

[1:17:23 AM] KV: LET'S PLAY...

[1:17:40 AM] KV: KIRBYVIPER93'S TOTALLY ORIGINAL\* RPG

[1:17:48 AM] Lewot: (blue screen of death)

[1:18:00 AM] KV: \*denotes complete and total irony, if not outright lies

[1:18:02 AM] Aroroaoroa: doodaleedooooooooo, doo-doo-doo-doo-doo doo, doo doooooooooo

[1:18:37 AM] KV: The setting is the Mushroom Republic, formerly known as the Mushroom Kingdom

[1:18:40 AM] KV: the year is 2042

[1:19:18 AM] KV: We join our four heroes in the sprawling urban jungle known as Toad City

[1:19:44 AM] KV: Randl Ringtail, a fist-fighting Tanooki

[1:19:54 AM] KV: Graupel, a snowman brought to life

[1:20:06 AM] KV: Fulgur, a bolt of lightning living inside of a lightning golem

[1:20:15 AM] KV: and Parian, a Shy Guy with some major indecision problems

[1:20:25 AM] KV: we now know our heroes

[1:20:30 AM] KV: but our heroes do not know each other.

[1:20:45 AM] KV: - Toad Rock Bar & Grill, Toad City, sometime last night -

[1:20:59 AM] KV: The bar is rather crowded.

[1:21:27 AM] KV: the four of you are seated in completely different areas of the bar.

[1:21:42 AM] KV: You haven't been there very long, so you haven't had the chance to get drunk yet.

[1:21:55 AM | Edited 1:22:02 AM] Ringtail Randl: ((I'll take a seat by the window! >:3))

[1:22:02 AM] Lewot: Are we all at tables, or is anyone at the counter?

[1:22:20 AM] KV: Randl and Parian are sitting on opposite sides of the counter

[1:22:26 AM] KV: opposite ends, rather

[1:22:33 AM] KV: as the bartender is on the opposite side

[1:22:52 AM] Ringtail Randl: ((True, those two would probably mingle best, makes sense, gahaha.))

[1:23:00 AM] KV: Fulgur is sitting at a table in approximately the center of the bar

[1:23:23 AM] KV: and Graupel is sitting in a booth in the corner of the room

[1:23:44 AM] Lewot: I lift by alcohol with my stick arm and feed it to my nanobots.

[1:23:48 AM] Lewot: my\*

[1:24:25 AM] Aroroaoroa: (maaaaaaan, I am DIGGING this sweet joint! Now if only I could GET MY GRUB ON!!!)

[1:24:44 AM] Aroroaoroa: "Uuuuuuuuggggggghhhhhhh..."

[1:24:50 AM] KV: (Lev went to the bathroom, she said she'd make it quick)

[1:25:09 AM] Ringtail Randl: ((Aw yeah! Would be moreso in on the foods as well!))

[1:25:44 AM] KV: The bartender seems to be busy making drinks.

[1:25:57 AM] KV: You probably can't order any food from him right now and expect results.

[1:26:55 AM] Lewot: I set down my empty mug. "Ah, sustaining yet intoxicating! What will they think of next?"

[1:27:05 AM] Lewot: I look around the bar.

[1:27:24 AM] Lewot: I scratch my chin, wondering about everyone I see.

[1:27:43 AM] Aroroaoroa: (dammit, that bartender's being so slow! I should be munching down on all sorts of delicious foods right now!!)

[1:27:59 AM] KV: Fulgur notices a bowl of pretzels on the table in front of him.

[1:28:00 AM] Ringtail Randl: Ringtail spins on his stool a couple of times and then eyes the pictures on the wall whilst waiting quietly. The silence doesn't last long as Ringtail spins on the stool a couple more times like a child lacking discipline.

[1:28:24 AM] KV: The patron sitting next to Ringtail eyes him curiously.

[1:28:41 AM] Aroroaoroa: (awwww, what? He doesn't expect me to eat pretzels all night, does he?!

Dammit, and I have to reach for em too...)

[1:28:53 AM | Edited 1:29:01 AM] Ringtail Randl: Ringtail stops and grins bashfully.

"Heehee, I'll stop now. My trespass."

[1:28:58 AM] Aroroaoroa: (alright, easy now, easy fella, just reach out nice and gently and SNAG THAT BOWL)

[1:29:15 AM] Aroroaoroa: (that's it...that's nice...)

[1:29:23 AM] Aroroaoroa: (almost got it...)

[1:29:34 AM] Aroroaoroa: "Urrrrrrgh..."

[1:30:07 AM] Aroroaoroa: (SNAG!! SHAZAM!! Time to chow down!!)

[1:30:10 AM] Lëvítý: (Okay back)

[1:30:13 AM] Lewot: <3

[1:30:15 AM] KV: (Welcome back)

[1:30:20 AM] Aroroaoroa: ((yayyyyyy, Levvies!))

[1:30:24 AM] Aroroaoroa: ((<3))

[1:30:47 AM] Lewot: A soft whine begins coming from the area of my head, as if a billion nanobots are having a drunken party.

[1:30:57 AM] Aroroaoroa: "Ummmm nommmm nommmm..."

[1:30:58 AM] KV: (which they probably are)

[1:31:16 AM] Lewot: I slide out of my seat and shuffle toward the counter.

[1:31:24 AM] Aroroaoroa: (HEY!! DON'T EAT THE BOWL!! You'll attract attention to us!!)

[1:32:04 AM] KV: Nobody seems to notice as Fulgur munches on the bowl that previously housed pretzels.

[1:32:18 AM] Aroroaoroa: (awwwww, man, stop it, noooooo)

[1:32:23 AM] Lëvítý: [referred to as 'he' for the time being] Parian's head is on the counter with a half-finished mug of beer set next to his face. He seems more frustrated than drunk.

[1:32:23 AM] Aroroaoroa: "Ommmm..."

[1:33:50 AM | Edited 1:33:55 AM] Ringtail Randl: Ringtail, bored and not wanting to irritate the patron in his presence puts his head down on the counter, eyeing the menu.

Especially the pictures.

His eyes widen as his eyes fixate on what looks like fish and chips on the menu. The picture is on the complete opposite wall, so the rest is left to his imagination.

Without himself noticing, a pool of saliva starts to gather in his arms, like water within a dam.

[1:34:48 AM] Ringtail Randl: Literally. Like water in a dam. There's profuse salivation pooling up here.

[1:34:56 AM] Lewot: I approach the barman. I'll refer to my method of locomotion as shuffling, but it's more descriptive of my body shape than my attitude: I seem to be in a cheerful mood.

[1:35:02 AM] Lëvítý: Parian looks up at Ringtail for a moment.

[1:35:10 AM] Aroroaoroa: (...well, at least no one's gonna notice the missing bowl now)

[1:35:17 AM] Aroroaoroa: "Urrrrrggghhh..."

[1:35:33 AM] KV: The bartender, having just finished the last order placed at the bar, turns to the snowman who has just approached the bar.

[1:35:49 AM] Aroroaoroa: (mannnn, and I'm STILL hungry! Gotta get that barkeep's attention somehow!)

[1:35:49 AM] KV: Bartender "What can I get for you, good sir?"

[1:36:06 AM] Aroroaoroa: (awwww, what?! He's tending to a snowman?!)

[1:36:14 AM] Aroroaoroa: "Urrrrrghhh?"

[1:36:31 AM] Lewot: "Hello again, barmaster! I seem to have run out of that money stuff. I was wondering if you know where I could pick up some more?"

[1:36:42 AM] KV: The barman leans forward to shout at the golem in the center of the bar. "I see you back there! I'll get to you next!"

[1:36:58 AM | Edited 1:37:29 AM] Ringtail Randl: A slow, but quiet enough noise emits from him until he sees the snowman. Cracked out of his daze and sitting up, the literal saliva dam pools out all over the counter and into his lap. He doesn't acknowledge it at all as his ears perk up.

[1:37:00 AM] Aroroaoroa: "Urrrrrghhhhh..."

[1:37:08 AM] Aroroaoroa: (Geez, it's like he KNOWS)

[1:37:27 AM] KV: He turns back to the snowman. "Well, there's an ATM just out in the lobby, so if you need to go make a withdrawal..."

[1:38:11 AM] Lewot: "Oooh, an Atomic Trivector Mapper? Neat!"

[1:38:30 AM] KV: Bartender "An atomic what? No no, an Automatic Teller Machine."

[1:38:50 AM] Lewot: "Oh, I see. What does it tell you about?"

[1:39:04 AM] KV: Bartender "I... uh, hmm."

[1:39:09 AM] Lëvîty: "Fuck." He utters the explicative actually rather loudly and then tips an invisible hat. He's not sure how much he's been drinking.

[1:39:21 AM] Lëvîty: He stands up from his seat.

[1:39:32 AM] KV: The bartender seems rather perplexed by the question.

[1:39:47 AM] Ringtail Randl: Ringtail starts to continuously snicker beneath his breath as he listens in on the conversation at hand, caring not if he disturbs his neighbors at this point.

[1:39:53 AM] Aroroaoroa: (yeesh, and I thought I had problems)

[1:40:27 AM] Lëvîty: Parian strolls up towards Ringtail in a casual fashion.

[1:40:27 AM] Aroroaoroa: (...although how many people even know I've been out wandering the wilderness for GRAMBI KNOWS HOW LONG)

[1:40:44 AM] Lewot: My head spins to watch Parian walk by.

[1:40:48 AM] Aroroaoroa: "Arrrrrrrrrrgh...."

[1:41:26 AM] KV: "I guess it tells you how much money is in your account. Assuming you've got an account with World 1-1 Bank, that is."

[1:41:55 AM] KV: "Now if you'll excuse me, I must tend to this large gentleman back here, he looks a bit hungry."

[1:42:18 AM] KV: The bartender cranes his neck to call to Fulgur again. "Can I help you, sir? I notice you've eaten that entire bowl of pretzels."

[1:42:26 AM] Lewot: "Oh my, an account for money... but where do I get the money to put into it?" I muse to myself.

[1:42:31 AM] Ringtail Randl: Out of the corner of his eye he stops and acknowledges the lifeform approaching him, his eyebrows hover above his eyes, obviously attentive, but saying naught.

[1:42:39 AM] Aroroaoroa: (and the bowl too...)

[1:42:46 AM] Aroroaoroa: "Urrrrrrrrrrrrgh..."

[1:42:53 AM] Aroroaoroa: (okay, now how do I ask for a menu...)

[1:43:03 AM] Lëvîty: "I'm hearing a lot of moaning and it's making me restless."

[1:43:24 AM] Lëvîty: He turns to Ringtail again, seeming almost intrigued.

[1:43:38 AM] Aroroaoroa: (uhhhh, point to the snowman maybe?)

[1:43:46 AM] Aroroaoroa: "Urrrrrrrrrrrrrooo?"

[1:44:19 AM] KV: The bartender places a menu in front of Graupel. "While you're pondering your monetary situation, could you pass that back to the golem behind you? He looks a bit hungry."

[1:44:44 AM] Lewot: "Oh, certainly!"

[1:44:50 AM] Aroroaoroa: (STOP TENDING TO THE SNOWMAN, I'M STARVING HERE!!)

[1:45:01 AM] Aroroaoroa: (I'LL EAT THE TABLE NEXT, YOU KNOW I CAN DO IT!!)

[1:45:06 AM] Aroroaoroa: "Urrrrrrrrrrghhhhhh..."

[1:45:11 AM] Lewot: I squish my body against the counter and absorb the menu into it.

[1:45:21 AM] KV: Bartender "Uh..."

[1:45:23 AM] Lewot: Then I shuffle over to the golem.

[1:45:26 AM] Aroroaoroa: (...WHAT THE HELL?!)

[1:45:36 AM] Aroroaoroa: (what is WITH this snowman?!)

[1:45:45 AM] Aroroaoroa: "Ooooooorrgh?"

[1:45:47 AM] KV: The bartender mutters to himself. "Whatever, as long as he gets the menu."

[1:45:47 AM] Ringtail Randl: "Oh, terribly sorry, that might've been me."

Just as Ringtail answered, a stomach rumble, or possibly a bowel movement, that sounded eerily like drunken mumbling occurred quite audibly.

"Last thing I ate was a piece candy." he paused a moment.

"Well, it tasted like candy, it was awfully loud and silverly, though. Not very filling, neither." he finished, clearly describing a candy wrapper.

[1:45:55 AM] Lewot: I retract my stick and dispense the menu.

[1:46:11 AM] Aroroaoroa: (...huh)

[1:46:21 AM] Aroroaoroa: (well, I guess I'll just take that then!)

[1:46:24 AM] Aroroaoroa: (yoink!)

[1:46:28 AM] Lewot: "Here you are, dear fellow!"

[1:46:36 AM] Aroroaoroa: (IT CAN TALK?!)

[1:46:37 AM] Lëvîty: Parian watches the snowman and the way it retrieves items.

[1:46:46 AM] Aroroaoroa: (okay, don't panic, just say thank you or something...)

[1:46:49 AM] Lewot: "By the by, you appear to be of great archeological significance."

[1:46:56 AM] Aroroaoroa: (...wait a minute, I CAN'T EVEN SPEAK!!)

[1:46:56 AM] Lëvîty: "Man, it's a talking snowman." He still does not know how much he has been drinking.

[1:47:00 AM] Aroroaoroa: "Urrrrrrrrrrrrrrghh..."

[1:47:10 AM] KV: (I suppose I should note, this all happens as something of a prologue, so you have a vague amount of money on you right now, but by the time you wake up the next morning, you'll all be broke)

[1:47:29 AM] Lewot: Ah, okay, well, I guess I'm broke a little early.

[1:47:43 AM] Ringtail Randl: "Psst, hey buddy, you seein' what I'm seein', too?" Ringtail nudges Parlian and points--his finger clearly turning into a literal arrow, like a road sign, to avert attention.

[1:48:16 AM] Aroroaoroa: (okay, uhhhh, just gonna ignore the freaky snowman and order some food...)

[1:48:22 AM] KV: The bartender, hating his job a bit, walks down to Ringtail's end of the bar to sop up the puddle of drool he left earlier

[1:48:28 AM] Aroroaoroa: (what's even on this menu?)

[1:48:38 AM] Lewot: I stick my stick arm back out as the golem takes the menu.

[1:49:08 AM] KV: Fulgur notices a variety of bar foods, including nachos, wings, fish and chips,

[1:49:16 AM] KV: but not much in the way of real sustenance.  
[1:49:27 AM] Aroroaoroa: (oh maaaaaaan, this all looks SO GOOOOOOOD)  
[1:49:43 AM] KV: (just my way of saying nothing you buy tonight is gonna carry over)  
[1:49:47 AM] Lewot: I look around, unsure what to do next.  
[1:49:53 AM] Lëvîty: Parian eyes the food and then decides to ask the bartender is there are any giant pretzels.  
[1:49:56 AM] Aroroaoroa: (although I wonder where a "nachos" comes from)  
[1:50:11 AM] Aroroaoroa: (what with wings from birds, fish from the sea, chips from suits of armor...)  
[1:50:22 AM] Aroroaoroa: (alright, TIME TO ORDER ME SOME NACHOS!!)  
[1:50:30 AM] Aroroaoroa: "Urrrrrrrrrrrrghhh..."  
[1:51:02 AM] KV: The bartender looks up from cleaning Ringtail's drool. "Have you decided what you'd like?"  
[1:51:19 AM] Aroroaoroa: (OF COURSE I HAVE, GIVE ME THEM NACHOS!!)  
[1:51:30 AM] Aroroaoroa: "Urrrrrrrrrrrrrrghhhoooooooo..."  
[1:51:52 AM | Edited 1:52:14 AM] KV: A Tanooki sitting close to the center of the counter starts eyeing Randl suspiciously... and a bit unsteadily.  
[1:53:01 AM] KV: The bartender turns to Parian. "Excuse me, could you ask that golem back there just exactly what it is he wants? I can only get so much meaning from his groans."  
[1:53:25 AM] Aroroaoroa: (DAMMIT, WHY CAN'T I SPEAAAAAAAK)  
[1:53:35 AM] Lewot: I begin humming. <http://www.youtube.com/watch?v=jqikR1ABi-w>  
[1:53:36 AM] Aroroaoroa: "Urrrrrrrrghhh..."  
[1:54:00 AM] Ringtail Randl: Ringtail's ears perk up as he hears the serving of precious foodstuffs being mentioned. In Ringtail's world, the angels sang and the chorus drowned out any distractions around him. He bounced on the stool, not so patiently waiting for the preemptive patrons before him.  
[1:54:24 AM] Aroroaoroa: (oh great, NOW what...)  
[1:55:20 AM] KV: Bartender "And no, I'm afraid we're out of giant pretzels."  
[1:55:25 AM] Ringtail Randl: After a few moments, he stopped. He flicked the bottom of his satchel to double check.

A faint sound of currency jingled around, no mistaking it! He was going to eat proper today--and nothing questionable, neither!

[1:56:17 AM] Lëvîty: "... Who ate all the giant pretzels?"  
[1:56:27 AM] Lëvîty: "I am going to murder them."  
[1:56:33 AM] Lëvîty: "Personally."  
[1:56:56 AM] KV: Bartender "Somebody a couple nights ago. We haven't had a new shipment in yet."  
[1:57:53 AM] Aroroaoroa: (geez, can't I just get some nachos?)  
[1:57:58 AM] Aroroaoroa: "Urrrrrrrrrgaaahhhhhh...)"  
[1:58:04 AM] KV: "We do have mozzarella sticks, though, if you need some alternate nourishment. In the meantime, can you please ask that big guy back there what he wants?"  
[1:58:11 AM] Aroroaoroa: (...wait a minute, I'm stupid, POINT TO THE NACHOS!!)  
[1:58:22 AM] Aroroaoroa: "Urrrrrrrrrrrrghoooooooo..."  
[1:58:27 AM] Lewot: I start shuffling in the direction of a mushroom-shaped lamp.  
[1:58:30 AM] Lëvîty: He turns to the golem. "Hey man, what do you want?"  
[1:58:39 AM] Aroroaoroa: (I WANT SOME FUCKING NACHOS)  
[1:58:45 AM] Aroroaoroa: "Urrrrrrraarrrrrrghoooooooo..."  
[1:59:03 AM] Lëvîty: Parian tilts his head.  
[1:59:14 AM] Aroroaoroa: (I'M POINTING RIGHT AT THEM!!!)

[1:59:27 AM] Aroroaoroa: "Urrrrrrrrrrrrghooooo..."  
[1:59:30 AM] Lëvîty: "Oh, nachos?"  
[1:59:34 AM] Aroroaoroa: (YES!!)  
[1:59:38 AM] Aroroaoroa: "Raahhhh!"  
[1:59:44 AM] Lëvîty: "Uh... I think he is gesturing towards the nachos."  
[1:59:48 AM] Lëvîty: "He? She?"  
[1:59:51 AM] Aroroaoroa: (YES!!!!!!)  
[1:59:56 AM] Aroroaoroa: "Raaaahhhhh!"  
[1:59:59 AM] Lëvîty: "It."  
[2:00:01 AM] KV: The bartender leans through the door leading back into the kitchen. "Nachos!"  
[2:00:12 AM] Aroroaoroa: (OHHHHHH YEAHHHHHHHHHH!!!!!!)  
[2:00:18 AM] Aroroaoroa: "Rrrrraaaaaaahhhhhh!!!"  
[2:00:34 AM] KV: The patron Randl had confused and disgusted earlier with his antics decides to leave a bit early. A seat is now open at the counter.  
[2:00:38 AM] Lëvîty: "Get me some mozzarella sticks while you're at it, please," he mentions to the bartender.  
[2:00:53 AM] Lewot: I turn my head backwards to look at the golem's roar, but keep moving in the same direction.  
[2:00:55 AM] KV: Bartender "If you'd like to come up to the counter, those nachos will be ready for you in just a minute."  
[2:01:15 AM] KV: He leans back into the kitchen again. "Mozz!"  
[2:01:26 AM] Ringtail Randl: "Ooh, ooh, hey!" Ringtail knocked a few times on the counter with his ring finger to try and steal the proprietor's attention for a moment.

"Yo, barkeep, what's this here?" Ringtail asked the proprietor, pointing to an item that was clearly not what he was eyeing moments earlier.

[2:01:47 AM] Aroroaoroa: (Finally!)  
[2:01:53 AM] Aroroaoroa: "Raaahhhh..."  
[2:01:58 AM] Lewot: I reach the lamp and stare at it in fascination.  
[2:01:59 AM] KV: Bartender "That would be our specialty hot wings."  
[2:02:10 AM] Aroroaoroa: (alright, just like we've been practicing for the past...)  
[2:02:12 AM] Ringtail Randl: "Noooo, not that. That!" he said, pointing across the bar at the pictures of the specials. This could easily be mistaken again for hot wings.  
[2:02:20 AM] Aroroaoroa: (...oh man, how many days has it been?)  
[2:02:32 AM] Aroroaoroa: (well, I guess I better start with standing...)  
[2:03:04 AM] Aroroaoroa: (easy now, eeeeeassyyyy...)  
[2:03:10 AM] KV: Bartender "Uhh, I'm not sure what you're pointing to exactly. Those look an awful lot like hot wings."  
[2:03:22 AM] Lëvîty: Parian is rather short and stubby because he is a Shy Guy and he looks up towards the counter.  
[2:03:26 AM] Aroroaoroa: (...well that's gone better than the last few times.)  
[2:03:29 AM] Aroroaoroa: (starting to get the hang of this body!)  
[2:03:36 AM] Aroroaoroa: (alright, now just walk forward...)  
[2:03:45 AM] KV: (Shy Guys don't have to be short and stubby. Some time has elapsed, species as a whole have shot up)  
[2:03:45 AM] Aroroaoroa: "Urrrrrrrrrh..."  
[2:03:52 AM] Aroroaoroa: (and quit moaning! geez!)

[2:04:02 AM] Aroroaoroa: (alright, one step at a time...)  
[2:04:16 AM] Aroroaoroa: (go right up to the counter...)  
[2:04:24 AM] Aroroaoroa: (almost...)  
[2:04:40 AM] Aroroaoroa: (...wait a minute, how do you sit on these things?)  
[2:04:51 AM] KV: The Tanooki sitting in the center of the bar mutters something to his friends who are seated on either side of him.  
[2:04:57 AM] Lewot: "...60 watts!" I exclaim suddenly, still looking at the lamp.  
[2:05:03 AM] Aroroaoroa: (I'll probably crush it just by sitting down!)  
[2:05:08 AM] Lëvîty: (But it would make him really cuteee ;-; )  
[2:05:16 AM] KV: (I'm just sayin' =P)  
[2:05:49 AM] Aroroaoroa: (gaaahhhh, these lightweights don't know how good they have it!)  
[2:06:05 AM] Aroroaoroa: (...although come to think of it, that chair at the table managed to hold up well)  
[2:06:15 AM] Aroroaoroa: (...oh, what the hell, just mimic the people!)  
[2:06:26 AM] Aroroaoroa: "Rahh..."  
[2:06:27 AM] Lëvîty: Parian proceeds to stare at the golem now.  
[2:06:31 AM] KV: His friends, a young man wearing a white-and-red spotted beanie and a rather burly guy in a football jersey with the number 42 on it, start glaring over at Randl and company  
[2:06:31 AM] Lëvîty: He is interested.  
[2:06:40 AM] Ringtail Randl: Ringtail sat there, still eagerly pointing across the bar to find out the name of what he desired--which wasn't exactly an accurate point, about six yards across the bar. It for sure would be mistaken for something NOT Fish n' Chips.  
[2:07:12 AM] Aroroaoroa: (easy, easy...)  
[2:07:24 AM] Aroroaoroa: (okay, and now we just sit down like the chair...)  
[2:07:30 AM] KV: The bartender pulls out a smaller menu and slides it over to Randl. "Point to it on here."  
[2:07:40 AM] Aroroaoroa: (aaaaaaand there we go!)  
[2:07:46 AM] Aroroaoroa: (I think I got it!)  
[2:07:46 AM] Lewot: I turn around, looking for a new subject of interest.  
[2:08:05 AM] KV: A voice calls from the kitchen. "Nachos and mozz are up!"  
[2:08:14 AM] Lewot: I look up.  
[2:08:25 AM] Aroroaoroa: (ALRIGHT!!)  
[2:08:29 AM] Aroroaoroa: "Raaaahhhh!"  
[2:08:32 AM | Edited 2:08:50 AM] Ringtail Randl: "Oh man, I'll get it this time, promise!" he said as he placed the menu handed to him down.

Ringtail's arm unnaturally stretches about six yards across the bar to touch the picture of the Fish n' chips with his index finger. It would arc over a few people's heads and around some shoulders as to not bump them.

"THAT! How much is it, good sir?"

[2:08:33 AM] Lewot: I scan the ceiling.  
[2:09:09 AM] Lewot: I fail to notice the stretching arm due to my search for food on the ceiling.  
[2:09:14 AM] KV: The bartender seems slightly alarmed, but recovers quickly. "The Fish 'n Chips? 6 dollars."  
[2:09:31 AM] Lëvîty: Parian's not-as-small-as-expected size allows him to reach the counter, and he yawns.

[2:09:49 AM] KV: He turns around to grab the mozzarella sticks and nachos, then ducks underneath Randl's incredibly outstretched arm to place the food items in front of their respective requestees.

[2:09:57 AM] KV: Bartender "Here you are, folks."

[2:10:13 AM] Aroroaoroa: (...wait a minute, what is this supposed to be?)

[2:10:15 AM] Lewot: I look at the food being set on the counter.

[2:10:20 AM] Aroroaoroa: (this is "nachos"?)

[2:10:27 AM] Ringtail Randl: "I'll take that please!" He said, more giddy than ever.

"Also, I-I'll tip, sorry for that.." he said, watching as the barkeep set aside the drooly towel.

His arms slowly retracted back to it's original shape as he winds his arm around a little.

[2:10:45 AM] Aroroaoroa: (it looks like some kind of flaky thing with a melty gooey thing on top)

[2:10:51 AM] Aroroaoroa: (and what are these green things supposed to be?)

[2:10:54 AM] KV: Bartender "I've cleaned up more disgusting fluids than drool, I promise."

[2:11:20 AM] Aroroaoroa: (\*sigh\* oh well, how bad could it be?)

[2:11:26 AM] Lewot: "Ooh, what kinds?" I shout.

[2:11:26 AM] Aroroaoroa: "Rarrrrgh..."

[2:11:31 AM] KV: Before anyone can start on their food, the Tanooki gets up from his seat, his two buddies not far behind.

[2:11:37 AM] Ringtail Randl: "I'll tip, eheheheh..." he said, looking into his satchel, only about \$9. He would just give it all, having nothing at all would probably be a good stimulus to get involved in this unfamiliar community.

[2:11:46 AM] KV: He looks right at Ringtail.

[2:12:00 AM] KV: Tanooki "I know you from ssssomeplace..."

[2:12:41 AM] Aroroaoroa: (huh?)

[2:12:47 AM] Aroroaoroa: (what's going on over there?)

[2:12:55 AM] Ringtail Randl: Ringtail glances up, satchel withdrawn quickly.

"Sorry, bruv, I've been on the road awhile, seen a lot of faces, I have. Have we met?" he said with a generally friendly demeanor.

[2:13:13 AM] Lëvítý: Parian pays for his food etc etc and then he stumbles around in the background.

[2:14:15 AM] KV: Tanooki "Awwwwful familiar..."

[2:14:46 AM] KV: The Chuck in the football jersey speaks up. "Heya Todd! Ain't he that one Tanooki from that troupe?"

[2:15:09 AM] KV: Toad " 'Ey, you're right! Looks just like 'im!"

[2:15:24 AM] Ringtail Randl: Ringtail's eyebrows slowly descend and arc inward as "troupe" is said.

[2:15:34 AM | Edited 2:15:42 AM] Ringtail Randl: "Now, now, aye, honest mistake. Could be anyone, hear?"

[2:15:52 AM] KV: Parian tries to walk away from the bar, but the hostile group seems to be blocking his way.

[2:16:04 AM] KV: Tanooki "Ohhh, I don't think so."

[2:16:29 AM] KV: Tanooki "There weren't a lot of Tanooki with faces like yours. Memorable faces."

[2:16:46 AM] KV: Toad " 'Ey Todd, if this is that Tanooki..."

[2:16:58 AM] KV: Chuck "Didn't you say if you ever saw him, you'd-"

[2:16:59 AM] Aroroaoroa: (oh fun, chitter-chatter while I snicker-snacker)

[2:17:04 AM] KV: Tanooki "I know what I said!"

[2:17:09 AM] Lewot: I remain ignorant to the tension building.

[2:17:17 AM] Aroroaoroa: (well, I guess I'll just ignore them and get right to these interesting nachos...)  
[2:17:18 AM] Ringtail Randl: Ringtail stands up, the lighthearted demeanor starting to quickly fade.  
His six-foot stature usually towering over most.

"Aye?"

[2:17:24 AM] KV: The Tanooki pulls out a folding knife.

[2:17:34 AM] Lëvîty: "Is this a Tanooki mafia or something?"

[2:17:58 AM] KV: The bartender quickly shouts at him. "HEY! This is no place for that! If you're gonna fight, you take it outside before I call the police!"

[2:18:10 AM] Lewot: "Ooh, a fight?"

[2:18:10 AM] Aroroaoroa: (wait a minute, fight?)

[2:18:14 AM] Aroroaoroa: "Urrrgh?"

[2:18:22 AM] KV: The Tanooki fiddles with the knife, not unfolding it just yet

[2:18:37 AM] KV: Tanooki "You heard him, boys. Let's take it outside."

[2:18:38 AM] Lewot: I shuffle a little closer to get a better look.

[2:18:49 AM] Lëvîty: Parian scuttles past them to the exit.

[2:18:54 AM | Edited 2:19:11 AM] Ringtail Randl: Just as the bartender speaks, Ringtail reels back and deposits his hands into his pockets, slowly sliding them over his brass knuckles, but keeping them covered.

[2:19:18 AM] KV: The Toad grabs Parian by his collar. "Oh no. We saw you associating with him. You're involved now too."

[2:19:29 AM] KV: The Chuck starts shoving Fulgur out the door as well.

[2:19:41 AM] Aroroaoroa: (whoa, hey, what the, GET OFF ME!!)

[2:19:44 AM] Lewot: "Wow, associates!"

[2:19:47 AM] Aroroaoroa: (AT LEAST GIVE ME MY NACHOS!!)

[2:19:54 AM] Aroroaoroa: "Rrrrrrrrrrrrgarghhh!!"

[2:20:05 AM] KV: The bartender quietly puts the nachos and mozzarella sticks under the bar for safekeeping.

[2:20:23 AM] Aroroaoroa: (THOSE NACHOS BETTER BE WORTH IT, BARKEEP!!)

[2:20:28 AM] Aroroaoroa: "Rrrrrrrrrrrghrrrrr!"

[2:20:41 AM] KV: The gang of three drag Ringtail, Parian, and Fulgur outside to the alley, with Graupel following along.

[2:20:44 AM] Ringtail Randl: "Sorry for the trouble barkeep!" Ringtail shouted, throwing the satchel of currency to the counter.

"Might not be needin' this." he said, strolling out toward the exit, hands still in pockets, with his hands in his brass knuckles.

[2:21:14 AM] KV: The Chuck disappears for a moment. A faint honking sound can be heard, then the screech of tires.

[2:21:30 AM] KV: He re-enters the alley with a stop sign in hand.

[2:21:44 AM] KV: Tanooki "You, Tanookiguy..."

[2:21:49 AM] Lewot: "I had no idea association covered the interaction of... Ooh, a car!"

[2:22:00 AM] Aroroaoroa: (what kind of sick prank is this?!)

[2:22:03 AM] KV: With a deft movement, he unsheaths his folding knife.

[2:22:05 AM] Aroroaoroa: "Urrrrrrrgh..."

[2:22:12 AM] KV: Tanooki "You shouldn't be alive."

[2:22:31 AM] KV: The group seems to be swaying ever so slightly. They must be a bit drunk.

[2:22:44 AM] Ringtail Randl: Ringtail shrugged, hands in pockets, saying nothing, observing their states silently.

[2:22:45 AM] Aroroaoroa: (well yes, technically the golem shouldn't be alive, but that's why-ohhhh, you meant the raccoon thing...)

[2:23:05 AM] Aroroaoroa: (and what's with that swaying nonsense?)

[2:23:12 AM] Aroroaoroa: "Urrrrrrrrrrgh..."

[2:23:36 AM] Lëvîty: Parian is quiet because he seems to be thinking hard about something as he stares at the hostile group.

[2:23:37 AM] Ringtail Randl: "Aye, my own mama dearest told me I was always the lucky one, gahahaha.." he said directly toward his aggressor.

[2:23:38 AM] KV: The Toad pulls a collapsible spear from his vest.

[2:24:01 AM] KV: Tanooki "I'm gonna finish the job that your old friends started."

[2:24:08 AM] Aroroaoroa: (good grief, what's with all the weapons?!)

[2:24:09 AM] KV: He lunges at Randl.

[2:24:15 AM] KV: Battle Initiated!

[2:24:18 AM] Aroroaoroa: (AND WHY THE HELL DID I GET DRAGGED INTO THIS MESS?!)

[2:24:23 AM] Aroroaoroa: "RAAARRRRRRRGHHH!!"

[2:24:24 AM] Lewot: "Oh, of course, a job. That's where money--oh my!"

[2:25:01 AM] Lewot: "Booting combat processing software... Please enter your password. Password accepted. Loading options... Ready to rumble!"

[2:25:08 AM] KV: (lemme just get them stats ready)

[2:25:47 AM] Ringtail Randl: "Oi, you three, sorry about this! Gahaha." he said, quickly pulling the brass knuckles from his pockets and holding his hands at his sides, appearing callous, but eyes at an odd focus.

[2:26:01 AM] KV: Fulgur - 20 HP, 10 MP, 10 SP

[2:26:26 AM] KV: Drunken Tanooki made a First Strike!

[2:26:30 AM] Aroroaoroa: (ohhh, that thing thinks he's sorry NOW, if I don't get those nachos, I'm just gonna-)

[2:26:38 AM] Aroroaoroa: "Arrrrrrrrrrrrgh..."

[2:26:57 AM] KV: The Tanooki lunges at Ringtail...

[2:27:01 AM] KV: and misses!

[2:27:16 AM] KV: Player Phase

[2:27:18 AM] Lewot: I turn to the others. "Say, barmates, hold your actions for a moment! I can analyze one of the opponents for potential weaknesses. Now, who to choose..."

[2:27:34 AM] KV: (remember, talking is a free action)

[2:27:48 AM] Ringtail Randl: "Careful! Ye'll poke yer eye out, son! Kehehe!" Ringtail said, only making a slight strafe.

[2:27:59 AM] Aroroaoroa: (weaknesses? that's a thing?)

[2:28:17 AM] Aroroaoroa: (awww, who cares who he chooses, I'll thrash em all anyway!!)  
[2:28:21 AM] Aroroaoroa: "Rarrrrghh..."  
[2:28:57 AM] Lewot: "Mr. Tanooki, would you perhaps be familiar with the general abilities of your species? In which case, perhaps I should select one of the other opponents?"  
[2:29:26 AM] Ringtail Randl: "Can't tell ya much Frosty, just leave the stripes fer me, hear?"  
[2:29:44 AM] KV: (You can all basically move in any order)  
[2:29:52 AM] Lewot: "Oh yes, my auditory receptors are functioning optimally."  
[2:30:05 AM] Lëvîty: (what role am I)  
[2:30:05 AM] KV: (though it'd probably be wise to let Graupel use Tattle first)  
[2:30:23 AM] Lewot: "Well, how about the relatively large one? He looks unfamiliar."  
[2:30:26 AM] KV: Parian's role for this battle is Thief!  
[2:30:33 AM] Lewot: I use Tattle on the Chuck.  
[2:31:48 AM] Lewot: I examine his bodily structure and simultaneously use the bar's wifi to Google the average specs of his species.  
[2:32:37 AM] Lëvîty: Parian stares extremely hard at the Toad. He seems to feel rather uncomfortable.  
[2:33:15 AM] Aroroaoroa: (whoa, I didn't know he could do that...)  
[2:33:25 AM] Aroroaoroa: (that's definitely one interesting snowman)  
[2:33:30 AM] Aroroaoroa: "Urrrrgh..."  
[2:33:33 AM] Ringtail Randl: [Obnoxious Audit > Drunken Tanooki]

"Oi! Hey you! Call yerself a tanooki!? With them ragged stripes and smeared muzzle, I coulda sworn ye were a badger!!"

Randl proceeds to change the shape of his face into a seriously poorly caricatured face of the Drunken Tanooki focusing on features that would clearly mock him--just long enough to irritate the foe.

"Ye screwed up yer first chance! Don' muck it up again 'fore I die of boredom here!"

[2:34:15 AM] KV: The Tanooki starts to get even more pissed off..  
[2:34:21 AM] Lewot: "Associates! According to my calculations, we should refer to that brute as Shit-Faced Chuck!"  
[2:34:22 AM | Edited 2:34:33 AM] KV: Drunken Tanooki is now Enraged at Ringtail!  
[2:34:41 AM] Lewot: "He has 35 HP, but zero MP and SP."  
[2:35:10 AM] Aroroaoroa: (...pffffff ahahahahaha)  
[2:35:19 AM] Lewot: "Attack Power 2, Magic Power 1, Defense Power 1, Brain Power 0."  
[2:35:23 AM] Aroroaoroa: (Shit-Faced Chuck? I'd almost feel bad messing him up!)  
[2:35:34 AM] Ringtail Randl: (S'against code for me to change my shape to attack 'em. Which is just as well, I barely even remember how to imitate my tools!)  
[2:35:58 AM] Lewot: "The Stop Sign he's holding has the characteristics of a Hammer-class weapon!"  
[2:36:39 AM] Lewot: "He can also Charge his power, or smack our weapons out of our hands!"  
[2:37:22 AM] Lewot: "At times, he can strike four times per turn, but because of his drunken state, the accuracy will be very poor."  
[2:37:41 AM | Edited 2:37:49 AM] KV: (Uhh, actually, it's one reeeally powerful swing for 4x his Attack)  
[2:37:48 AM] Lëvîty: "I am not saying anything because I am obviously making deep contemplations about my existence and the purpose of mundane life."  
[2:38:02 AM] Aroroaoroa: (wait a minute, a Hammer?)  
[2:38:04 AM] Lewot: "Wait, I miscalculated. Not four attacks, one attack for four times damage!"

[2:38:17 AM] Aroroaoroa: (didn't we dig up something back in that canyon like that?)  
[2:38:23 AM] Aroroaoroa: (where is that thing...)  
[2:38:27 AM] Aroroaoroa: "Urrrrrrghh...."  
[2:38:32 AM] Lëvîty: Parian prepares to debate.  
[2:38:42 AM] Lewot: "If that inaccurate swing hits us, we'll suffer 8 points of damage! I suggest a psychic assault if at all possible."  
[2:39:30 AM] Ringtail Randl: "Singed stripes, 'ye serious!? I'll NOT be partakin' in that!"  
[2:39:59 AM] KV: (Parian and Fulgur have yet to move)  
[2:41:21 AM] Lewot: "The brute has no elemental weaknesses, so we'll have to rely on pure power."  
[2:41:38 AM] Aroroaoroa: (AH-HA! There it is!)  
[2:41:46 AM] Aroroaoroa: (my sledgehammer!)  
[2:41:53 AM] Aroroaoroa: (TIME TO WHACK-A-CHUCK!!)

[2:42:16 AM] Aroroaoroa: I attack the Shit-Faced Chuck with my sledgehammer

[2:43:56 AM] Lewot: I attempt to clap, then remember I only have one arm.

[2:50:06 AM | Edited 2:50:33 AM] Ringtail Randl: [Ringtail > Ringtail; Resolute Riposte]

Ringtail tilts his head slightly upward, shifts his weight evenly and brings his hands in front of himself. His poofy tail curves the point twitching occasionally like a satellite bleeps

He says nothing.
