

hegel5000 says:

I do not know  
where Bizz is.  
She might be having computer problems.

Grate Oracle Lewot says:

*It's only just starting to be time.*

hegel5000 says:

Oh, right, trufax.  
Also, Lewot, U has 15 OP left.  
There is about to be a fight against Scientist's Tazerbot which will  
be very intense and difficult!

Grate Oracle Lewot says:

*+Evasion?*

BLOOD OF CHRIST ON THE SKIN says:

Intense and difficult?!  
(Should we give Bizz a few minutes?)

hegel5000 says:

Oh, yeah.  
It's only 1 minute past time . . .  
So yeah, let's wait like fifteen minutes  
(That way I can prepare stuff other than the fight )  
U's current evasion is 6  
so  $7+8=15$   
Oh, wow, you can do +2 to Evasion right now . . .

Grate Oracle Lewot says:

*Well*  
*hmm*  
*I only have 2 lightning pathogens, right?*

hegel5000 says:

Yeah.  
You could do STR+1  
Although, actually, the robot kinda has high Defense  
Um . . .

Grate Oracle Lewot says:

*+2 Evasion*  
*Then I can LifeUp people*  
*or something.*

hegel5000 says:

Oh, right, yeah.

BLOOD OF CHRIST ON THE SKIN says:

<http://img291.imageshack.us/img291/115/everybodyhatesdante.png>

Grate Oracle Lewot says:

*Well*  
*that would be pretty great if you didn't like it.*

hegel5000 says:

BLOOD OF CHRIST ON THE SKIN says:

hegel5000 says:

Oh, Lewot, you're SO MALICIOUS

BLOOD OF CHRIST ON THE SKIN says:

i think  
transformice should be enemies  
and a shaman could be the boss

Grate Oracle Lewot says:

*Hmm*

*yes*

*that would be entertaining.*

*They should like*

*like*

*okay*

*a Transformouse should have a stat representing the random internet person playing*

*Transformoce*

*ice*

*so the stat like*

*can make them behave all crazily at low numbers*

*and really intelligently at high numbers.*

BLOOD OF CHRIST ON THE SKIN says:

!!

hmm yes

Grate Oracle Lewot says:

*Or else they lose brainpower in large groups.*

BLOOD OF CHRIST ON THE SKIN says:

the shaman could liek

conjure anvils over yer head

Grate Oracle Lewot says:

*Yes*

BLOOD OF CHRIST ON THE SKIN says:

and push people with the ball things

though i donno

offscreen damage wouldn't work, would it?

Eugene went off screen for 21 HP damage!

hegel5000 says:

BALLS?

well, oh, I know

there could be a place

where you fight while on a floating platform

and enemies will try to knock you off!

BLOOD OF CHRIST ON THE SKIN says:

has hegel played transformice, yet?

hegel5000 says:

No.

what

is transformice?

BLOOD OF CHRIST ON THE SKIN says:

<http://www.transformice.com/en/index.html>

hegel5000 says:

"The connection has timed out"

BLOOD OF CHRIST ON THE SKIN says:

;-;

hegel5000 says:

Oh, nevermind, there we go.

BLOOD OF CHRIST ON THE SKIN says:

hegel what room are you in?

Grate Oracle Lewot says:

*Hmm*

BLOOD OF CHRIST ON THE SKIN says:  
(it says on the right of the top bar)

hegel5000 says:  
I still can't get it to quite load right

BLOOD OF CHRIST ON THE SKIN says:

;~;

disregard and initiate roleplay?

Grate Oracle Lewot says:

*I guess it's been 15 minutes :/*

BLOOD OF CHRIST ON THE SKIN says:

Yeah

hegel5000 says:

Gimme just a second.

Erm . . . actually.

You know, this boss was written with Bizz in mind

Fortunately, though, Scientist's Tazerbot uses primarily non-lethal attacks.

So . . . erm . . .

Grate Oracle Lewot says:

*Hmm.*

hegel5000 says:

Scientist was killed  
in the bathroom.

His body was mostly vaporized by Eugene's 0.8066mm pulse rifle

BLOOD OF CHRIST ON THE SKIN says:

hegel5000 says:

so Espera decided to take a dump

and at that point U got better from being sick from his sandwich

so he finally followed Espera and Eugene into Scientist's lair in the  
subway mechanical rooms.

You're on the second floor

both of you

the kitchen room

and you're looking down into the dining room where the Stickmen  
continue to mutilate the dead government myrmidon

Grate Oracle Lewot says:

*Well, I guess the second floor is probably not high enough to do the Marvin thing.*

hegel5000 says:

Marvin?

Grate Oracle Lewot says:

*Trick him into shooting the floor under him.*

hegel5000 says:

Oh, ah, yeah.

BLOOD OF CHRIST ON THE SKIN says:

hegel5000 says:

And it's all thick metal.

But yeah, you hear scientist's voice, yeah, and he's like

"Did you really expect me to put all of my eggs in one basket?"

And then he comes into view at the bottom of the metal stairs, with  
the stickmen at the dining table behind him

and he says "Eugene, I will have you."

Erm, and he's a robot

yeah.  
It's a big robot  
but still not that bigger than a person.  
It has two little mechanical legs  
and a torso that's kinda shaped like a Bullet Bill, with the curved  
part facing you  
and one arm houses a harpoon launcher  
while the other has some kind of gatling gun  
except that it's barrels are so small and are spinning so fast that  
you can't see what's in them.  
Also, there's a horizontal stripe along the middle of the bullet bill  
part  
that's an unusually dark black.  
The rest of the robot is shiny and chrome  
except for the gatling gun part which is giving off sparks.  
Scientist's voice is heard from the robot. He says "I don't want to  
hurt you, but if that's what it takes, that's what it takes."  
You hear a really big crap from Espera.  
Someone is calling on the phone in the kitchen area on the second  
floor.  
But this is combat time, so like, picking up will take up your turn.  
Player phase 1:

BLOOD OF CHRIST ON THE SKIN says:

**PICK UP**

hegel5000 says:

It's Punk Kid "It's Jimmy here, I'm gonna blow up that wall right here  
and no\*"

That was three seconds of talking.  
What does U do?

Grate Oracle Lewot says:

*I guess target the black stripe with lightning pathogen.  
If possible.  
It's probably just decorative  
but.*

hegel5000 says:

Your direct hit misses by 4

Grate Oracle Lewot says:

*Luck.*

hegel5000 says:

But he is caught in the explosion.  
Both the direct hit and the explosion do not make it past the robot's  
armor.

3 damage total.

Erm, the robot fires a tazer harpoon at Eugene!

BLOOD OF CHRIST ON THE SKIN says:

;-;

hegel5000 says:

And it misses.

Player phase 2:

Erm, wait, no, I guess this is other phase 2

Punk Kid " . . . right now. You have to hold out before Scientist's  
Tazerbot KOs you guys."

Erm, okay, yeah, now it's player's turn.

Lemme pee.

Grate Oracle Lewot says:

*I don't want to waste my last pathogen  
but my regular attack is probably useless.  
I guess I'll target the gatling gun. With regular blob shot.*

hegel5000 says:

You hit easily.

The gattling gun spins down for a second, and then starts to spin up again.

1 damage.

It's not spinning fast enough to fire, though.

Grate Oracle Lewot says:

*Cool.*

hegel5000 says:

Eugene?

BLOOD OF CHRIST ON THE SKIN says:

I will uhh

Shoot the gattling gun

With plasma

3 bullets.

hegel5000 says:

Okay . . .

You hit with all three.

BLOOD OF CHRIST ON THE SKIN says:

Grate Oracle Lewot says:

*BK*

*if you blow it up I have nothing to do*

*I was gonna keep holding it off.*

hegel5000 says:

1, 2, 11

BLOOD OF CHRIST ON THE SKIN says:

o

What's his other thing?

Grate Oracle Lewot says:

*Well*

BLOOD OF CHRIST ON THE SKIN says:

I'll focus on that next turn.

hegel5000 says:

There's the harpoon cannon.

And then there's the black stripe

which is another weapon

BLOOD OF CHRIST ON THE SKIN says:

I will BLOW UP THE HARPOON CANNON

a

stripe?

Grate Oracle Lewot says:

*I attacked it*

*ineffectively.*

hegel5000 says:

except that it's so heavily embedded that the black stripe in the middle of robot's bullet bill torso can't be destroyed seperately.

Erm, okay, enemy phase 2:

Scientist's tazerbot fires a wide-angled beam from the black stripe.

Well, it turns white for a second while the invisible beam is fired.

You can only see where the wide, sheet-like beam was fired by looking at the scorched horizontal line on the wall.

Grate Oracle Lewot says:

*Are we dead?*

hegel5000 says:

**U easily ducks under it.**

BLOOD OF CHRIST ON THE SKIN says:

Grate Oracle Lewot says:

hegel5000 says:

**Eugene is caught by surprise and is hit by 2**

BLOOD OF CHRIST ON THE SKIN says:

**short**

**uhh**

Grate Oracle Lewot says:

*Short and*

BLOOD OF CHRIST ON THE SKIN says:

**how much damage will it do?**

hegel5000 says:

**For 14 damage.**

Grate Oracle Lewot says:

*possessing pancake powers.*

hegel5000 says:

**Luck?**

BLOOD OF CHRIST ON THE SKIN says:

**yeah**

hegel5000 says:

**Punk kid hangs up.**

**You hear stuff going on behind the wall behind the human cages.**

**Player phase 3:**

BLOOD OF CHRIST ON THE SKIN says:

**3 plasma shots @ harpoon gun**

Grate Oracle Lewot says:

*I guess just blob shot at gatling gun again.*

hegel5000 says:

**Blob shot hits for 1 damage.**

~°Δ°[[Bizz] ta ha ha~! is already in this conversation.

hegel5000 says:

**Bizz**

**Erm, it spins down . . .**

~°Δ°[[Bizz] ta ha ha~! has been added to the conversation.

Grate Oracle Lewot says:

*<3*

hegel5000 says:

**Oh, there we go.**

**Bizz, we are fighting Scientist's robot  
which has tazer weapons**

Grate Oracle Lewot says:

*Save us, Espera!*

hegel5000 says:

and a beam gun.

BLOOD OF CHRIST ON THE SKIN says:

<3333

Grate Oracle Lewot says:

*Well, save Eugene.*

hegel5000 says:

Espera is on the toilet.

She has just gotten back.

This is player phase 3. U's attacks are not powerful enough to penetrate the armor.

~°Δ°[[Bizz] ta ha ha~! says:

oh god guys

I slept in

A lot

hegel5000 says:

\*glomp\*

~°Δ°[[Bizz] ta ha ha~! says:

I'm so sorry ;~;

hegel5000 says:

Don't worry. Espera had to poop.

BLOOD OF CHRIST ON THE SKIN says:

(3 plasma shots harpoon gun)

Grate Oracle Lewot says:

*We're only three turns in.*

hegel5000 says:

All three of Eugene's energy shots hit the tazer harpoon gun.

~°Δ°[[Bizz] ta ha ha~! says:

"Hi guys"

Grate Oracle Lewot says:

"k"

hegel5000 says:

1, 1, 2

Grate Oracle Lewot says:

*Bizz, I think the idea*

*is for you to break the armor*

*somehow.*

BLOOD OF CHRIST ON THE SKIN says:

~°Δ°[[Bizz] ta ha ha~! says:

Hmm

hegel5000 says:

(the main body takes half damage, though. That's just the damage to the guns.)

~°Δ°[[Bizz] ta ha ha~! says:

Would chainsaw work?

hegel5000 says:

Hell yeah!

It wouldn't break the armor.

It would get through it, though.

~°Δ°[[Bizz] ta ha ha~! says:

Okay

Grate Oracle Lewot says:

*I'm holding off the gatling gun with 1-damaging regular attacks  
and BK is shooting the harpoon gun  
with varying results.*

hegel5000 says:

You barely hit the robot's body for  
16 damage.

~°Δ°[[Bizz] ta ha ha~! says:

woo

hegel5000 says:

And that was a below-mean roll.

Erm, this fight is happening at the top of the stairs from the dining  
room to the kitchen.

Other phase 3:

across the room, from behind the cages, there's an explosion.

All the humans in the cages are probably dead.

There's a lot of smoke and dust

but Punk Kid said over the phone that that was the train platform you  
were trying to get back to, back there.

Erm, wait, no, enemy phase 3.

Or is it 4?

Oh, I dunno.

The point is, the robot:

The robot fires another attack with its harpoon gun at Eugene!

(It's still working.)

(The harpoon gun.)

Grate Oracle Lewot says:

*See, Bizz, attacking the gatling gun prevents it from firing.*

BLOOD OF CHRIST ON THE SKIN says:

Grate Oracle Lewot says:

*That's what I'm doing.*

hegel5000 says:

He hits by 11

You do not have enough Luck.

The harpoon is embedded in Eugene for

21 damage

BLOOD OF CHRIST ON THE SKIN says:

;-----;

do i fucking die again?

Grate Oracle Lewot says:

*Seems like it*

hegel5000 says:

Eugene: Hits: -1/20, Stun: -1/20, PSI: 6/8, Luck: 10/12

U: Hits: 23/30, Stun: 30/30, PP: 11/16, Luck: 7/11

Espera: Hits: 25/25, Stun: 25/25, PSI: 10/16, Luck: 10/10

BLOOD OF CHRIST ON THE SKIN says:

hegel5000 says:

player phase 4 I think?

Grate Oracle Lewot says:

*LifeUp Eugene*

*Bizz, you can actually do damage*

~°Δ°[[Bizz] ta ha ha~! says:

oh I was going to do that  
uh  
attack the gatling gun?

hegel5000 says:

Oh, also, there is a wire  
going between the harpoon in Eugene and the robot.

BLOOD OF CHRIST ON THE SKIN says:

it will be able to hit if bizz doesn't hit it, yes?

hegel5000 says:

Erm, you lose a turn from dieing.

BLOOD OF CHRIST ON THE SKIN says:

can i cut the wire  
and take the harpoon

hegel5000 says:

So if U heals you, only Espera can cut it.

BLOOD OF CHRIST ON THE SKIN says:

and use it as a weapon?

Grate Oracle Lewot says:

*dying*

BLOOD OF CHRIST ON THE SKIN says:

(when I'm not dead)

hegel5000 says:

dying, thank you.  
You can take it, but it won't be electrified.  
And it's just a melee weapon.  
Or a thrown weapon with ballistics . . .  
U heals 21 HP.  
Exactly enough to fully restore Eugene

Grate Oracle Lewot says:

BLOOD OF CHRIST ON THE SKIN says:

hegel5000 says:

So, Bizz, do you attack the wire or the robot?  
Eugene: Hits: 20/20, Stun: 20/20, PSI: 6/8, Luck: 10/12  
U: Hits: 23/30, Stun: 30/30, PP: 8/16, Luck: 7/11

~°Δ°[[Bizz] ta ha ha~! says:

uh  
the wire

hegel5000 says:

Erm, which weapon?  
Rapier?  
Eh, it doesn't matter.  
You hit for 21 damage, slicing it.  
That causes 5 damage to the robot, losing that wire.  
Although it appears to be reloading with another harpoon.

BLOOD OF CHRIST ON THE SKIN says:

Grate Oracle Lewot says:

*Hmm.*

hegel5000 says:

Other phase 4:

~°Δ°[[Bizz] ta ha ha~! says:

Sorry Hegel

hegel5000 says:

or a tleas,t I think 4

Grate Oracle Lewot says:

4.2

~°Δ°[[Bizz] ta ha ha~! says:

about not specifying

I keep forgetting, haha

hegel5000 says:

(It rounds down)

()

Erm, Punk Kid and an unnamed Strawberry Seperatist fighter wearing a strawberry read sweater rush into the room.

The'll be able to attack on the next phase.

~°Δ°[[Bizz] ta ha ha~! says:

red\*?

hegel5000 says:

Yeah

Tazerbot tries PSILifeUp Beta!

~°Δ°[[Bizz] ta ha ha~! says:

...

Grate Oracle Lewot says:

...

BLOOD OF CHRIST ON THE SKIN says:

hegel5000 says:

And heals 49HP

BLOOD OF CHRIST ON THE SKIN says:

Grate Oracle Lewot says:

*We need Narrator and his rage*

hegel5000 says:

It's HP is maxed out.

BLOOD OF CHRIST ON THE SKIN says:

what

WHAT

hegel5000 says:

Well, actually, we have a way to combat it but I WON'T SAY WHAT IT IS

BLOOD OF CHRIST ON THE SKIN says:

dammit hegel how do you select attacks?

hegel5000 says:

Um . . . I think up stuff

that somehow you guys will be able to counter.

(Well, the part about the gatling gun spinning down and up I only just thought of.)

Grate Oracle Lewot says:

*Well*

*I will keep attacking the gatling gun*

BLOOD OF CHRIST ON THE SKIN says:

Thank God for it ;~;

Grate Oracle Lewot says:

*because I cannot actually damage the thing*

hegel5000 says:

(And that the guns could be destroyed. That too.)

BLOOD OF CHRIST ON THE SKIN says:  
So is it our turn?

hegel5000 says:  
Erm, yeah.  
Player phase 5?

BLOOD OF CHRIST ON THE SKIN says:  
Beam Harpoon launcher

hegel5000 says:  
(I should actually remember the number of phases so I don't accidentally  
make the enemy attack twice )  
u's blob misses the machinegun by 1

BLOOD OF CHRIST ON THE SKIN says:  
oh sh

hegel5000 says:  
Erm, and Beam does . . .

Grate Oracle Lewot says:  
Luck.

hegel5000 says:  
Okay.

~°Δ°[[Bizz] ta ha ha~! says:  
uh

hegel5000 says:  
6 remaining for U  
Beam does . . .

~°Δ°[[Bizz] ta ha ha~! says:  
attack harpoon launcher? unless it dies before I can

BLOOD OF CHRIST ON THE SKIN says:  
I hope it dies ;~;

hegel5000 says:  
25 damage to the launcher, 12 to the main body.  
The launcher is destroyed.

BLOOD OF CHRIST ON THE SKIN says:  
: DDDDDD  
Eugene bounces with joy

hegel5000 says:  
Eugene is at 2 PSI left.

~°Δ°[[Bizz] ta ha ha~! says:  
oh

hegel5000 says:  
Erm, which weapon do you use, Espera?

~°Δ°[[Bizz] ta ha ha~! says:  
Chainsaw

hegel5000 says:  
Easily you hit it . . .

~°Δ°[[Bizz] ta ha ha~! says:  
woooo

hegel5000 says:  
Pushing down through the reinforced metal and forcefield armor with  
all your might for . . .

BLOOD OF CHRIST ON THE SKIN says:  
wait what is she hitting now?

hegel5000 says:  
Erm, the main body, I guess?

19 damage.

~°Δ°[[Bizz] ta ha ha~! says:

Yeah

omg

19

NINETEEN

WOOO

Grate Oracle Lewot says:

*Heh.*

BLOOD OF CHRIST ON THE SKIN says:

~°Δ°[[Bizz] ta ha ha~! says:

hee hee lewot

understand this

hegel5000 says:

(Okay, other phase 5)

Punk kid tries PSI Shield on himself

And then the strawberry soldier tries . . .

He fires his 0.42mm revolver!

Grate Oracle Lewot says:

*Hmm.*

hegel5000 says:

He is not a good shot, and he misses.

Enemy phase 5

BLOOD OF CHRIST ON THE SKIN says:

hegel5000 says:

Scientist's Tazerbot tried PSI Freeze Beta!

Grate Oracle Lewot says:

*Oh*

~°Δ°[[Bizz] ta ha ha~! says:

Mmm I'm hungry but we like don't have anyth

Grate Oracle Lewot says:

*Freeze*

~°Δ°[[Bizz] ta ha ha~! says:

aaaaaaaaa

Grate Oracle Lewot says:

*Hmm*

~°Δ°[[Bizz] ta ha ha~! says:

I think I have more freeze resistance than anything else though

hegel5000 says:

Erm, on U

~°Δ°[[Bizz] ta ha ha~! says:

oh noo

U nooo

hegel5000 says:

He does not like getting his machinegun blobbed up!

BLOOD OF CHRIST ON THE SKIN says:

oh no

hegel5000 says:

24 damage

~°Δ°[[Bizz] ta ha ha~! says:

D:

BLOOD OF CHRIST ON THE SKIN says:

D:

hegel5000 says:

U's Hits are below 1  
but he still has Stun.

U: Hits: -1/30, Stun: 6/30, PP: 8/16, Luck: 6/11

Player Phase 6.

Someone should heal U before he does anything

~°Δ°[[Bizz] ta ha ha~! says:

does that mean he can lifeup himself or should I do it?

hegel5000 says:

because his stats are at 1/2 (rounding down)

BLOOD OF CHRIST ON THE SKIN says:

Can Espera do it?

I was gonna

Magnet something

~°Δ°[[Bizz] ta ha ha~! says:

Yeah

BLOOD OF CHRIST ON THE SKIN says:

So I could Beam again

~°Δ°[[Bizz] ta ha ha~! says:

I'll do it

BLOOD OF CHRIST ON THE SKIN says:

(Also I think Life Up is 3 so I'll have to Magnet first anyway)

hegel5000 says:

An unlucky roll. You heal 10HP

BLOOD OF CHRIST ON THE SKIN says:

Magnet main body?

hegel5000 says:

U: Hits: 9/30, Stun: 16/30, PP: 8/16, Luck: 6/11

Espera: Hits: 25/25, Stun: 25/25, PSI: 7/16, Luck: 10/10

Erm, Magnet . . .

You get a lucky roll

BLOOD OF CHRIST ON THE SKIN says:

hegel5000 says:

and suck 11PP

BLOOD OF CHRIST ON THE SKIN says:

fuck yes!

hegel5000 says:

Or PSI or whatever.

Eugene: Hits: 20/20, Stun: 20/20, PSI: 8/8, Luck: 10/12

BLOOD OF CHRIST ON THE SKIN says:

PP

hegel5000 says:

And U's turn?

Grate Oracle Lewot says:

Well

same thing

BLOOD OF CHRIST ON THE SKIN says:

Now I can liek beam TWICE

hegel5000 says:

Hit for 1 damage. The gun spins down.

Other phase 6:

Strawberry soldier misses

~°Δ°[[Bizz] ta ha ha~! says:

Starwberry

hegel5000 says:

Hahah.

~°Δ°[[Bizz] ta ha ha~! says:

That is so cute

hegel5000 says:

I love my spelling.

Punk Kid does an all-out baseball bat attack!

Hit for 3 damage to the main body

Grate Oracle Lewot says:

Hmm

BLOOD OF CHRIST ON THE SKIN says:

hegel5000 says:

Enemy Phase 2.

Erm, 6

BLOOD OF CHRIST ON THE SKIN says:

Phase 2

hegel5000 says:

Scientist's Tazerbot fires a Life Terminating Beam from the dark stripe in the middle of its body.

Grate Oracle Lewot says:

*Hegel you remembered Freeze is good against me, right?*

hegel5000 says:

Yeah.

BLOOD OF CHRIST ON THE SKIN says:

Life

Terminating?

hegel5000 says:

And Scientist is a Scientist so he knows.

Erm, yeah.

A beam attack

that hits everyone.

Like in Mother 3 :3

Grate Oracle Lewot says:

Hmm.

BLOOD OF CHRIST ON THE SKIN says:

:3

I mean

Grate Oracle Lewot says:

*Wait this is what he did before too?*

hegel5000 says:

Yeah, yeah.

Everyone ducks in time

except for the strawberry soldier

and Espera

BLOOD OF CHRIST ON THE SKIN says:

D:

hegel5000 says:

Espera is hit by 1

~°Δ°[[Bizz] ta ha ha~! says:

what

uh

BLOOD OF CHRIST ON THE SKIN says:

USE LUCK

USE LUCK

~°Δ°[[Bizz] ta ha ha~! says:

1 luck

Grate Oracle Lewot says:

*Or 2 Luck?*

*Erm*

*I dunno.*

hegel5000 says:

the strawberry soldier is hit for 13 damage

Espera: Hits: 25/25, Stun: 25/25, PSI: 7/16, Luck: 9/10

Erm, Player Phase 7

BLOOD OF CHRIST ON THE SKIN says:

Beam main body.

~°Δ°[[Bizz] ta ha ha~! says:

Attack main body with chainsaw

BLOOD OF CHRIST ON THE SKIN says:

FUCK UP MAIN BODY

hegel5000 says:

22 damage

BLOOD OF CHRIST ON THE SKIN says:

Grate Oracle Lewot says:

*Hold off gatling gun*

BLOOD OF CHRIST ON THE SKIN says:

suu kawaii

hegel5000 says:

The robot is now somewhat electrified!

BLOOD OF CHRIST ON THE SKIN says:

((hegel))

((is there a source of water anywhere in the room?))

hegel5000 says:

Espera hits . . . for 16 damage

Grate Oracle Lewot says:

*If I'd had my water pathogens*

*there would be*

BLOOD OF CHRIST ON THE SKIN says:

hegel5000 says:

Finally, she breaks through with her chainsaw slowly slicing the scientist's Tazerbot in two. She also takes 1 point of electrical damage.

BLOOD OF CHRIST ON THE SKIN says:

Grate Oracle Lewot says:

*Is he dead?*

~°Δ°[[Bizz] ta ha ha~! says:

D:

hegel5000 says:

(She had a lucky roll )

~°Δ°[[Bizz] ta ha ha~! says:

hegel5000 says:

Eugene: Hits: 20/20, Stun: 20/20, PSI: 0/8, Luck: 10/12

U: Hits: 9/30, Stun: 20/30, PP: 8/16, Luck: 6/11

Espera: Hits: 24/25, Stun: 25/25, PSI: 7/16, Luck: 9/10

BLOOD OF CHRIST ON THE SKIN says:

wait what

i refilled PP

and used one beam

hegel5000 says:

And then used Beam twice.

BLOOD OF CHRIST ON THE SKIN says:

i should have 4

no

hegel5000 says:

Oh, wait, only once

OH!

BLOOD OF CHRIST ON THE SKIN says:

i used beam once

then magnet

then beam again

hegel5000 says:

Eugene: Hits: 20/20, Stun: 20/20, PSI: 4/8, Luck: 10/12

Thank you.

BLOOD OF CHRIST ON THE SKIN says:

Did we

Kill it?

hegel5000 says:

Yeah.

Well, a bunch of servos continue to whizz on the inside

it tries to move its legs

Scientist's voice can be heard over an intercom:

"Eugene, you fiesty girl, you. Those two, as I'm sure you're guessing, aren't my only bodies. We'll meet again. There's a swinger party next Saturday at 7:00pm at the Hotel Real's reception room. I'll come as a woman then. You'll like it."

And then the voice stops.

(Real is Spanish for royal, by the way, or something.)

BLOOD OF CHRIST ON THE SKIN says:

hegel5000 says:

(Ronouched ray-a1)  
\*pronounced

BLOOD OF CHRIST ON THE SKIN says:

Don't even let me talk to that scientist  
Motherfucker be lyin', and makin' me PISSED

Grate Oracle Lewot says:

*So  
out of curiosity  
can U inspect the gatling gun and see what it would have fired had I not stopped it every  
time?*

hegel5000 says:

Also, erm, you can recover four lv.6 Thunder pathogens from the  
robot's batteries.  
Erm, but yeah, the gatling gun.

Grate Oracle Lewot says:

*Woo germs.*

hegel5000 says:

It's no longer spinning now that the robot's stopped . . .  
It's full  
of little darts  
full of tazers.

Grate Oracle Lewot says:

*Ah.*

hegel5000 says:

They're not attached to the robot by a wire  
but they have their own tiny batteries.

BLOOD OF CHRIST ON THE SKIN says:

((guys did you get my FUNNY REFERENCE?))

hegel5000 says:

I actaully

Grate Oracle Lewot says:

*Er, no.*

hegel5000 says:

do not.  
It sounds familiar, now that I think of it . . .

BLOOD OF CHRIST ON THE SKIN says:

its  
mircles!

~°Δ°[[Bizz] ta ha ha~! says:

*It does sound familiar*

hegel5000 says:

OH!  
There's PSI everywhere in this bitch!  
(You can attempt to extract and repair the robot's weapons, if you  
want to.)

Grate Oracle Lewot says:

*Nah.*

BLOOD OF CHRIST ON THE SKIN says:

That would be cool

Grate Oracle Lewot says:

*Germ's are enough.*

BLOOD OF CHRIST ON THE SKIN says:

Nah guys we get WEAPONS

I'll do it.

hegel5000 says:

You do not have any tools

BLOOD OF CHRIST ON THE SKIN says:

i'll fucking GET SOME

hegel5000 says:

or manuals on how it works.

BLOOD OF CHRIST ON THE SKIN says:

can I /r/ people at seperationist headquarters look at them?

hegel5000 says:

Yes, you can, actually

There is the scientist woman

Clarissa

who is Punk Kid's aunt.

As you can recall, she has a fascination with U

similar to Scientist's fascination with Eugene.

She is more subtle, more skilled, and has been more successful, though

BLOOD OF CHRIST ON THE SKIN says:

Grate Oracle Lewot says:

*Well*

*only because I left*

BLOOD OF CHRIST ON THE SKIN says:

punk is obsessed with espera

WE ARE ALL LIKED BY PEOPLE

hegel5000 says:

Yay!

BLOOD OF CHRIST ON THE SKIN says:

espera is still going on that date tho, right?

are you going to work this into gameplay?

cuz liek

it could be a DOUBLE DATE and me and U could go together

~°Δ°[[Bizz] ta ha ha~! says:

HAhaha

Dude

BLOOD OF CHRIST ON THE SKIN says:

and it would be

ridiculous

~°Δ°[[Bizz] ta ha ha~! says:

That would be funny

That would be like

the best playing session ever

hegel5000 says:

BLOOD OF CHRIST ON THE SKIN says:

but then it'd get interrupted by some EVIL BAD GUY and we'd have a THROW DOWN IN THE FANCY

RESTAURAUNT

~°Δ°[[Bizz] ta ha ha~! says:

and then some random batshit insane thing attacks us duroing our date

YEAH

BLOOD OF CHRIST ON THE SKIN says:  
or punk could be a dick and take espera to mcdonalds  
and we could fight ronald mcdonald

hegel5000 says:

DUDE

DUDE

DUDE

We are doing that.

BLOOD OF CHRIST ON THE SKIN says:

hegel5000 says:

(erm, also, Punk Kid uses Lifeup on the Strawberry Soldier, just to let you know.)

healing 21 HP and maxing his HP out)

So . . . erm . . .

Punk Kid says "It's a shame we couldn't save the people. There's nothing I like more than a bucket of Scientist's fried people."

"Mmmm, mmm, good."

Strawberry soldier: "I'll go get Clarissa and we can see if we can salvage weapons off of the robot."

~°Δ°[[Bizz] ta ha ha~! says:

DUDE

THIS KEYBORD DFLJSFLKJSDFLKJSADIHFG

hegel5000 says:

~°Δ°[[Bizz] ta ha ha~! says:

it keeps mesing up aaaaaa

hegel5000 says:

Clarissa comes back over.

The strawberry soldier doesn't, though.

(BTW that was a star trek reference, the strawberry soldier. Or at least, it would have been if he got killed )

Grate Oracle Lewot says:

...Heh.

BLOOD OF CHRIST ON THE SKIN says:

hegel5000 says:

('cuz like, he wears red)

BLOOD OF CHRIST ON THE SKIN says:

see what you did there

hegel5000 says:

Clarissa "So, kids, what have you done here?"

"I'd say you've allowed the Strawberry Seperatist's access to my main scientific rival's research facility. How about that?"

BLOOD OF CHRIST ON THE SKIN says:

"We fought a giant robot."

~°Δ°[[Bizz] ta ha ha~! says:

lol red shirts

hegel5000 says:

"Yes, and the tech you've aquired for us will be a great advance to our cause."

She goes downstairs and comes up with a toolbox and a laptop.

~°Δ°[[Bizz] ta ha ha~! says:

"I'm looking for hot Spanish women~"

hegel5000 says:

Scientist turns towards Espera  
and kinda flicks her head  
so that if she had long hair it would kinda sweep around  
but actually she has rather short hair so it doesn't work.  
"You mean me, honey-cakes?"  
Punk Kid boots up Scientist's laptop.  
The stickmen are still eating the government myrmidon downstairs.  
It's rather skeletal now.

~°Δ°[[Bizz] ta ha ha~! says:

"Hmm"

hegel5000 says:

Erm, not Scientist  
Clarissa  
the woman from the Strawberry Seperatists.  
Scientist is dead  
Yeah.  
Clarissa and Punk Kid begin disassembling the robot.  
The only thing that anyone else can take from the battle is one of the  
spears coming from the harpoon gun.  
They act like normal melee spears  
which aren't that useful compared to baseball bats.  
(which are more accurate for the same damage)  
Erm, also, the strawberry soldier comes back and leads you out of the  
hole blasted in the wall, across the subway train platform, along  
the subway tracks a few feet, through a utility door, and back into  
the Strawberry Seperatists' subway mechanical room base  
where he leads you down the hallway, turns right  
and goes into the mechanical room where he shows Espera and Eugene  
some cots on the floor.  
It's night-time, so you go to sleep, right?

BLOOD OF CHRIST ON THE SKIN says:

Yes

~°Δ°[[Bizz] ta ha ha~! says:

Sleep

yes

hegel5000 says:

Erm, also . . . um . . . gimme a second.  
Eugene: Hits: 20/20, Stun: 20/20, PSI: 4/8, Luck: 10/12  
U: Hits: 9/30, Stun: 20/30, PP: 8/16, Luck: 6/11  
Espera: Hits: 24/25, Stun: 25/25, PSI: 7/16, Luck: 9/10

So it's like 11pm  
or 23, as they say in Europe  
(Or maybe that's just Latin America)  
You don't know how much time you'll be able to sleep.  
You'll recover one PSI per hour of sleep  
and this'll be the end of the day so you'll all restore your Recovery  
stats in HP  
Um . . . so like, does anyone wanna heal anyone before you go to  
sleep?

Grate Oracle Lewot says:

*Eh... LifeUp myself...*

~°Δ°[[Bizz] ta ha ha~! says:

Oh, I was oging to lifeup U

okay sure

weee

hegel5000 says:

Erm, U heals 21 HP  
just enough

~°Δ°[[Bizz] ta ha ha~! says:

yay

hegel5000 says:

And Espera, you're at -1HP.  
Heal, or?

Grate Oracle Lewot says:

*Wait*  
*you just said 24*

hegel5000 says:

Erm, 1 HP  
below maz  
max\*  
not below zero

Grate Oracle Lewot says:

*Oh.*

hegel5000 says:

my bad  
Erm, wait, no, you'll go to bed  
so you'll heal 9HP  
(That's Espera's recovery stat)  
U has to sleep for a good eleven hours to fully heal himself.  
A strawberry soldier serves everyone strawberry pancakes.

~°Δ°[[Bizz] ta ha ha~! says:

oh god that sounds good

;~;

-hungry-

wait guys remember that I woke up like an hour ago

hegel5000 says:

Over breakfast, a man in a wheelchair tells you guys and another four  
strawberry soldiers about the importance of the mission.  
His name is Andrew.  
He is quite gruff.  
He has a really well done stubble.  
Punk Kid is out somewhere and Clarissa is locked in her lab.  
Oh, also, it's Thursday now. It's two days until the swinger party at  
the hotel.  
There is also no date scheduled between Espera and Punk Kid.  
Right, so like, Andrew the very gruff fellow in the wheelchair  
he has scars on his face, by the way

~°Δ°[[Bizz] ta ha ha~! says:

Hmm

hegel5000 says:

the very gruff fellow in the wheelchair, motions for the red sweated  
soldiers to leave  
and now it's just U, Espera, Eugene, and the smell of pancakes.  
And he says "Well, we have another mission for you. It's dangerous,  
I'll say. I, obviously, can't join you. I can't really get around  
on the subway tracks in my wheelchair, you see, and this little base  
here has to be protected."  
"I've heard a lot about you, especially, Espera, from my father,  
Jimmy."  
(Hmmm, father? )  
(Jimmy looks like he's 17.)  
(This Andrew looks like he's in his 40s.)

~°Δ°[[Bizz] ta ha ha~! says:

"Oh what"

hegel5000 says:

"I'll explain that later, don't worry."

"But the mission."

~°Δ°[[Bizz] ta ha ha~! says:

"Okay. Wait, what did he tell you about me?"

hegel5000 says:

"Oh, he said you're a woman of honor. He said how strong and fast you are. How you could be gracefull even with a chainsaw."

"Well, he's also into girls with more 'proportional' tits, whatever that means. Hey, I mean, I doubt warrior girls like you can be all that well endowed considering how much exersize you end up getting fighting."

"Anyways, the mission, you saw those stickmen, right?"

~°Δ°[[Bizz] ta ha ha~! says:

"Yes"

hegel5000 says:

"Some of them are set to universal hostility, but others are set to only attack government soldiers. An American representative is coming to Spain. He'll be at the Hotel Real omorrow, Friday."

tomorrow\*

"This American representative is apparently a high-powered leader in the stickman army, although he himself isn't a stickman. Clarissa and Eugene will represent our cause. You and U will need to

~°Δ°[[Bizz] ta ha ha~! says:

"Eugene steals all of the attention for me~"  
from\*

hegel5000 says:

"well, the Spanish government is ready to stop this meeting. Some of the top stickman leaders, like this man you will meet tomorrow, are allowed to be teleported in and out of situations"

"He's told Strawberry Seperatists' High Command that he'll be 'ported out at the first sign of trouble. He'll be safe."

"But that means that you'll need to prevent any and all signs of trouble. Hopefully, Eugene will be able to keep him occupied while Clarissa can talk to him about coordinating our and their attacks against the Spanish government."

"I have no idea why they're fighting the Spanish government, but we're hoping to get them to help us. Even those heartless stickmen can be shown the joys

"of strawberries!"

"Anyways, that's tomorrow, you don't have to worry about it. It's Friday, and our operatives have poisoned some of the government fish supplies, so you'll be pretty safe from government soldiers if you walk to streets. They'll be too busy with their diahrrea for them to worry about IDing you."

~°Δ°[[Bizz] ta ha ha~! says:

"Hehehe, okay."

hegel5000 says:

Erm, wait, ooops.

I confused the days

~°Δ°[[Bizz] ta ha ha~! says:

hmm

Apple juice

is keeping me sane right now

hegel5000 says:

Mmmm.

It's currently Friday, and both the swinger party and the conference

with the Stickman leader will be tomorrow on Saturday at the same hotel.

Hopefully in different places.

BLOOD OF CHRIST ON THE SKIN says:

:D

hegel5000 says:

Oh, also, Punk Kid came into the room. "Hey, guys, we should go shopping today. I know some places where you can sell some of the weapons you got off of the government soldiers you killed."

~°Δ°[[Bizz] ta ha ha~! says:

"ooh, sounds fun"

BLOOD OF CHRIST ON THE SKIN says:

then we can get MORE MONEY

hegel5000 says:

Lemme just copypasta everyone's inventories.

BLOOD OF CHRIST ON THE SKIN says:

And MORE WEAPONS

~°Δ°[[Bizz] ta ha ha~! says:

yay more money

(when do we get like an EPIC ENCOUNTER from youknowho? I'm impaatient)

hegel5000 says:

I have it planned, don't worry!

~°Δ°[[Bizz] ta ha ha~! says:

(dude you guys I typed the longest post I have ever posted in a mfa game)

hegel5000 says:

~°Δ°[[Bizz] ta ha ha~! says:

(it's awesome)

hegel5000 says:

Espera's stuff: Rapier, chainsaw, baseball bat, slim sword, Mr.Machinegun (5/27)

U's stuff: lv.4 Thunder pathogens(1), lv.5 Thunder pathogens (4), Water Antibody, Fire Antibody, Thunder Antibody, hockey mask, baseball bat)

Eugene's Stuff: \$74 in a plastic baggy, 9mm handgun, 2 9mm clips(10), baseball bat, 0.8066mm pulse rifle 19/30

Grate Oracle Lewot says:

*It was lv.6 pathogens that I got*

~°Δ°[[Bizz] ta ha ha~! says:

wait, I didn't know I had a Mr.Machinegun

hegel5000 says:

Oh, oops

Erm, you got it

~°Δ°[[Bizz] ta ha ha~! says:

hmm

hegel5000 says:

off of the hiding stickman.

The one who hid behind the couch.

Grate Oracle Lewot says:

*But um*

hegel5000 says:

(Erm, I didn't tell you you got it, but you got it anyways )

~°Δ°[[Bizz] ta ha ha~! says:

(Awesome)

hegel5000 says:

U's stuff: lv.4 Thunder pathogens(1), lv.6 Thunder pathogens (4),  
Water Antibody, Fire Antibody, Thunder Antibody, hockey mask,  
baseball bat).

Punk Kid "So, guys, you'll have to show me your stuff. Did you fight  
any gun wielding government soldiers? They have their pulse  
weapons. Those sell for insane amounts on the black market."  
Will you show him what you have?

BLOOD OF CHRIST ON THE SKIN says:

but

my pulse rifle ;~;

hegel5000 says:

"Also, the other possibility is that we go to a bank and rob it. I  
know of one that's guarded by four private mercenaries as well as a  
single government swordmaster."

"They should have a good ten thousand dollars in cash in their vault."

~°Δ°[[Bizz] ta ha ha~! says:

"ooh, ten-thousand..."

BLOOD OF CHRIST ON THE SKIN says:

I am not against more fights

(I'd like to stop soon tho if no one minds

~°Δ°[[Bizz] ta ha ha~! says:

"that's over nine-thousand!"

hegel5000 says:

BLOOD OF CHRIST ON THE SKIN says:

hegel5000 says:

Erm, yeah, actually, this seems like a good stopping point.

Grate Oracle Lewot says:

*You know what, I saw that actual episode on TV a few days ago.*

hegel5000 says:

Tomorrow: the 100% non-stealthy bank robbery!

BLOOD OF CHRIST ON THE SKIN says:

~°Δ°[[Bizz] ta ha ha~! says:

Yaaay

BLOOD OF CHRIST ON THE SKIN says:

who wants to play transformice now?!

hegel5000 says:

I can't get it to load

BLOOD OF CHRIST ON THE SKIN says:

how many times did you try?

its a bitch sometimes

hegel5000 says:

I'll try one more time right now

~°Δ°[[Bizz] ta ha ha~! says:

Transformiice

hegel5000 says:

Also, Eugene has 16 OP, U has 15, and Espera has 20.

Grate Oracle Lewot says:

Oh...

~°Δ°[[Bizz] ta ha ha~! says:

Um, can I raise REF?

hegel5000 says:

Oh, right, good idea . . .

Each point of REF will increase you hit modifier by 1  
although it'll increase it by 2 when using Quick Up.

On the other hand, you can get more Melee Weapons increases with 20  
OP.

Wait, no, actually, you can only increase it by 1, then your Melee  
Weapons skill will be 9, at which point it will not be economical to  
increase Melee Weapons instead of REF . . .

Erm, so +2 to REF, or?

~°Δ°[[Bizz] ta ha ha~! says:

uh

+1 or +2 to REP?

like, which would be a better idea

hegel5000 says:

Well, you could to +1 to REF and also go from 8 to 9 with Melee  
Weapons

and have 1 OP leftover . . .

Eh, that's not worth it. +2 to REF is probably better  
mainly because of Quick Up.

~°Δ°[[Bizz] ta ha ha~! says:

Okay

well, i did want to put op into grooming

I'll do that next time

+2 to REF sounds good
