone between sessions... it's the perfect time for a largely memory-based quiz show!"

[9:01:42 PM] Via the Color Thief √(√ ` ` )>: "What kind of trivia, though? I dunno if I'm very good at trivia..."

[9:01:51 PM] Oaa Yaak: Whomp "And don't tell me about the fourth wall. I'm PART of the fourth wall, guys."

[9:01:57 PM] Via the Color Thief √(√ ` ` )>: "I haven't been here very long, you know."

[9:02:14 PM] Incorrigible Princess Jay IV V©: "I like trivia."

[9:02:27 PM] K.V. Eightlex: Miles takes a few deep breaths. With his Knowledge of 5, he figures he stands a reasonable chance.

[9:02:30 PM] Oaa Yaak: Pidenski "..."

[9:03:25 PM] Oaa Yaak: Whomp "Here's the deal, guys. I ask questions, you answer. You answer correctly, you get points. How many points? That's up to me! What do points do? Well..."

[9:03:37 PM] Oaa Yaak: Another one of those tremors goes off from upstairs.

[9:04:21 PM] Oaa Yaak: Whomp "If you get enough points, I'll let you go see the master, In Halen. I should warn you that this is hardly a prize. He'll eat your brains out. And just after you proved how brainy you were, too."

[9:04:44 PM] K.V. Eightlex: Miles "Oh, excellent."

[9:04:46 PM] (ノ ◦□◦) ノ へ ー—— Andrew Cornell: "That's...unfortunate."

[9:04:47 PM] Oaa Yaak: Whomp "But those Blood Orbs? Yeah. He has one."

[9:04:52 PM] K.V. Eightlex: Miles "Just what I needed."

[9:05:14 PM] Oaa Yaak: Whomp "If somebody doesn't do something about those things, well..."

[9:05:24 PM] Oaa Yaak: Whomp "Hey, I've said too much! Let's get started!"

[9:05:40 PM] Oaa Yaak: Another tremor occurs, and a piece of the ceiling falls off next to Pidenski.

[9:05:51 PM] Oaa Yaak: Ceiling Chunk "I wanna play!"

[9:06:03 PM] Oaa Yaak: Whomp "Ugh... Go away, Thwimp."

[9:06:27 PM] Oaa Yaak: Abram holds out his lance toward Whomp.

[9:06:31 PM] Oaa Yaak: Abram "Excuse me..."

[9:06:39 PM] K.V. Eightlex: Miles "Awww, look at the little guy.."

[9:06:50 PM] K.V. Eightlex: Miles "How can you say no to that face?"

[9:07:00 PM] K.V. Eightlex: Miles beckons to the small piece of ceiling.

[9:07:08 PM] K.V. Eightlex: Miles "C'mon, you can be on my team."

[9:07:20 PM] Oaa Yaak: Abram "But my compatriot, Pidenski, is what you might refer to as a mute. I believe a quiz of this nature is beyond his capacity."

[9:07:41 PM] Oaa Yaak: Whomp "Fine, fine. Thwimp, you stand in for what's-his-horse."

[9:07:49 PM] Oaa Yaak: Thwimp "Wheeeee!"

[9:08:48 PM] K.V. Eightlex: Miles "Aw, hell yeah, points!"

[9:09:03 PM] Oaa Yaak: Whomp "Thwimp, you get 9."

[9:09:08 PM] K.V. Eightlex: Miles "Wait, does that mean we can potentially lose points?"

[9:09:18 PM] Oaa Yaak: Thwimp "Nein!"

[11:11:35 PM] (◡ ◯◻◯) ◡ ◡ ┌──┐ Andrew Cornell: "...oh."

[11:11:39 PM] K.V. Eightlex: Miles "Shit."

[11:11:54 PM] (◡ ◯◻◯) ◡ ◡ ┌──┐ Andrew Cornell: Maybe now is a good time to read the Whomp's mind

[11:11:55 PM] Oaa Yaak: Whomp "Climb on my back, and I'll take you up to the boss."

[11:12:03 PM] Oaa Yaak: The Whomp does a face-plant.

[11:12:10 PM] (◡ ◯◻◯) ◡ ◡ ┌──┐ Andrew Cornell: "..."

[11:12:12 PM] Oaa Yaak: He lies face-down on the ground.

[11:12:24 PM] (◡ ◯◻◯) ◡ ◡ ┌──┐ Andrew Cornell: I get on Whomp's back

[11:12:50 PM] (◡ ◯◻◯) ◡ ◡ ┌──┐ Andrew Cornell: and motion quickly for the others to get on

[11:13:00 PM] (◡ ◯◻◯) ◡ ◡ ┌──┐ Andrew Cornell: and for Levan to make us all lighter

[11:13:03 PM] K.V. Eightlex: Miles steps onto the Whomp's back, pulling the floating Levan on with him.

[11:13:38 PM] Oaa Yaak: ...Wow, that is the first time you guys solved a puzzle before I even had time to type any hints.

[11:13:45 PM] (◡ ◯◻◯) ◡ ◡ ┌──┐ Andrew Cornell: (pssssh)

[11:13:56 PM] Oaa Yaak: Levan, do you wish to make everyone lighter?

[11:14:11 PM] Oaa Yaak: Whomp "Very funny guys, I can feel you back there. Now, just the kid get on."

[11:14:49 PM] (◡ ◯◻◯) ◡ ◡ ┌──┐ Andrew Cornell: "Ahhhh, you got us," I say, walking off the Whomp and waiting for Levan to make us lighter before I grab Jay and immediately get back on once I'm aware I'm lighter

[11:14:56 PM] ( ͡° ͡°) ͡ ͡ ͡ Andrew Cornell: (because TIMING)

[11:15:13 PM] Via the Color Thief ͡( ͡▽ ͡ ` )>: Leván makes everyone lighter.

[11:15:20 PM] ( ͡° ͡°) ͡ ͡ ͡ Andrew Cornell: and now I bring Jay onboard

[11:15:33 PM] Oaa Yaak: Rammen whips out a bandage and pulls Jay in...

[11:15:37 PM] K.V. Eightlex: Miles steps back on

[11:15:37 PM] Oaa Yaak: Abram and Pidenski follow.

[11:15:54 PM] Oaa Yaak: Leván uses her ability to lighten everyone's spirits.

[11:16:04 PM] Oaa Yaak: Levantamos!

[11:16:14 PM] Oaa Yaak: Whomp "Hmm... feels like one person... you read kid?"

[11:16:27 PM] K.V. Eightlex: Miles "Ready as I'll ever be, I guess."

[11:16:33 PM] K.V. Eightlex: He winks to his companions.

[11:16:36 PM] ( ͡° ͡°) ͡ ͡ ͡ Andrew Cornell: I wink back

[11:16:43 PM] Oaa Yaak: The Whomp tips backwards, returning to his slot in the wall.

[11:16:47 PM] Oaa Yaak: Everything's dark and cramped.

[11:16:55 PM] Oaa Yaak: Something happens, you're not sure what.

[11:17:04 PM] Oaa Yaak: Then you fall out of a hole in another wall.

[11:17:07 PM] ( ͡° ͡°) ͡ ͡ ͡ Andrew Cornell: "...huh. So that's where we were going to go," I murmur to myself.

[11:17:09 PM] Oaa Yaak: You're not sure where Whomp went.

[11:17:22 PM] Oaa Yaak: This next room is smaller, and contains only a staircase.

[11:17:37 PM] Oaa Yaak: Abram "Hmm... good show."

[11:17:47 PM] ( ͡° ͡°) ͡ ͡ ͡ Andrew Cornell: I lash at the nearby Save Block

[11:17:56 PM] Oaa Yaak: It is actually upstairs/

[11:17:59 PM] Oaa Yaak: .

[11:18:00 PM] Oaa Yaak: -/

[11:18:08 PM] ( ͡° ͡°) ͡ ͡ ͡ Andrew Cornell: (fair enough)

[11:18:18 PM] ( ͡° ͡°) ͡ ͡ ͡ Andrew Cornell: I stand up and dust myself off.

[11:18:31 PM] ( ͡° ͡°) ͡ ͡ ͡ Andrew Cornell: "Well then, let's go meet the king!" I say to the others and head up the stairs.

[11:18:51 PM] K.V. Eightlex: Miles brushes the last bits of sand out of his gloves, and follows Rammen.

[11:19:11 PM] Oaa Yaak: Y'all head up the stairs.

[11:19:26 PM] Princess Jay: Jay nods and follows eagerly.

[11:19:29 PM] Oaa Yaak: In the upper room, there is a Heal Block and a Save Block.

[11:19:39 PM] K.V. Eightlex: Miles punches the Heal Block.

[11:19:43 PM] Oaa Yaak: In one corner, there is that wind tunnel that presumably is an escape hatch.

[11:19:52 PM] Princess Jay: Jay also punches the Heal Block.

[11:20:06 PM] ( ͡° ͡°) ͡ ͡ ͡ Andrew Cornell: I lash out at the Save Block

[11:20:31 PM] Oaa Yaak: I'll assume everyone heals, and Rammen saves...

[11:20:40 PM] Oaa Yaak: I guess we're done for tonight?

[11:21:21 PM] Oaa Yaak: There was supposed to be another button puzzle in the next room, but I may just skip it unless we want to try it now.

[11:21:28 PM] Via the Color Thief ʘ(´▽`)>: Sorry guys I kind of had an anxiety attack

[11:21:35 PM] (´◻◻) ʘ ㇇ ───┬ Andrew Cornell: (>:)

[11:21:53 PM] Via the Color Thief ʘ(´▽`)>: no

[11:21:53 PM] Oaa Yaak: It was sort of a test thing

[11:22:02 PM] Via the Color Thief ʘ(´▽`)>: it's not because of the quiz I am pissed off at someone

[11:22:11 PM] Via the Color Thief ʘ(´▽`)>: no not really at someone

[11:22:14 PM] Via the Color Thief ʘ(´▽`)>: I'm just pissed off
