[1:12:38 AM] KV: > Quicksave Loaded.

[1:13:04 AM] KV: When we last left our heroes, they had just left Remy's Storage, having deposited a couple items for safekeeping.

[1:13:50 AM] Lewot: I ponder compound words for a moment.

[1:14:07 AM] KV: They recalled Tank's advice about going to visit his brother Turk at the latter's Casino, as well as his advice that they steer clear of the warehouse district proper, as some funky goings-on had been happening.

[1:15:12 AM] KV: Across the street from Remy's Storage, you see a couple of tough-looking Pianta guards standing in front of a makeshift fence.

[1:15:36 AM] KV: Through the fence, you can see another street head off to the east.

[1:15:37 AM] Lewot: (" 'Makeshift,' hmm...")

[1:15:56 AM] KV: It looks rather dark, and the guards rather formidable.

[1:16:27 AM] Lewot: I scan the horizon and/or my memory banks for a casino.

[1:16:51 AM] KV: You recall Tank saying the casino was a straight shot south.

[1:17:07 AM] Lewot: I read the planet's magnetic field to determine which way is south.

[1:17:09 AM] KV: (which would be on your right side, the way you're facing.)

[1:17:23 AM] Lëvîty: (oh, sorry, hi, I'm here now)

[1:17:35 AM] Lewot: (We're just starting <3)

[1:17:49 AM] KV: Essentially you're standing at the intersection of a T-shaped junction.

[1:18:10 AM] KV: you can either continue to the south towards the casino, or approach the guards to the east.

[1:18:39 AM] Lewot: "Comradelings, my computations suggest journeying to the right, assuming that we are to take Mr. Tank's advice."

[1:19:17 AM] Aroroaoroa: (oh yeah, heading over to that "casino" thing)

[1:19:23 AM] Aroroaoroa: (...what's a "casino" again?)

[1:19:30 AM] Aroroaoroa: "Urrrrrrrrrguuuhhhh..."

[1:19:57 AM] Lëvîty: Parian blinks. It is at this moment he feels mostly like a male.

[1:20:07 AM] Lëvîty: "Oooh, casino..." he blushes.

[1:20:36 AM | Edited 1:21:30 AM] Ringtail Randl: "Aye, I'm game for that.. Think about all the bandits we saw earlier.. They say for every roach you see, there're thirty you don't see.."

[1:21:02 AM] Lewot: "Ratio saved to memory."

[1:21:21 AM] Lewot: I look to the right.

[1:21:42 AM] Lewot: I begin shuffling in that direction.

[1:21:44 AM] Aroroaoroa: (...what's a "roach"?)

[1:21:49 AM] Aroroaoroa: "Urrrghh..."

[1:22:08 AM] KV: The guards seem not to notice you as you collectively travel southwards.

[1:22:50 AM] KV: The sunlight is barely visible anymore; it'll be dark soon.

[1:22:58 AM] KV: Some of the streetlights have started to kick on.

[1:23:18 AM] Lewot: I don't know how I actually process visual information, so I'm not sure how my mechanisms react =P

[1:23:39 AM] Lëvîty: Parian kind of waddles a little, thinking about their current destination with an eager face. As eager as a Shy Guy's face can look.

[1:23:54 AM] Lewot: (<3)

[1:24:20 AM] KV: You approach a gang of four Tanooki. They look as tough and ready to fight as the previous two groups you've encountered.

[1:34:10 AM] Lëvítý: ((<3))

[1:34:25 AM] Lewot: I equip my Iron Sword.

[1:37:18 AM] KV: The Tanooki seem confused by Graupel's question.

[1:37:53 AM] Aroroaoroa: (DON'T YOU MAKE ME ASK AGAIN WITH MY HAMMER!!)

[1:38:03 AM] Aroroaoroa: (...ya know, I like the way he phrased that)

[1:38:26 AM] Aroroaoroa: "Guuuurrrrrrrrgarrrrrrghh....."
