[10/15/2012 9:13:10 PM] KV: (www.youtube.com/watch?v=dX_1B0w7Hzc)

[10/15/2012 9:13:26 PM] KV: (one of the best rap battles thus far)

[10/15/2012 9:16:54 PM] Andrew Cornell: (hooooo shit, Abraham Lincoln all up in this bitch)

[10/15/2012 9:17:02 PM] KV: (exactly)

[10/15/2012 9:17:39 PM] Lewot: Alright, so that

[10/15/2012 9:17:45 PM] Lewot: anyway, file loaded

[10/15/2012 9:18:07 PM] Lewot: when we last left our heroids, they had caught their first gimpse of Travis Turnip.

[10/15/2012 9:18:49 PM] Lewot: In response to Miles pulling a Spring Pad out of the ground, which is now in his inventory, a glass tree had shattered, and Travis, sitting on the ground behind it, had fallen through a trapdoor.

[10/15/2012 9:18:56 PM] Lewot: A moment later, the trapdoor had closed.

[10/15/2012 9:19:27 PM] Lewot: You're all now standing somewhere in the general vicinity, with the direction of the previously existent glass tree and trapdoor as the only unexplored one.

[10/15/2012 9:20:17 PM] Knarrenjay: "Well then... I guess now I should start paying more attention to all this turnip business."

[10/15/2012 9:20:25 PM] KV: (Miles collapses. The realization that his life is a complete goddamned fucking mess was too much for him for now.)

[10/15/2012 9:20:30 PM] KV: (I forgot about this lol)

[10/15/2012 9:21:05 PM] Knarrenjay: Jay approached Miles, nudging at him with a paw, "Hey, you alright? Er.."

[10/15/2012 9:21:21 PM] KV: Miles "Ngh..."

[10/15/2012 9:21:33 PM] Lëvîty: Levan collapses with Miles.

[10/15/2012 9:21:35 PM] KV: Miles rubs his temples, leaning up slightly.

[10/15/2012 9:21:43 PM] KV: "What..."

[10/15/2012 9:21:47 PM] Andrew Cornell: I fret over in the corner, a bit timid from all the rumors the Turnip Bros. have discussed with me.

[10/15/2012 9:21:58 PM] Lëvîty: "There's a limit to your love, like a waterfall in slooow-moootion~"

[10/15/2012 9:22:08 PM] Lewot: Miles and Levan inhale the earthy smell of the forest floor.

[10/15/2012 9:22:46 PM] KV: Miles starts to sing a completely different song.

[10/15/2012 9:23:02 PM] KV: "And now that your rose is in bloom~"

[10/15/2012 9:23:12 PM] KV: "A light hits the gloom on the gray..."

[10/15/2012 9:23:15 PM] Andrew Cornell: "Are you two really sure about this? I hadn't figured we'd run into your brother so soon," I consult with the Turnip Bros.

[10/15/2012 9:23:19 PM] Lewot: It seems that the trapdoor has blended in so well that you can't even tell where it was.

[10/15/2012 9:23:26 PM] KV: Miles climbs to his feet.

[10/15/2012 9:23:31 PM] Knarrenjay: Jay stands in the midst of this madness, observing his cohorts "Am I really the only not-insane person here?"

[10/15/2012 9:23:36 PM] Lëvîty: "It smells like dirt down here."

[10/15/2012 9:23:51 PM] Lëvîty: "It smells like..."

[10/15/2012 9:23:55 PM] KV: Miles looks at Jay. "I thought that I was until a minute ago."
[10/15/2012 9:23:59 PM] Lëvîty: Levan looks up at Jay.
[10/15/2012 9:24:11 PM] Lëvîty: "What about insane what?"
[10/15/2012 9:24:26 PM | Edited 9:24:29 PM] Lëvîty: Levan's still on the ground, pretty much rolling around in the compost.
[10/15/2012 9:24:44 PM] Knarrenjay: "Er... Uh, never mind."
[10/15/2012 9:24:58 PM] Andrew Cornell: "...well, alright then. I suppose it's for the best."
[10/15/2012 9:25:00 PM] Lewot: Levan has trailed a few rainbow leaves over to this area.
[10/15/2012 9:25:03 PM] KV: "Anyway. We should probably try to find that trap door."
[10/15/2012 9:25:11 PM] Andrew Cornell: I stand up and look at the others.
[10/15/2012 9:25:17 PM] KV: Miles steps gingerly on the broken glass that used to resemble a tree.
[10/15/2012 9:25:31 PM] Lewot: Miles crosses the glass without taking any damage.
[10/15/2012 9:25:37 PM] Lëvîty: Levan gets back up and yawns tiredly.
[10/15/2012 9:25:39 PM] Andrew Cornell: I watch as Miles crosses over the broken glass tree.
[10/15/2012 9:25:47 PM] Lewot: He's now probably standing on the trapdoor, but damned if he can feel anything different.
[10/15/2012 9:26:02 PM] KV: Miles checks his boots for shards of broken glass that might be stuck, just in case.
[10/15/2012 9:26:17 PM] Lewot: It seems like the glass just dissolves into sand instead.
[10/15/2012 9:26:23 PM] Lewot: It sparkles.
[10/15/2012 9:26:40 PM | Edited 9:26:45 PM] Lëvîty: "Oooh... it's like stardust..."
[10/15/2012 9:26:51 PM] KV: (Could I just have the empty pouch that used to be a Spite Pouch still with me?)
[10/15/2012 9:26:58 PM] KV: (Like I haven't had a chance to properly discard it?)
[10/15/2012 9:27:14 PM] KV: (obviously you see where I'm going with this)
[10/15/2012 9:27:38 PM] Lewot: (Well, I guess a space taken up in your inventory is punishment enough for making me factor it in, so okay.)
[10/15/2012 9:27:54 PM] KV: (Even if you don't wanna make it an item, it could be a good luck charm =P)
[10/15/2012 9:28:19 PM] KV: Miles takes the empty pouch that formerly contained the powder for a Spite Pouch and gathered up some of the sand-like glass.
[10/15/2012 9:28:43 PM] Andrew Cornell: I walk over to Miles, crossing over the glass.
[10/15/2012 9:28:47 PM] Lewot: You've got two spaces left in your inventory.
[10/15/2012 9:28:55 PM] Lewot: Rammen crosses unharmed.
[10/15/2012 9:29:19 PM] Knarrenjay: Jay scurries over the glass, hoping none of it manages to get stuck in his paws or something.
[10/15/2012 9:29:34 PM] Lewot: It seems perfectly harmless.
[10/15/2012 9:29:38 PM | Edited 9:29:47 PM] KV: Miles closes the drawstring on the pouch and loops it through his belt so that it hangs idly.
[10/15/2012 9:29:57 PM] Knarrenjay: It'd be totally lame to survive mosters and then die by an infection from a cut, Jay noted.
[10/15/2012 9:30:31 PM] Lewot: You had actually fought horse-mounted humans, but of course they're being kinda monstrous in their prejudice against you and Rammen.
[10/15/2012 9:30:50 PM] KV: Miles starts to look for any sign of the trap door that Travis fell

through. He realizes that he didn't get a good look at where Travis was laying exactly.

[10/15/2012 9:30:58 PM] KV: (and hey, maybe to Jay and Rammen, the humans ARE the monsters?)

[10/15/2012 9:31:10 PM] Knarrenjay: (Yeah.)

[10/15/2012 9:31:16 PM] Knarrenjay: (Don't be racist. ;3;)

[10/15/2012 9:31:19 PM] Lewot: Miles looks harder at the ground, but man, it's just seamless.

[10/15/2012 9:31:23 PM] Andrew Cornell: (Dun dun DUNNNNNNNNNNN plot twist)

[10/15/2012 9:31:46 PM] Lewot: (Hey, I'm the one playing the humans as prejudiced to make them look bad =P)

[10/15/2012 9:32:14 PM] Andrew Cornell: "Forget it, Miles," I tell the lad, putting a hand on his shoulder. "Don't worry about Travis for now."

[10/15/2012 9:33:41 PM] Andrew Cornell: "We should keep moving forward to the end and meet up with Sirs Abram and Pidenski on the other side."

[10/15/2012 9:34:20 PM] Lëvîty: Levan starts to wander off.

[10/15/2012 9:34:33 PM] Lewot: Levan wanders down the tree pathway.

[10/15/2012 9:34:41 PM] Lewot: It appears to make a left turn ahead.

[10/15/2012 9:35:06 PM] KV: Miles follows Levan, pushing Travis Turnip out of his mind for now.

[10/15/2012 9:35:18 PM] Lewot: The party proceeds

[10/15/2012 9:35:52 PM] Lewot: you round the corner, and appear to come to a dead end. However, unlike most of the tree wall, you can see a bit of a space between two of the trees in front of you.

[10/15/2012 9:36:39 PM] KV: Miles pulls his goggles down over his eyes and peers into the space between the trees.

[10/15/2012 9:37:19 PM] Lewot: You can see kind of a clearing on the other side, with some bushes. Across from your end, the clearing terminates in a high cliff.

[10/15/2012 9:37:39 PM] Lewot: It looks like there's another pathway on top of the cliff.

[10/15/2012 9:37:46 PM] Lewot: You don't see any pathways to the sides.

[10/15/2012 9:38:24 PM] Andrew Cornell: "What's beyond the trees?" I ask Miles.

[10/15/2012 9:39:01 PM] KV: "A clearing..."

[10/15/2012 9:39:09 PM] KV: "and what looks like a cliff face on the far side of it."

[10/15/2012 9:39:18 PM | Edited 9:39:26 PM] Knarrenjay: (zork anyone)

[10/15/2012 9:40:01 PM] Andrew Cornell: "A cliff? In the forest?"

[10/15/2012 9:40:04 PM] Knarrenjay: "A cliff, huh.."

[10/15/2012 9:40:17 PM] Lëvîty: "Hm?" Levan seemed to have spaced out.

[10/15/2012 9:40:19 PM] Andrew Cornell: "Perhaps we're at the edge already?"

[10/15/2012 9:40:28 PM] KV: "Maybe..."

[10/15/2012 9:40:37 PM] Lewot: Levan bobs into the air like a balloon while spacing out.

[10/15/2012 9:40:47 PM] KV: Miles tries to squeeze in between the two trees. It looks a bit narrow.

[10/15/2012 9:40:54 PM] Lewot: There's a thick canopy overhead, though.

[10/15/2012 9:41:20 PM] Lewot: Miles fails to squeeze through. However, the trees move a little bit as he pushes between them, but not enough to allow him past.

[10/15/2012 9:42:14 PM] KV: Miles takes a couple steps back, looking up at the canopy.

[10/15/2012 9:43:43 PM] Lewot: The canopy appears quite impenetrable from here. (I was just

noting it because Levan was bobbing upward.)

[10/15/2012 9:44:05 PM] Lëvîty: Levan lands her feet back onto the ground.

[10/15/2012 9:44:39 PM] Lewot: When Miles stepped out from between the two trees, they contracted back inward again, to their starting position.

[10/15/2012 9:45:15 PM] KV: "Hmm..."

[10/15/2012 9:45:27 PM] Andrew Cornell: "Hmmm..." I try and squeeze through the trees.

[10/15/2012 9:46:13 PM] Lewot: Rammen tries to squeeze through, but the trees don't hardly budge as he pushes into them.

[10/15/2012 9:46:23 PM] Lewot: He can't make it.

[10/15/2012 9:46:47 PM] KV: Miles "Jay, you're the strongest. See if you can push those trees apart"

[10/15/2012 9:46:56 PM] Andrew Cornell: I step back again and move out of the way.

[10/15/2012 9:49:40 PM] Lewot: Jay, his HP pretty close to the danger zone after the last battle, seems a little distracted.

[10/15/2012 9:49:53 PM | Edited 9:49:58 PM] Knarrenjay: Jay nods, moving in to begin his pushing on the trees.

[10/15/2012 9:50:12 PM] Lewot: Then he forces the trees apart with his hyena strength!

[10/15/2012 9:50:34 PM] Lewot: The gap is big enough to walk through, and the rest of you should have enough Platform to jump over Jay's head.

[10/15/2012 9:50:45 PM] Knarrenjay: "Hah, sweet." Jay praised his own handiwork.

[10/15/2012 9:51:11 PM] KV: "Nicely done, Jay!" Miles hops over Jay to get to the clearing on the other side.

[10/15/2012 9:51:32 PM] Lewot: Miles lands easily in the clearing.

[10/15/2012 9:52:43 PM] Andrew Cornell: I follow suit, jumping into the clearing.

[10/15/2012 9:52:55 PM] Lewot: Rammen uses his bandages to land like Batman.

[10/15/2012 9:53:16 PM] Andrew Cornell: (I'm Batman~)

[10/15/2012 9:53:18 PM] KV: Miles reaches through to pull Levan through, as she seemed to be floating and spacing out again.

[10/15/2012 9:53:39 PM] Lewot: Levan bobs through the gap at Miles' hand.

[10/15/2012 9:54:42 PM] Lewot: Jay should be able to hop through as he lets go of the trees.

[10/15/2012 9:54:52 PM] Lëvîty: Levan blushes. "Miles, you're super adorable <3"

[10/15/2012 9:55:12 PM] KV: "I... uh, well... th-thanks."

[10/15/2012 9:55:28 PM] KV: Miles stammers, slightly flustered.

[10/15/2012 9:55:47 PM] Lewot: Francis's passion leveled up!

[10/15/2012 9:56:10 PM] KV: Miles closes Swoon.exe.

[10/15/2012 9:56:37 PM] Andrew Cornell: (dohoho, I see what you people did there :P)

[10/15/2012 9:56:47 PM] Knarrenjay: Jay hops on through to the other side as well.

[10/15/2012 9:57:02 PM] Lewot: The trees snap shut behind him.

[10/15/2012 9:57:14 PM] Lëvîty: Levan yawns again.

[10/15/2012 9:57:20 PM] Lewot: You all hear a slight whirring sound.

[10/15/2012 9:58:09 PM] Lewot: It sounds like it's coming from up on the cliff.

[10/15/2012 9:59:12 PM] Andrew Cornell: "What do you suppose that sound is?" I ask the others.

[10/15/2012 9:59:58 PM] Knarrenjay: "Wind, perhaps?"

[10/15/2012 10:00:03 PM] Lewot: As you ponder, something yellowish floats down from the

cliff and comes toward you.

[10/15/2012 10:00:18 PM] Knarrenjay: "Er- scratch that."

[10/15/2012 10:00:26 PM] Lewot: It's a sarcophagus, hovering horizontally. So like... it's lying down... in the air. Flying toward you.

[10/15/2012 10:00:39 PM] KV: Miles holds his arms outstretched, palms facing outwards

[10/15/2012 10:01:02 PM] Knarrenjay: "Haha guys, this is pretty ominous."

[10/15/2012 10:01:04 PM] Lewot: The top half of the front, which is facing upward, slides down over the bottom half. A mummy sits up in the flying sarcophagus.

[10/15/2012 10:01:16 PM] Andrew Cornell: "Oh dear..."

[10/15/2012 10:01:18 PM] Lewot: From a bush to the right, a dragon bumbles out.

[10/15/2012 10:01:26 PM] Lewot: From a bush to the left, a fat panda rolls out.

[10/15/2012 10:01:30 PM] Lewot: Battle initiated!

[10/15/2012 10:01:37 PM] Andrew Cornell: "...what in the-"

[10/15/2012 10:01:40 PM] KV: Miles looks to each side, slightly taken aback.

[10/15/2012 10:01:43 PM] KV: "Uh, hmm."

[10/15/2012 10:01:55 PM] Lewot: The mummy pops open something on the sarcophagus top in front of him.

[10/15/2012 10:02:11 PM] Lewot: He appears to start pressing buttons rapidly.

[10/15/2012 10:02:20 PM] Lewot: Jay~ HP 7/25, VP 26/30, MP 5/5

[10/15/2012 10:02:23 PM] Lewot: Player Phase

[10/15/2012 10:03:11 PM] Andrew Cornell: "I don't know about the rest of you, but I'm not so sure about this fight," I say to the others.

[10/15/2012 10:03:20 PM] KV: "Rammen, you're the one with the Bestiary. Do your thing."

[10/15/2012 10:03:33 PM] Lëvîty: Levan waits for Rammen to do the thing.

[10/15/2012 10:03:44 PM] Andrew Cornell: "Well, alright then," I say.

[10/15/2012 10:03:56 PM] Andrew Cornell: I look through the Bestiary and decide upon looking up the Dragon first.

[10/15/2012 10:05:48 PM] Andrew Cornell: "Well, the Dragon's only about the size of a cow, in case you need to figure out a size comparison. Specifically, this is a Fissile Dragon."

[10/15/2012 10:06:10 PM] Andrew Cornell: "HP 20, VP 20, MP 5, Attack 3, Magic 1, Defense 1, Brain 3 - about as strong as you'd expect a Dragon to be."

[10/15/2012 10:06:38 PM] KV: "Hmm. Actually I thought he might be a bit stronger on Magic than Brain."

[10/15/2012 10:07:34 PM] Lëvîty: "Maybe it depends on the type of dragon!"

[10/15/2012 10:07:36 PM] Andrew Cornell: "Apparently this one is carrying a torch, which will allow it to breathe fire at us using his hydrogen-oxygen gas."

[10/15/2012 10:07:47 PM] Lëvîty: "Err, species."

[10/15/2012 10:07:55 PM] Andrew Cornell: "It's also adept at using PK Starstorm, PK Enlightenment, and PK VimUp Alpha and Beta."

[10/15/2012 10:08:15 PM] Andrew Cornell: "And you can forget Water attacks, they won't do anything against him."

[10/15/2012 10:08:26 PM] Andrew Cornell: "Although he is weak to Fire and Ice..."

[10/15/2012 10:08:38 PM] Andrew Cornell: "That's the story on the Dragon."

[10/15/2012 10:08:57 PM] KV: Miles fixes his goggles, then walks up to Jay, placing his hands on his friend's sword.

[10/15/2012 10:09:15 PM] KV: Miles uses Imbue!

[10/15/2012 10:10:14 PM] Lewot: Miles imbues Jay's sword with Poison!

[10/15/2012 10:10:30 PM] KV: Miles curses under his breath. "I have GOT to get this thing under control..."

[10/15/2012 10:10:45 PM] Knarrenjay: Jay feels the power going through his sword.

[10/15/2012 10:11:42 PM] Lewot: Jay and Levan remain.

[10/15/2012 10:12:13 PM] Lewot: Jay~ HP 7/25, VP 26/30, MP 5/5

[10/15/2012 10:12:48 PM] Lëvîty: Uhhh Levan doesn't have much left to do does she

[10/15/2012 10:13:25 PM] Lewot: She doesn't have VP, but

[10/15/2012 10:13:27 PM] Lewot: let's see

[10/15/2012 10:13:43 PM] Lewot: 1) Super Shroom

4) Javelin

[10/15/2012 10:14:03 PM] Lewot: Er, the envelope is E for equipped

[10/15/2012 10:14:21 PM] Lewot: I can't remember why she has the Iron Lance equipped instead of the Flame Lance, but apparently she does.

[10/15/2012 10:14:39 PM] Knarrenjay: Well Jay'll just use Jaggermonsta on the dragon whenever you're ready.

[10/15/2012 10:14:42 PM] KV: she attacked the one enemy

[10/15/2012 10:14:54 PM] KV: that was wearing armor that protected against magic

[10/15/2012 10:15:06 PM] Lewot: Jay strikes with Jaggermonsta!

[10/15/2012 10:15:07 PM] KV: (if I remember correctly)

[10/15/2012 10:15:19 PM] Lewot: For 8 damage?

[10/15/2012 10:15:41 PM] Lewot: It would normally do 4, x2 for Jaggermonsta, +1 for Imbue and -1 for Defense Power.

[10/15/2012 10:15:51 PM] Lewot: And...

[10/15/2012 10:16:17 PM] Lewot: The fissile dragon is Poisoned for 2 turns

[10/15/2012 10:16:18 PM] Lewot: .

[10/15/2012 10:16:34 PM] Lewot: He looks mildly annoyed.

[10/15/2012 10:17:03 PM] Lewot: And Levan?

[10/15/2012 10:17:12 PM] Lewot: You can use an item or pick a weapon to attack with

[10/15/2012 10:17:17 PM] Lewot: or Run Away or Do Nothing

[10/15/2012 10:17:25 PM] Lewot: or Defend

[10/15/2012 10:17:27 PM] Lewot: right

[10/15/2012 10:17:32 PM] Lewot: Defend is there.

[10/15/2012 10:19:04 PM] Lëvîty: Hold on

[10/15/2012 10:19:08 PM] Lëvîty: asking Lewot a thing

[10/15/2012 10:19:09 PM] Lëvîty: lol

[10/15/2012 10:19:09 PM] Lewot: Oh, right, I need to tell you guys what all your items do

[10/15/2012 10:19:13 PM] Lëvîty: hahahaha

[10/15/2012 10:19:14 PM] Lewot: lessee

[10/15/2012 10:19:19 PM] Lëvîty: Lëvîty sweatdrop

[10/15/2012 10:19:31 PM] Lewot: Well, KV and Arora have the master list

[10/15/2012 10:19:34 PM] KV: right,

[10/15/2012 10:19:42 PM] KV: so really you just need to explain to Levery and Jared

[10/15/2012 10:19:47 PM] Lewot: For Levery, the Super Shroom heals 10 HP

[10/15/2012 10:19:58 PM] Lewot: the Chuckle Bean does nothing, it can only be cooked into coffee

[10/15/2012 10:20:05 PM] Lewot: same with the Koopa Leaf, only tea

[10/15/2012 10:20:15 PM] Lewot: 1-Up Mushroom revives a dead partner to 10 HP

[10/15/2012 10:20:28 PM] Lewot: Koopasta heals 19 HP and 19 VP I think

[10/15/2012 10:20:44 PM] Lewot: Oolong Tea heals 10 HP, VP, and MP, and cures Status Problems

[10/15/2012 10:20:52 PM] Lewot: Potato heals...

[10/15/2012 10:20:54 PM] Lewot: like 3 or 4 HP

[10/15/2012 10:21:03 PM] Lewot: Magic Mango heals 4 MP

[10/15/2012 10:21:15 PM] Lewot: and Hoohoo Blend raises your Defense

[10/15/2012 10:21:27 PM] Lewot: I think it was by 2 for 3 turns, or the other way around.

[10/15/2012 10:22:18 PM] Lewot: If you attack with the Iron Lance or the Javelin, it'll do 2 damage, the Flame Lance will do 3, and the Lantern will do 1.

[10/15/2012 10:22:44 PM] Lewot: Jay already went, but I'll tell him his items next turn if he

wants to use one.

[10/15/2012 10:23:34 PM] Lëvîty: hmm

[10/15/2012 10:23:53 PM] KV: KV sips his Arnold Palmer and idly watches Community whilst he awaits the pending turn of events

[10/15/2012 10:23:56 PM] Lëvîty: Ughhh

[10/15/2012 10:24:05 PM] Lëvîty: I really need VP but using an item seems like a waste

[10/15/2012 10:24:13 PM] Lewot: Well, it's what they're for.

[10/15/2012 10:24:18 PM] KV: (how else would you get VP?)

[10/15/2012 10:24:24 PM] KV: (we kinda need it now)

[10/15/2012 10:24:27 PM] Lëvîty: Okay, Levan uses the Oolong Tea!

[10/15/2012 10:24:38 PM] Lewot: Levan drinks the Oolong Tea with class!

[10/15/2012 10:25:04 PM] Lewot: She's restored to max HP, and her VP goes up to 10.

[10/15/2012 10:25:14 PM] Lewot: Enemy Phase

[10/15/2012 10:25:25 PM] Andrew Cornell: "Steel yourselves guys!"

[10/15/2012 10:25:34 PM] KV: Miles steels himself.

[10/15/2012 10:26:01 PM] Lewot: The mummy's sarcophagus flies in front of Jay.

[10/15/2012 10:26:17 PM] Lewot: A beam of light passes over him.

[10/15/2012 10:26:25 PM] Lewot: There are beeping noises from the sarcophagus.

[10/15/2012 10:26:44 PM] Lewot: Then, after a moment, the mummy flies back to its position. Nothing seemed to happen.

[10/15/2012 10:26:49 PM] KV: Miles is slightly confused.

[10/15/2012 10:27:13 PM] Lewot: The panda stretches lazily and gets up onto two feet.

[10/15/2012 10:27:30 PM] Lewot: It looks at the players...

[10/15/2012 10:28:09 PM] Lewot: It kinda rears back...

[10/15/2012 10:28:24 PM] Lëvîty: "It looks really cuddly..."

[10/15/2012 10:28:30 PM] Lewot: Then it jumps at Levan and does a karate chop for 2 damage

[10/15/2012 10:28:39 PM] KV: Miles "You were saying?"

[10/15/2012 10:28:47 PM] Lewot: and uses the momentum to bounce off her and hit Miles for 4 damage!

[10/15/2012 10:28:58 PM] Knarrenjay: Jay ponders the sarcophagus.

[10/15/2012 10:29:22 PM] KV: Miles "DAMMIT! Ow!"

[10/15/2012 10:29:45 PM] Andrew Cornell: "We have some curious enemies to fight today."

[10/15/2012 10:29:46 PM] Lewot: The dragon raises its torch.

[10/15/2012 10:30:04 PM] Lewot: It inhales, then exhales powerfully, spewing fire across the entire team!

[10/15/2012 10:30:09 PM] KV: (Obviously this is a Kung Fu Panda)

[10/15/2012 10:30:17 PM] Lewot: Levan takes no damage.

[10/15/2012 10:31:05 PM] Lewot: Jay takes 6 damage!

[10/15/2012 10:31:13 PM] Lewot: Jay feels strange...

[10/15/2012 10:31:18 PM] Lewot: he's gone Feral!

[10/15/2012 10:31:31 PM] Lewot: Miles takes 8 damage and collapses!

[10/15/2012 10:31:37 PM] Lëvîty: !!

[10/15/2012 10:31:42 PM] KV: Miles "Shiiiiii..."

[10/15/2012 10:31:48 PM] KV: Miles collapses.

[10/15/2012 10:32:21 PM] Knarrenjay: Jay abandons sword, on all fours now.

[10/15/2012 10:32:22 PM] Lewot: Rammen takes 6 damage!
[10/15/2012 10:33:36 PM] Lewot: Nobody was Burned... well, Miles was, but he's dead.
[10/15/2012 10:33:45 PM] Lewot: Player Phase
[10/15/2012 10:34:11 PM] KV: Miles' spirit floats a few feet above his body.
[10/15/2012 10:34:13 PM] Lewot: Er, the Fissile Dragon took 1 damage from Poison before attacking.
[10/15/2012 10:34:19 PM] KV: "Goddammit, this has to STOP."
[10/15/2012 10:34:29 PM] KV: No one can hear him, of course.

[10/15/2012 10:35:25 PM] Andrew Cornell: "Well, I see no sense in wasting time while that dragon takes out my friends," I say, closing the Bestiary with one hand and raising the other one up.
[10/15/2012 10:35:41 PM] Andrew Cornell: I unleash PK Fire Beta on the opposing team!
[10/15/2012 10:36:19 PM] Lewot: Psychic fire once again engulfs the enemy battlefield!
[10/15/2012 10:36:50 PM] Lewot: The panda takes 3 damage!

[10/15/2012 10:44:51 PM] KV: "Whoa-ho! This is new!"

[10/15/2012 10:45:31 PM] Andrew Cornell: "It seems when our friend here takes enough damage, he...well, turns into this," I say, indicating Jay's current Feral form.

[10/15/2012 10:45:53 PM] Knarrenjay: Uber Klaw

[10/15/2012 10:46:12 PM] Lewot: Jay runs up and Uber Klaws the dragon!

[10/15/2012 10:49:38 PM] Andrew Cornell: "Grargh! That was different."

[10/15/2012 10:50:35 PM] Lewot: The mummy types something into his console...

[10/15/2012 10:50:55 PM] Knarrenjay: Jay snarls in a vicious manner.

[10/15/2012 10:51:14 PM] Lewot: The mummy uses PK Thunder on Jay!

[10/15/2012 10:51:21 PM] Lewot: Jay collapses.

[10/15/2012 10:52:18 PM] Lewot: Er, I didn't subtract Jay's VP...

[10/15/2012 10:52:52 PM] Lewot: It's at 16 instead of 26.

[10/15/2012 10:52:54 PM] KV: Miles pulls the Sleepy Sheep out of his bag!

[10/15/2012 10:53:17 PM] Lewot: The Sleepy Sheep flies into the air and activates!

[10/15/2012 10:53:41 PM] Lewot: The camera zooms in on the party, who look around questioningly (except for Jay, who's dead)

[10/15/2012 10:53:52 PM] Lewot: then a stampede of yellow sheep run by from behind!

[10/15/2012 10:54:30 PM] Andrew Cornell: "That is a lot of sheep," I note as they run by.

[10/15/2012 10:54:39 PM] Lewot: The panda counts the sheep and falls asleep.

[10/15/2012 10:54:46 PM] Lewot: Neither of the other two do.

[10/15/2012 10:55:16 PM] Andrew Cornell: "Levan, I would suggest finishing off the dragon with the Flame Lance," I say as I bring out the Bestiary again.

[10/15/2012 10:55:26 PM] Andrew Cornell: I check the Bestiary for the mummy-sarcophagus.

[10/15/2012 10:57:55 PM] Andrew Cornell: "Seems our pharaohnic friend there is known as a Seti, some kind of extraterrestrial mummy."

[10/15/2012 10:58:11 PM] Andrew Cornell: "HP 20, VP 20, MP 0, Attack 1, Magic 1, Defense 1, Brain 3"

[10/15/2012 10:58:39 PM] Andrew Cornell: "Poison attacks are useless on it, and Soil attacks aren't as effective

[10/15/2012 10:58:51 PM] Andrew Cornell: but it does have weaknesses to Wind and Thunder."

[10/15/2012 10:59:05 PM] KV: Miles "Heh heh..."

[10/15/2012 10:59:38 PM] Andrew Cornell: "Setis can use a wide variety of attacks ranging across the elements, certainly an advantageous bunch."

[10/15/2012 11:00:04 PM] Andrew Cornell: "However, they'll usually scan their targets first and then attack, so we would have theoretically more time against it."

[10/15/2012 11:00:10 PM] Lëvîty: Levan attacks dragon with flame lance also typo

[10/15/2012 11:00:49 PM] Lewot: Levan slays the Fissile Dragon with the Flame Lance

[10/15/2012 11:00:54 PM] Andrew Cornell: "It can use PK Fire, Thunder, Freeze, Starstorm, and VimUp, as well as a gust of wind, Leech Seed, and it can even Electrify itself for protection!"

[10/15/2012 11:01:00 PM] Lewot: and he revives to 10 HP with a Life Shroom!

[10/15/2012 11:01:03 PM] Andrew Cornell: "Its most deadly attack is summoning an army of dirt mummies."

[10/15/2012 11:01:17 PM] Andrew Cornell: "I don't know about you guys, but I'd be concerned about those mummies."

[10/15/2012 11:01:25 PM] Andrew Cornell: I look up and see the dragon is still standing.
[10/15/2012 11:01:37 PM] Andrew Cornell: "...of course it wouldn't be that easy."
[10/15/2012 11:02:11 PM] Andrew Cornell: Looking back down at the book, I read out, "And it is a flying creature, so bows do more damage."
[10/15/2012 11:02:17 PM] Andrew Cornell: "That's the story on the Seti."
[10/15/2012 11:02:49 PM] Knarrenjay: Jay remains not alive.
[10/15/2012 11:03:09 PM] Lewot: Jay~ HP 0/25, VP 16/30, MP 5/5, Dead

[10/15/2012 11:03:50 PM] Lewot: He used PK Thunder, so -2 VP.
[10/15/2012 11:05:59 PM] Lewot: Oh, everyone went.
[10/15/2012 11:06:02 PM] Lewot: Enemy Phase
[10/15/2012 11:06:18 PM] Lewot: the Seti scans Levan.
[10/15/2012 11:06:28 PM] Lewot: The panda snores.
[10/15/2012 11:06:47 PM] Lewot: The Fissile Dragon looks around at the party...
[10/15/2012 11:07:20 PM] Lewot: He uses PK Enlightenment on himself!
[10/15/2012 11:07:30 PM] Lewot: He's reached Nirvana for 3 turns.
[10/15/2012 11:08:08 PM] Lewot: Player Phase

Seti~ HP 19/20, VP 18/20, MP 0
[10/15/2012 11:08:36 PM] Andrew Cornell: "So, the dragon has reached a state of Nirvana..."
[10/15/2012 11:08:46 PM] Andrew Cornell: "Normally, this would mean my psychic attacks wouldn't work on it."
[10/15/2012 11:09:04 PM] Andrew Cornell: "But there's just one minor issue with Nirvana."
[10/15/2012 11:09:12 PM] Andrew Cornell: I use PK Fire Beta on the opposing team again!
[10/15/2012 11:09:31 PM] Andrew Cornell: "It only works on attacks with one target in mind."
[10/15/2012 11:09:33 PM] Lewot: The dragon's eyes widen as he realizes his mistake, and the fire explodes again.
[10/15/2012 11:09:55 PM] Lewot: However, I hadn't subtracted the VP for the first use, so you're

down to 10 VP now.

[10/15/2012 11:10:05 PM] Lewot: Er... or had I?

[10/15/2012 11:10:15 PM] KV: (ooh, ouch, and he's High, too, so he takes more damage from that)

[10/15/2012 11:10:22 PM] KV: (nicely done, Arora)

[10/15/2012 11:10:25 PM] Lewot: Nope, the High wore off when he died.

[10/15/2012 11:10:48 PM] Andrew Cornell: (that's cool, and yeah, you didn't subtract the first time, so I am down to 10 VP)

[10/15/2012 11:10:49 PM] KV: (aw. poop.)

[10/15/2012 11:10:52 PM] Andrew Cornell: (still though)
