[3/3/2014 8:33:06 PM] (◡ ◯ ◡) ◡ ◡ ───┬ Andrew Cornell: I'm eating it right now-OH GOD WHY

[3/3/2014 8:33:11 PM] Oaa Yaak: You have just defeated In Halen.

[3/3/2014 8:33:20 PM] Oaa Yaak: His Venom symbiote peeled off and exploded into nothing.

[3/3/2014 8:33:41 PM] Oaa Yaak: The Kirby half shrunk down to normal Kirby size, and now lies unconscious on the floor, along with Abram and Pidenski.

[3/3/2014 8:33:47 PM] Oaa Yaak: He had coughed up the Blood Orb

[3/3/2014 8:33:58 PM] Oaa Yaak: since we didn't pick someone to grab it, I'll say it also lies on the floor.

[3/3/2014 8:34:12 PM] Oaa Yaak: You all had hit the Heal Block for yourselves, so you're all at full stats.

[3/3/2014 8:34:36 PM] Oaa Yaak: Also, apparently all of In Halen's thrashing had opened back up the locked door, which you had to go through anyway to get to the Heal Block...

[3/3/2014 8:34:45 PM] Killer Velvet: Miles walks forward to pick up the Blood Orb.

[3/3/2014 8:35:02 PM] Oaa Yaak: It shines sinisterly, but doesn't appear to be alive-ish anymore.

[3/3/2014 8:35:10 PM] Oaa Yaak: You guess that all that stuff was the symbiote.

[3/3/2014 8:35:31 PM] Oaa Yaak: I guess you pick it up?

[3/3/2014 8:35:51 PM] Oaa Yaak: Miles acquires the Blood Orb!

[3/3/2014 8:35:54 PM] Oaa Yaak: Er...

[3/3/2014 8:36:07 PM] Oaa Yaak: You do have space in your inventory, yes.

[3/3/2014 8:36:11 PM] Oaa Yaak: It counts as a weapon.

[3/3/2014 8:36:23 PM] Killer Velvet: (I would hope so, with that Strange Sack.)

[3/3/2014 8:36:30 PM] Killer Velvet: (oh)

[3/3/2014 8:36:45 PM] Oaa Yaak: It doesn't react to being picked up.

[3/3/2014 8:37:06 PM] Killer Velvet: Miles inspects it. Even in it's inert state, it still gives him the creeps.

[3/3/2014 8:37:34 PM] Oaa Yaak: As established, it looks kinda like a marble, being red with black swirlies in it.

[3/3/2014 8:38:03 PM] Oaa Yaak: Outside, we had learned that these things are apparently made out of the blood of Jay's slain people...

[3/3/2014 8:38:31 PM] Oaa Yaak: Sir Abram had been trying to get a hold of one because he thought he could find some way to reverse its effects.

[3/3/2014 8:38:41 PM] Killer Velvet: (Whoa, damn, really? I don't remember that at ALL.)

[3/3/2014 8:38:41 PM] Oaa Yaak: Its effects, of course, are to make monsters attack everyone.

[3/3/2014 8:38:52 PM] Oaa Yaak: You were actually gone for that session, I think.

[3/3/2014 8:38:57 PM] Oaa Yaak: Deested.

[3/3/2014 8:38:59 PM] Killer Velvet: (That'd explain it, probably.)

[3/3/2014 8:39:37 PM] Oaa Yaak: Levan's scientist guy had modified the previous Blood Orb so that it could affect humans as well as monsters, unless they knew its name.

[3/3/2014 8:39:44 PM] Oaa Yaak: But that one exploded.

[3/3/2014 8:39:52 PM] (ノ◕◕)ノ ^ \_┌┐ Andrew Cornell: (oh yeah, btw KV, there's an entire subplot you missed because of inactivity, thought you should know)

[3/3/2014 8:40:21 PM] Oaa Yaak: Now that you have one, you can either revive Abram and ask him if he's figured out how to reverse its effects, or you could take it into town and ask around...

[3/3/2014 8:40:35 PM] Oaa Yaak: As for the Kirboid guy, you don't know what he'll do if you revive him...

[3/3/2014 8:41:15 PM] Oaa Yaak: To get out of the castle, you could go all the way through backwards, or you could take that wind tunnel exit that most probably goes to that ceiling room that you had found before entering the front door.

[3/3/2014 8:41:46 PM] Oaa Yaak: Everything's quiet now that In Halen's not stomping around making tremors...

[3/3/2014 8:42:18 PM] Killer Velvet: Miles turns to Jay. "Help me drag Abram over to the Heal Block."

[3/3/2014 8:42:37 PM] Princess Jay: Jay does so.

[3/3/2014 8:42:53 PM] Oaa Yaak: Miles and Jay drag Abram's armored body through the couple of doorways...

[3/3/2014 8:43:28 PM] Killer Velvet: Jay and Miles set Abram down underneath the Heal Block. Miles punches the bottom of the block and backs away swiftly.

[3/3/2014 8:43:42 PM] Oaa Yaak: (With a Weight of 5, he wasn't too hard to drag.)

[3/3/2014 8:44:00 PM] Oaa Yaak: The Heal Block drops its healy sparkles on Abram.

[3/3/2014 8:44:09 PM] Killer Velvet: (but Miles only has a Strength of 3, it would've sucked for him to try.)

[3/3/2014 8:44:13 PM] Oaa Yaak: He slowly gets up.

[3/3/2014 8:44:21 PM] Oaa Yaak: Abram "Hmm... hmm?"

[3/3/2014 8:44:27 PM] Oaa Yaak: He looks around.

[3/3/2014 8:44:44 PM] Oaa Yaak: Abram "Well..."

[3/3/2014 8:45:46 PM] Oaa Yaak: Abram "The behemoth had devoured us whole, I gather. It would appear that you young heroes have surpassed Pidenski and myself in your accomplishments."

[3/3/2014 8:46:01 PM] Oaa Yaak: He looks over at Pidenski.

[3/3/2014 8:46:17 PM] Oaa Yaak: He goes over and starts dragging him, Pegasus and all, to the Heal Block.

[3/3/2014 8:46:30 PM] (ノ ◕◕) ヽ へ ー—— Andrew Cornell: "You flatter us with such high praise," I say.

[3/3/2014 8:46:51 PM] Oaa Yaak: He pulls Pidenski under the Heal Block and hits it.

[3/3/2014 8:47:37 PM] Oaa Yaak: Abram "Flattery my words may be, but the truth shines through them additionally."

[3/3/2014 8:47:54 PM] Oaa Yaak: He sounds like he's trying to conceal some disappointment.

[3/3/2014 8:47:55 PM] (ノ ◕◕) ヽ へ ー—— Andrew Cornell: (that was catchy)

[3/3/2014 8:48:12 PM] Oaa Yaak: Pidenski gets revived...

[3/3/2014 8:48:27 PM] Oaa Yaak: Does anyone do anything about the white Kirby alien?

[3/3/2014 8:48:49 PM] Killer Velvet: Miles walks up to the Kirby thing and kneels down to inspect it.

[3/3/2014 8:49:13 PM] Killer Velvet: He doesn't much care for being attacked again, but Miles gets the feeling that was mostly the fault of the symbiote.

[3/3/2014 8:49:17 PM] Oaa Yaak: Its mouth is open just a little bit, and it no longer appears to have the many sharp fangs or flailing tongue.

[3/3/2014 8:49:46 PM] Killer Velvet: Miles attempts to drag it to the Heal Block, unsure of its weight.

[3/3/2014 8:49:51 PM] Oaa Yaak: Of course, none of you know what a Kirby or a Venom symbiote is, but of course Kirby looks fairly cute and harmless.

[3/3/2014 8:50:31 PM] Oaa Yaak: He turns out to be extremely light, and Miles is able to lift him right up.

[3/3/2014 8:50:42 PM] Oaa Yaak: (1)

[3/3/2014 8:50:51 PM] Killer Velvet: (I thought so, but y'know.)

[3/3/2014 8:51:24 PM] Killer Velvet: Miles punches the Heal Block, trying to revive the creature.

[3/3/2014 8:51:34 PM] Oaa Yaak: The Heal Block sparkles as usual...

[3/3/2014 8:51:39 PM] Oaa Yaak: He starts to wake up.

[3/3/2014 8:52:46 PM] Oaa Yaak: Kirboid "Where... are we?"

[3/3/2014 8:53:03 PM] Oaa Yaak: Kirboid "Hey... weren't we just fighting you?"

[3/3/2014 8:53:15 PM] Oaa Yaak: Kirboid "We, uh... I... I mean... I?"

[3/3/2014 8:55:58 PM] Killer Velvet: Miles "I'll ah, I'll remember that."

[3/3/2014 8:56:09 PM] Oaa Yaak: Kirboid "Those things... they like... cling to your skin... and they go in your brain... and they..."

[3/3/2014 8:56:26 PM] Killer Velvet: Miles nods. "I think we get the idea. Not a pretty sight."

[3/3/2014 8:57:23 PM] Oaa Yaak: He looks around. "It's really gone?"

[3/3/2014 8:57:48 PM] Oaa Yaak: Abram seems to be whispering to Pidenski.

[3/3/2014 9:01:55 PM] Oaa Yaak: Abram "In addition to that monstrous symbiotic lifeform, you had bonded with an artifact of black magic entitled a Blood Orb."

[3/3/2014 9:02:32 PM] Killer Velvet: Miles holds it out, right on cue.

[3/3/2014 9:02:44 PM] Oaa Yaak: Abram "This stalwart company in addition to myself and my

[3/3/2014 9:02:58 PM] Oaa Yaak: He looks at the Orb.

[3/3/2014 9:03:26 PM] Killer Velvet: (I'm calling it now, Abram and Pidenski are the masterminds behind this whole thing.)

[3/3/2014 9:03:57 PM] Oaa Yaak: Abram "As to that notion, Master Burgess, have you any experience with Spell Cards?"

[3/3/2014 9:04:55 PM] Killer Velvet: "Umm, a bit, I guess. I mean, I used one against that huge alien monster thing, I think."

[3/3/2014 9:05:14 PM] Oaa Yaak: Jack blushes a little.

[3/3/2014 9:05:36 PM] Oaa Yaak: Abram "Indeed... In my journeys, I acquired one such slip, here..."

[3/3/2014 9:05:40 PM] Oaa Yaak: He pulls out a card.

[3/3/2014 9:06:02 PM] Oaa Yaak: Abram "The spell is entitled Antithesis. I am uncertain of its effects."

[3/3/2014 9:06:12 PM] Oaa Yaak: Abram "By the name, however..."

[3/3/2014 9:06:26 PM] Killer Velvet: Miles tilts his head, puzzled.

[3/3/2014 9:08:56 PM] Oaa Yaak: Pidenski is not paying attention.

[3/3/2014 9:09:28 PM] Oaa Yaak: Abram "Ah, but had your master defeated the dreaded Monster King? Or navigated the Seraph Woods?"

[3/3/2014 9:10:55 PM] Oaa Yaak: Abram "I am sincere when I say that your party has achieved more impressive feats than Pidenski and I."

[3/3/2014 9:11:50 PM] Oaa Yaak: Jack kinda gravitates toward Levan. Pidenski watches as he moves.

[3/3/2014 9:12:11 PM] Killer Velvet: Miles hesitantly reaches for the spell card.

[3/3/2014 9:12:26 PM] Killer Velvet: "Alright, um.."

[3/3/2014 9:12:33 PM] Oaa Yaak: Abram "Of course, again, I cannot predict the result of the spell..."

[3/3/2014 9:12:37 PM] Killer Velvet: "Maybe you guys should stand back. None of us really know what's gonna happen here."

[3/3/2014 9:12:44 PM] Oaa Yaak: Abram nods. "Indeed."

[3/3/2014 9:12:49 PM] Oaa Yaak: He moves back a bit.

[3/3/2014 9:12:55 PM] Oaa Yaak: Jack hides behind Levan.

[3/3/2014 9:13:03 PM] Oaa Yaak: Pidenski still watches Jack.

[3/3/2014 9:13:14 PM] Oaa Yaak: Abram moves forward again and pulls Pidenski back.

[3/3/2014 9:13:37 PM] Killer Velvet: Miles takes a couple steps away from the group, just in case.

[3/3/2014 9:13:51 PM] Killer Velvet: He takes a deep breath, then holds the Antithesis card and the Blood Orb high in the air.

[3/3/2014 9:14:18 PM] Oaa Yaak: The Orb glows...

[3/3/2014 9:14:36 PM] Oaa Yaak: The Orb slowly rises out of Miles' hand.

[3/3/2014 9:15:10 PM] Oaa Yaak: It flies in circles around everyone but Abram and Pidenski, creating a red forcefield trapping you all! Then it flies into Abram's hand!

[3/3/2014 9:15:14 PM] Oaa Yaak: Abram "Yes!"

[3/3/2014 9:15:44 PM] Oaa Yaak: Abram "Yes, you have accomplished more than us! I have had it up to here with your upstaging!"

[3/3/2014 9:16:29 PM] Oaa Yaak: Abram "You may have already damaged the plan beyond repair..."

[3/3/2014 11:57:11 PM] Killer Velvet: Miles punches Rammen lightly on the arm.

[3/3/2014 11:57:18 PM] Killer Velvet: Miles buys one for Jack.

[3/3/2014 11:57:40 PM] via "final boss" viata, rutger's hair: "Jack is so cute! I love him... it... it??"

[3/3/2014 11:58:26 PM] Oaa Yaak: Jack "It... him... am I a boy? I guess so."

[3/3/2014 11:58:37 PM] via "final boss" viata, rutger's hair: "Do you think you are one?"

[3/3/2014 11:58:43 PM] Oaa Yaak: Jack "I think so."

[3/3/2014 11:58:56 PM] Oaa Yaak: (Also, Levan has the Witch's Hat. He's clinging to it.)

[3/3/2014 11:58:59 PM] via "final boss" viata, rutger's hair: "I think I am a woman, but in actuality I'm not sure."

[3/3/2014 11:59:01 PM] via "final boss" viata, rutger's hair: (omg)

[3/3/2014 11:59:12 PM] via "final boss" viata, rutger's hair: "But that's just what everyone calls me!"

[3/3/2014 11:59:12 PM] Killer Velvet: (Levan with the Witch's Hat is adorable)

[3/3/2014 11:59:27 PM] Oaa Yaak: So, you each buy him a Super Shroom?

[3/3/2014 11:59:36 PM] via "final boss" viata, rutger's hair: sí

[3/3/2014 11:59:47 PM] Oaa Yaak: And then Save Block in front of Lewot's house, I guess.

[12:01:27 AM] via "final boss" viata, rutger's hair: (heart)

[12:01:31 AM] via "final boss" viata, rutger's hair: cute things

[12:01:49 AM] (ノ °□°) ノ へ ー—— Andrew Cornell: (I'm assuming Jack's a guy, male name and getting called "King" and all...)

[12:02:07 AM] Oaa Yaak: I don't know if Kirby officially has a gender.

[12:02:48 AM] Killer Velvet: the games all say "he"

[12:02:52 AM] via "final boss" viata, rutger's hair: it's kinda funny because I wrote Levan's character before I realized I was trans but she doesn't really actually understand the concept of gender

[12:02:58 AM] via "final boss" viata, rutger's hair: so of course she would ask

[12:03:20 AM] via "final boss" viata, rutger's hair: haha

[12:03:47 AM] Oaa Yaak: She's extracted from a woman, at least

[12:03:52 AM] Oaa Yaak: which will COME UP SOON

[12:04:00 AM] Oaa Yaak: so, I guess game saved...
